

## **Policy on Posters Flyers and Public Information**

Scenic Regional Library will post information regarding cultural, recreational, educational, religious, charitable and human services programs and community events which are available/open to the public at large.

The library does not evaluate the beliefs or purposes of the sponsoring organizations and posting information does not imply endorsement by the library of any group, their ideas or programs.

### I. Basic Policies

- a. Because of space limitations, priority will be given to library posters and flyers.
- b. The appearance and content of a notice must be appropriate for the location in which it will be posted.
- c. The library does not post material relating to:  
    activities undertaken for individual gain or commercial profit  
    political campaign posters or literature
- d. Permission to post material must be requested in advance of posting.
- e. Generally, notices will not be posted for longer than two weeks.

The above policy shall also apply to literature provided by community organizations and governmental agencies.
