2015 Summer Reading Program EVERY HERO HAS A STORY

"Every Hero Has A Story" Summer Reading Program has begun! All ages are welcome to participate. Be a HERO and read some great books this summer! June 1 - July 31.

Agnes Meyer Presented Lifetime Membership to Friends of the Library

The Scenic Regional Library Foundation Board awarded a lifetime "diamond level" Friends of the Library membership to Agnes Meyer. Library Director Steve Campbell presented a framed certificate to Ms. Meyer on June 16. On May 22, Ms. Meyer donated a 1.53 acre lot in New Haven for the construction of a new library. The future branch will be north of the Save-A-Lot and Here Today, Gone Tomorrow stores, with its entrance off Douglas Street.

Union Garden Club Landscapes Administrative Building

The Union Garden Club volunteered to landscape the library's new administrative offices. The group designed the layout, selected the plants, prepared the area, and planted all the trees and shrubs. The project was spearheaded by Club president Marsha Hobbs Smith. The library provided the supplies, trees, and shrubs, but Ms. Smith and the other volunteers braved 90-degree heat on multiple days to perform the work. The volunteers on the project were Marsha Hobbs Smith, Tammy Poertners, Paulette Monzyk, Barbara Horter, Brenda Buxton, David Moll, Loretta Obenauer, and Clara Nantz. The library is fortunate to have such talented individuals in the area who are willing to donate their time and expertise to beautify the library.

Library Purchases Property in Wright City for Eighth Branch

Scenic Regional Library has purchased a 1.3 acre lot in Wright City for a new branch. The lot is located directly south of Wright City West Elementary School on Wildcat Drive. The new branch will be the library system's eighth location in Franklin, Warren, and Gasconade counties.

In January, the library held a meeting of community leaders in Wright City to discuss the possible location of a new branch. Most of the people in attendance said that the library should be built in the northwestern part of the city, where the majority of housing development has occurred in the area. After the meeting, Wright City Superintendent Chris Gaines approached the library about purchasing property for a new branch. The school district was extremely enthusiastic about the library building a new branch in the community and handled the surveying and other work necessary for the purchase.

During its tax levy campaign last spring, the library promised voters a second Warren County branch if the measure passed and has been moving quickly to fulfill those promises. Over the past two months the library has purchased land in

Warrenton and St. Clair for the expansion of their existing branches and received a land donation for a new branch in New Haven. The library will announce the completion of additional land purchases in Owensville and Pacific by the end of the summer.

Another potential location discussed for the second Warren County branch was the Marthasville area. However, the library's Board of Trustees decided that there was a greater need in Wright City. The population within a seven-minute driving range of Wright City is more than double that for Marthasville. However, Warren County's population has been growing rapidly over the past two decades. As a result, the library still has not ruled out the possibility of a future branch in Marthasville.

Along with New Haven and Owensville, Wright City will be one of the first new facilities built by the library.

Amateur naturalist Mark Glenshaw gave a presentation on Forest Park Owls at the New Haven branch. He also donated a book on North American Owls, which will be available to check out soon.

The Pacific branch hosted a Petting Zoo with Pleasure Lane Farms. Children enjoyed playing and asking questions about the animals.

Fire Dog performed at the Hermann branch for patrons. Everyone danced and had a great time listening to some fun music.

Owensville had some heroes at their branch during the first week of Summer Reading Program Kid's Club! The Missouri State Highway Patrol and Gasconade County Department visited and talked to the young patrons.

"Dad is my Hero" was the theme for St. Clair branches' storytime in honor of Father's Day. A young patron shows off a card she planned on giving to her dad that she made.

A monthly publication from your local library!

Steve Manion and his band "A Fiddle N' Friends" gave a festive performance and background on the history of Missouri fiddle tunes at the Union branch.

Warren County branch had fun with some superheroes during storytime. Here some of our young readers try out their flying skills.

Project T.I.L.T. (Teens In the Library Team) met for the first time at the Hermann branch. Teens discussed future topics they would like to work on for their club.

Go On A Storywalk!

There is now a storywalk installed at a park in each of the Scenic Regional Library communities. Read a picture book together as you walk down a trail, and then get literacy tips as you walk back. Visit often; we will be changing the stories every couple of months. These storywalks were purchased with a grant from the Institute of Museum and Library Services under the provisions of the Library Services and Technology Act as administered by the Missouri State Library
