

Introduction

The Board of Trustees is the governing body of Scenic Regional Library. Its role is to set policies for the conduct of the Board and the operation of the library, monitor the district's financial condition, and employ the Director. The statutes for consolidated libraries may be found in County and City Libraries (RSMo, Chapter 182) Additional statutes affecting the Board include the Sunshine Law (Chapter 610); the Records Retention Law (Chapter 109); and Ethics Law (105.450 et al). Copies of these statutes are included in the Appendix. Other state and federal statutes will apply in given situations.

Particular attention should be given to ensure that the Board complies with the Sunshine Law. A copy of the Sunshine Law booklet is provided to all Board members. Correspondence, including email, among Board members that is related to public business is a public record and a copy should be forwarded to the Director, who is the custodian of records for the district. Board members should refrain from discussing public business with one another except during meetings of the Board.

Laws affecting library administration, facilities, personnel and services are cited in relevant sections of the Board Manual.

Board Meetings are usually held the third Tuesday of each month. The Board is required to have at least 10 meetings during the fiscal year. Board members should notify the Administrative Office (636-583-0652) if they cannot attend a meeting.

Board members are appointed by the County Commissioners of Franklin, Gasconade and Warren Counties. Four individuals from each county serve alternating terms of 4 years, which expire on June 30th. Suggestions for potential replacements should be discussed among the Board prior to contacting the individual. The Director will submit copies of the Nominee Information form to the County Commission accompanied by a recommendation. Copies of the Nominee Information form are in the Appendix.

Board members do not represent any specific community – instead they represent the district as a whole. It is understood that patrons who contact Board members will likely come from the area in which the Board member resides. However, it is important that concerns expressed by patrons be brought before the entire Board for discussion. No single Board member may act on behalf of the Library without consent of a majority of the Board, voted upon at a properly called meeting. No single Board member will purport to speak on behalf of the Board without Board approval.

Reimbursement is provided to Board members for travel or other costs incurred to attend Library Board meetings or other Board activities. The mileage reimbursement rate is \$0.03 below the current rate established by the IRS.

Trustee Memberships in the Missouri Library Association [MLA] are available to Board members and the cost will be paid by the Library.
