Library Targets Site for Future Sullivan Branch

The library has entered into a contract with the First Presbyterian Church to purchase a 1.5 acre lot on Cumberland Way, which will be the site for the library's future Sullivan branch. The Sullivan City Council approved the subdivision of the vacant lot on January 20. The library anticipates that the closing on the property will occur in late-February. The library plans for the new branch to be open by the fall of 2018 and be at least three times the size of the existing facility. The Sullivan Public Library became a branch of Scenic Regional Library on October 1, 2015.

The library is purchasing a lot from the First Presbyterian Church in Sullivan on Cumberland Way for the new branch.

New Haven Branch Named Chamber Business of the Month

The New Haven Chamber of Commerce has named Scenic Regional Library's New Haven branch their January 2016 Business of the Month. The library was selected due to its dramatically-expanded services over the past year. The Business of the Month recognition included a fifteen minute radio interview on KLPW 1220 AM. Branch manager Kate Haynes and Library Director Steve Campbell were interviewed at the station on January 25.

The library's Pacific and St. Clair branches have previously been named their chambers' Business of the Month. The Union branch was named Non-Profit of the Year for 2015 by the Union Chamber. The library has maintained memberships with all their local chambers of commerce for many years.
