

Library to hold reception to honor work donated by the late Al Miller

The Hermann Branch of Scenic Regional Library is hosting a reception in honor of a recent gift of original paintings by the late Hermann artist Al Miller. The library will be open for the reception on Sunday, June 9, from 1-3 p.m. The public is invited to attend.

The six original paintings were created as anthology covers for a K-6 reading program and will be on permanent display in the children's area.

Each illustrates a different aspect of reading appropriate to the grade level, from the fascination of hearing stories, to using that skill to make informed decisions or take a stand. All of the paintings depict enjoyment and journey.

Al Miller's art included non-objective, realistic and abstract styles applied to portraiture, landscape, still life and figure painting. His media included oil, acrylic, watercolor and collage.
