

# Community garden meeting at St. Clair Scenic Regional Library

For the 2023 growing season, the St. Clair Scenic Regional Library is hosting an informational meeting about its community garden on Saturday, Feb. 25 at 10 a.m. at the library.

The garden features 14, 4 feet by 8 feet raised beds for vegetables and eight smaller beds for flowers and herbs.

Those eligible to check out and utilize the garden beds include indi-

viduals, organizations, school classes and church groups. Attendance to the meeting is mandatory for those interested in checking out a bed, but registration is limited to 20 attendants. Those who checkout a bed can expect to be notified of their bed assignment in March.
