

Library's Sir Arthur Conan Doyle Event

The Union branch of Scenic Regional Library will celebrate the 154th birthday of Sir Arthur Conan Doyle Tuesday, May 14, at 3 p.m.

Doyle, who created Sherlock Holmes, was born in Edinburgh, Scotland, and his life was even more exciting than any mystery Sherlock ever solved.

People may come for a piece of period birthday cake, learn about Sir Arthur, and make and take home a reminder of a startling aspect of his life.
