## **Welcome!**

Scenic Regional Library (SRL) is discontinuing its partnership with Overdrive. We will now be offering eBooks and eAudiobooks to patrons using Cloud Library and this guide will provide you with the information you'll need to use it.

## **What is Cloud Library?**

Cloud Library is a digital collection company that partners with libraries. Currently, Cloud Library's collection includes eBooks and eAudiobooks. SRL's Collection Development Manager buys digital copies of titles from Cloud Library which are then made available to our patrons through an e-catalog.

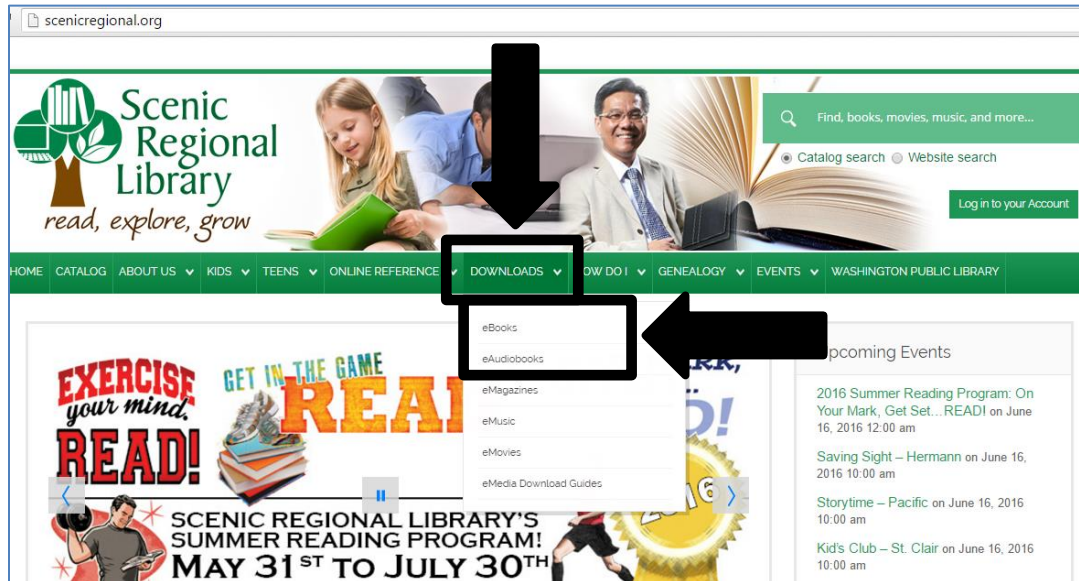

## **Cloud Library's Offerings to Patrons**

Any SRL patrons who have library accounts in good standing can access Cloud Library. Patrons can check out seven titles at a time and can keep them for two weeks. Patrons can also have seven titles on hold at one time.

## Accessing Cloud Library

Follow these steps to access Cloud Library.

1. Go to [www.scenicregional.org](http://www.scenicregional.org).
2. Point your mouse at "Downloads" to reveal a drop down menu.
3. Click on "eBooks" or "eAudiobooks."

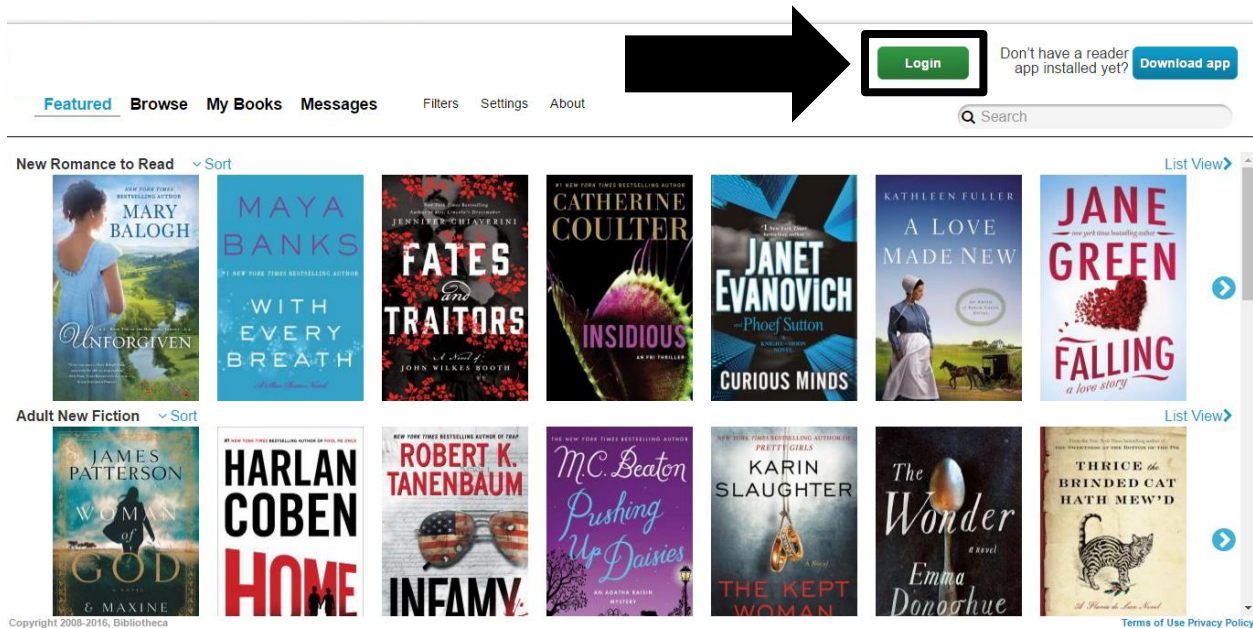

4. Click on the Cloud Library logo.

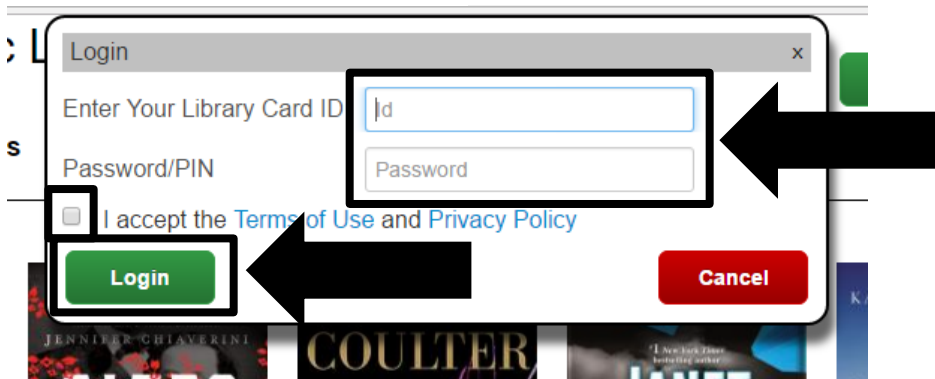

## Logging into Cloud Library

Follow these steps to log into Cloud Library.

1. Click "Login."

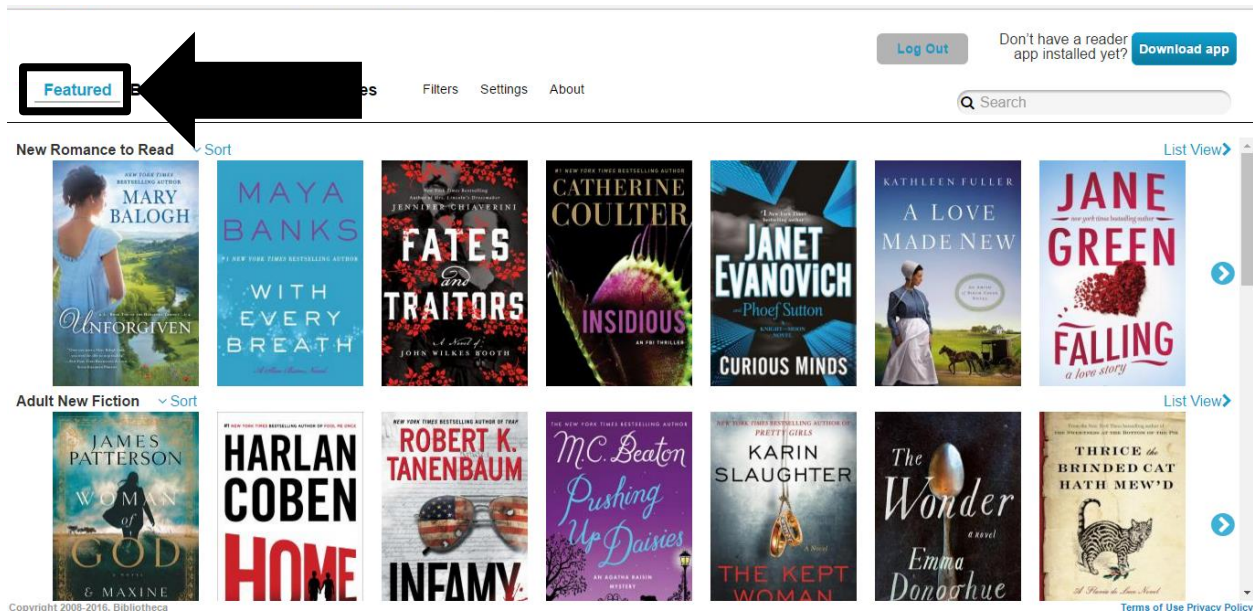

2. Enter your library card number. SRL will not be requiring a password/pin.
3. Check the box for "I accept the Terms of Use and Privacy Policy."
4. Click "Login."

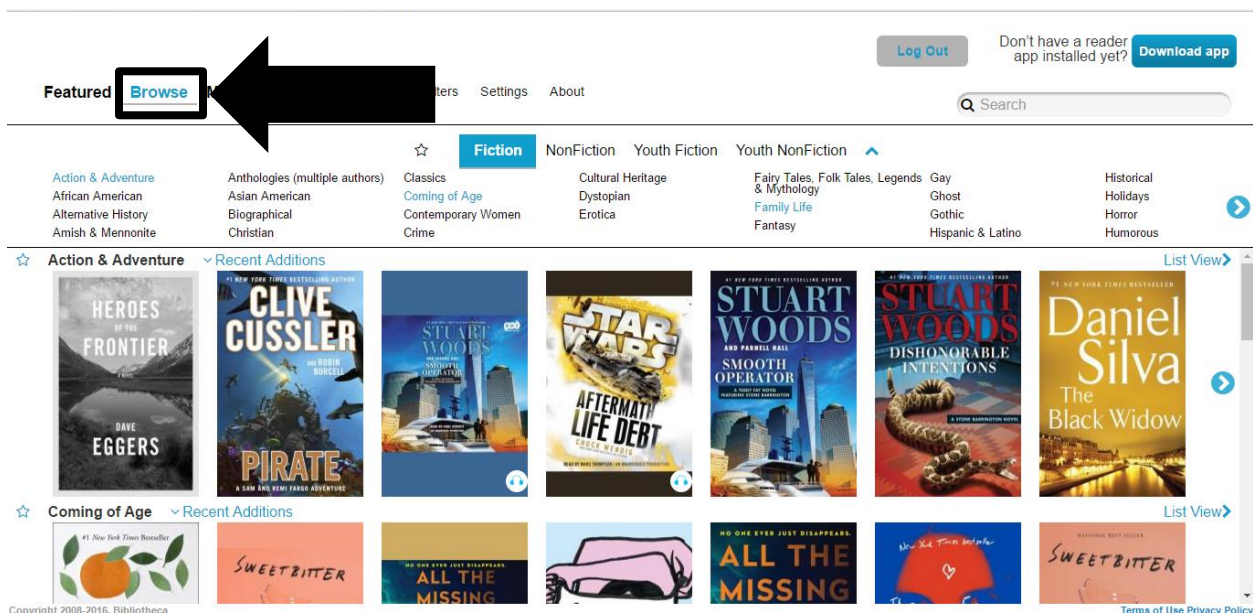

## The Cloud Library Home Page

Most of the functions you will use in Cloud Library can be accessed from the home page.

Featured Button – Clicking on this displays the featured collection in the main viewing window.

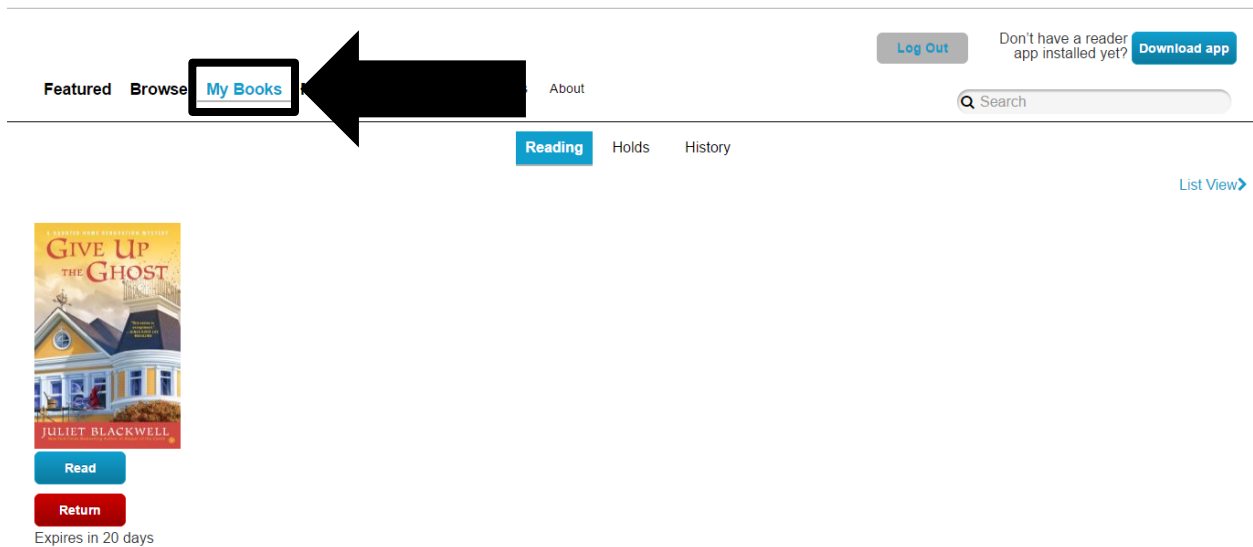

Browse Button – Clicking on this displays genre categories you can select and deselect to display in the viewing window.

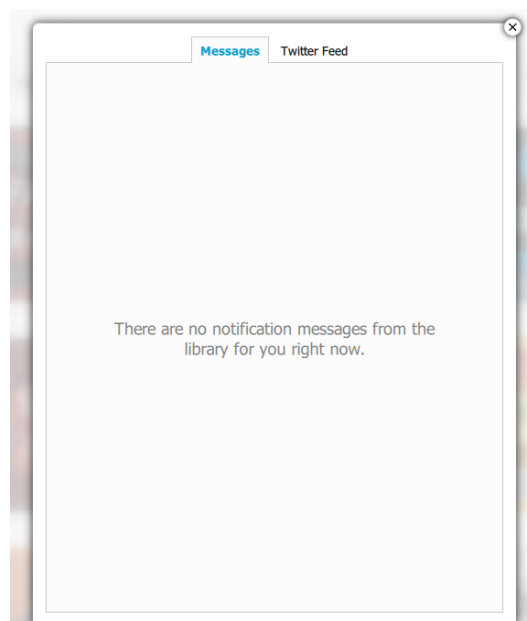

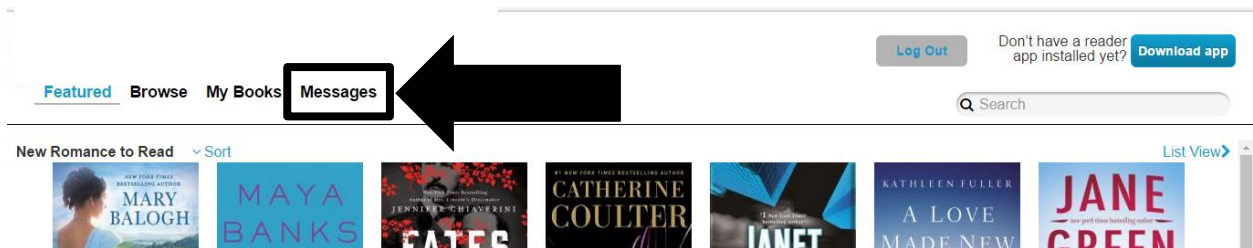

## The Cloud Library Home Page, continued

My Books – Clicking on this takes you to a page that lists the books you have checked out. Note that you can also access your holds and history from this page.

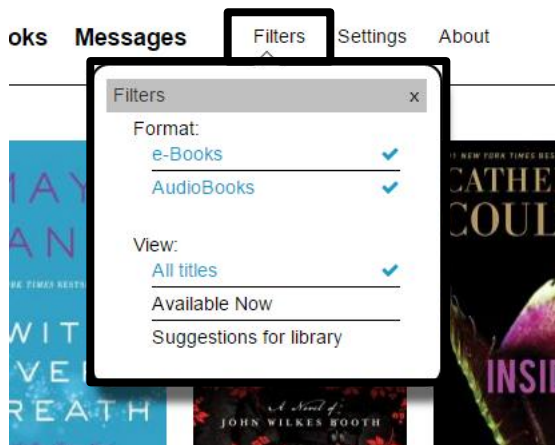

Messages – Clicking on this takes you to a page that lists your messages.

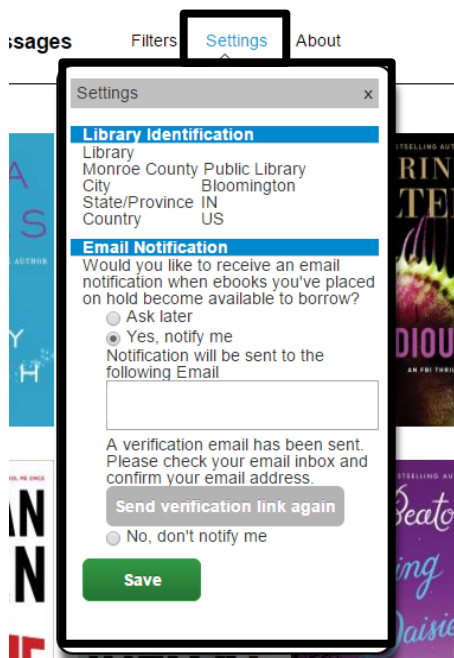

## The Cloud Library Home Page, continued

Filters – Clicking on this allows you to apply various filters when browsing the collection.

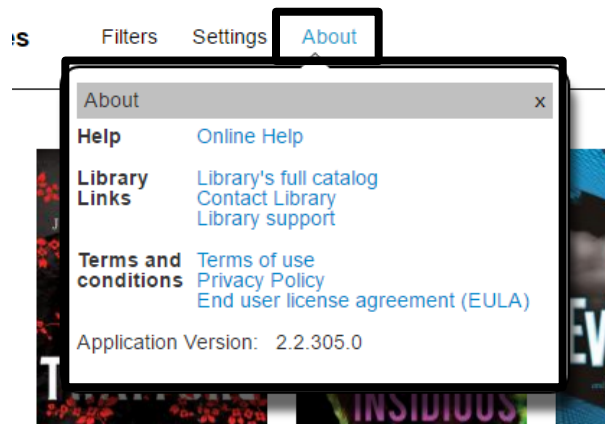

Settings – Clicking on this allows you to set email notifications for your account.

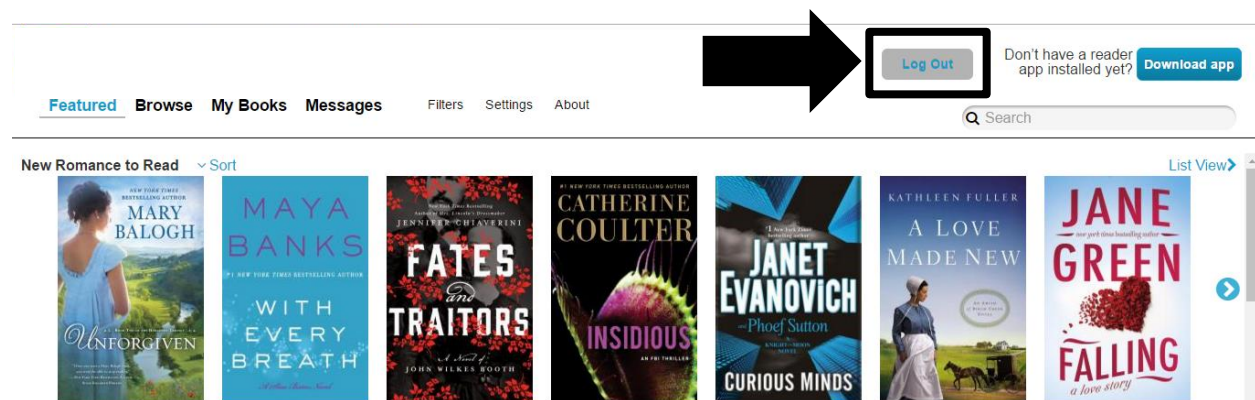

## The Cloud Library Home Page, continued

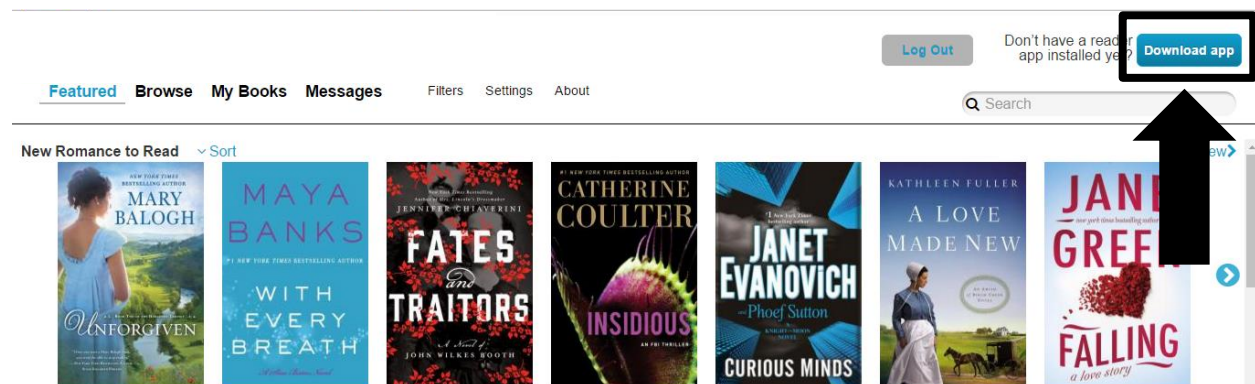

About – Clicking on this allows you to access various help functions as well as the legalities of using Cloud Library.

Log Out – Clicking on this logs you out of your account.

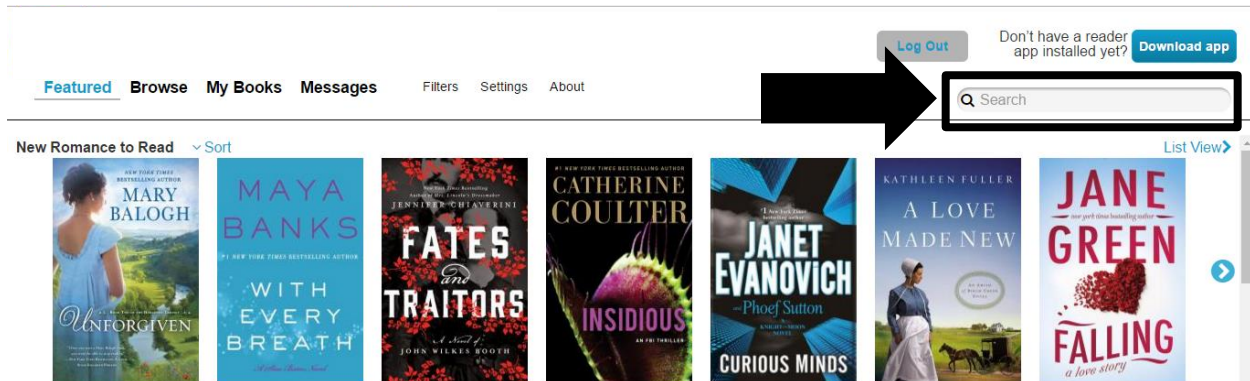

Download App – Clicking on this takes you to Cloud Library's website, specifically to the page with information on all the Cloud Library's Apps.

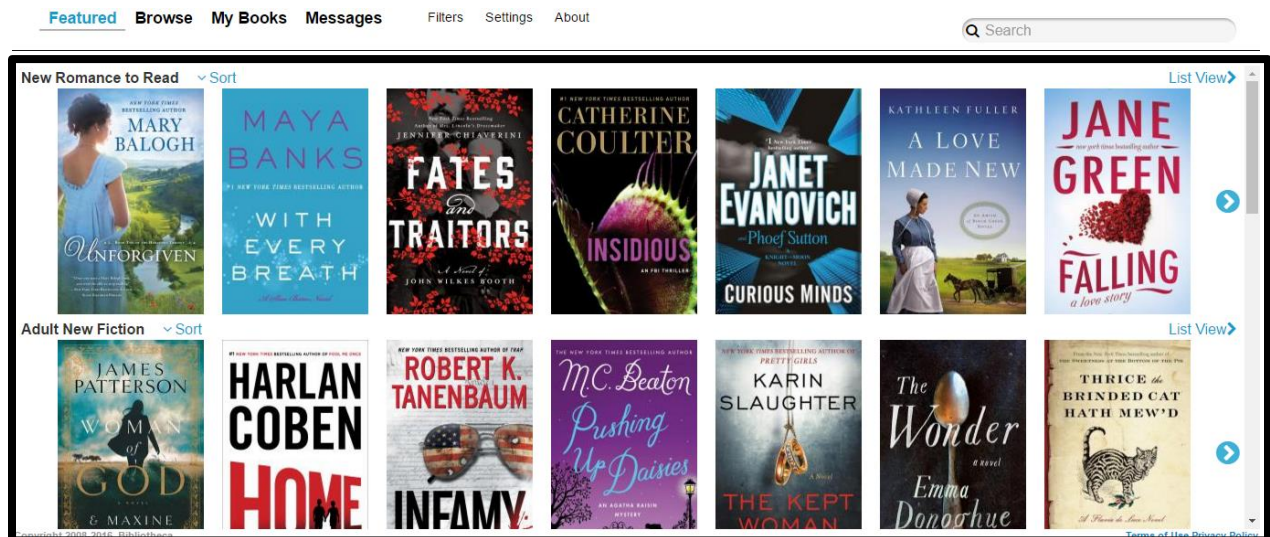

## The Cloud Library Home Page, continued

Search – The search field allows you to search the collection.

Viewing Window – This is where all the titles are displayed.

## Browsing and Borrowing Titles

There are three ways to browse the collection and then borrow a title.

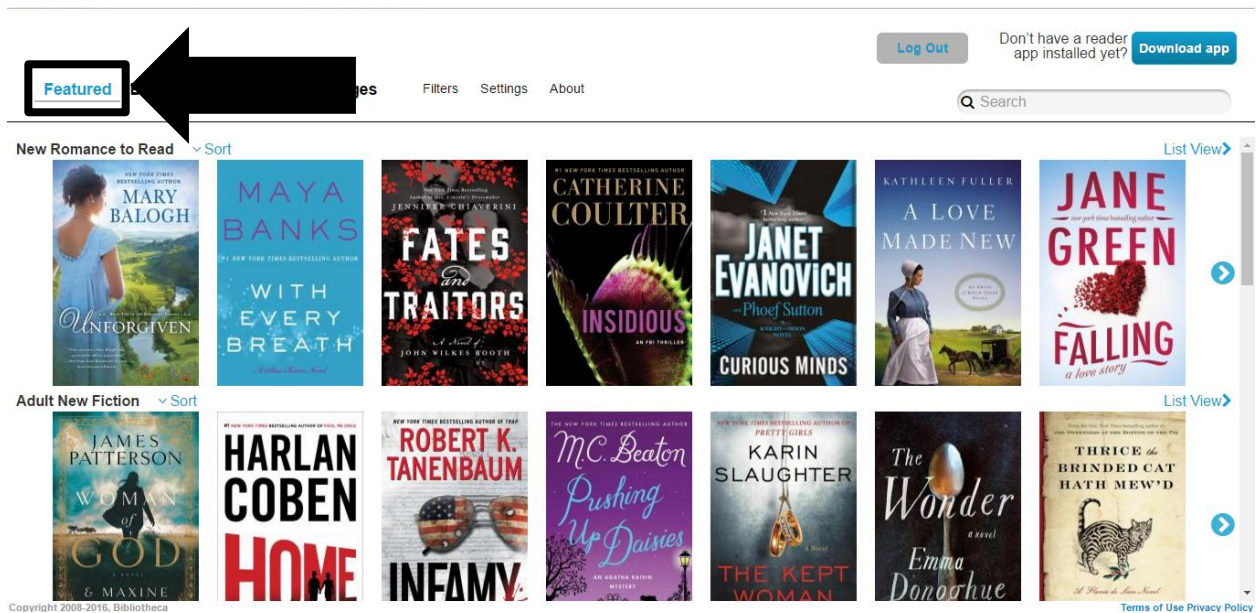

1. Featured Collection
2. Browse Button
3. Search Function

### Featured

When you log into your account, Cloud Library features numerous titles in the viewing window.

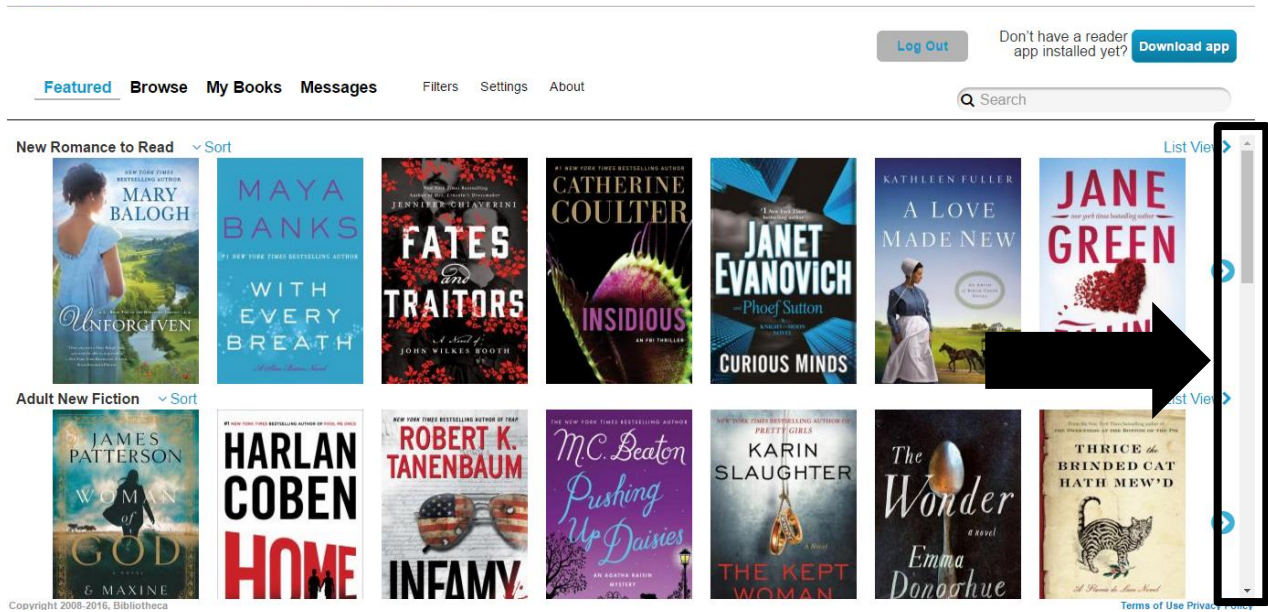

Follow these steps to browse and borrow a title from the featured collection.

1. Click “Featured” if applicable. If you just logged into your account, the featured collection may already be displayed.

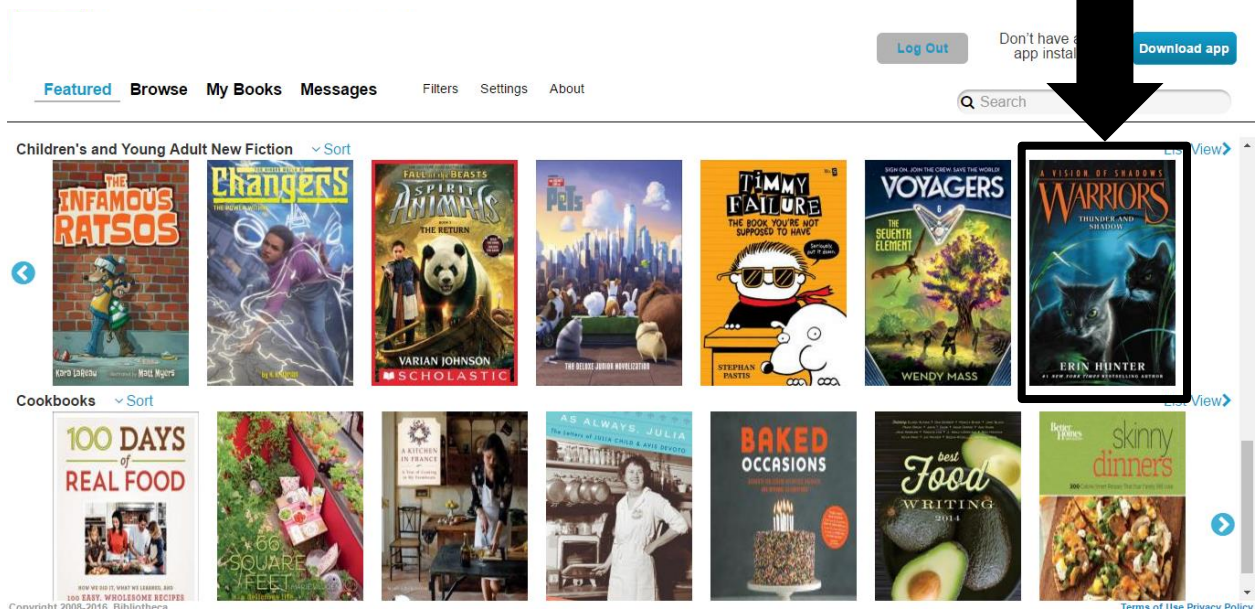

## Browsing and Borrowing Titles, continued

2. Scroll vertically to see all the genres.

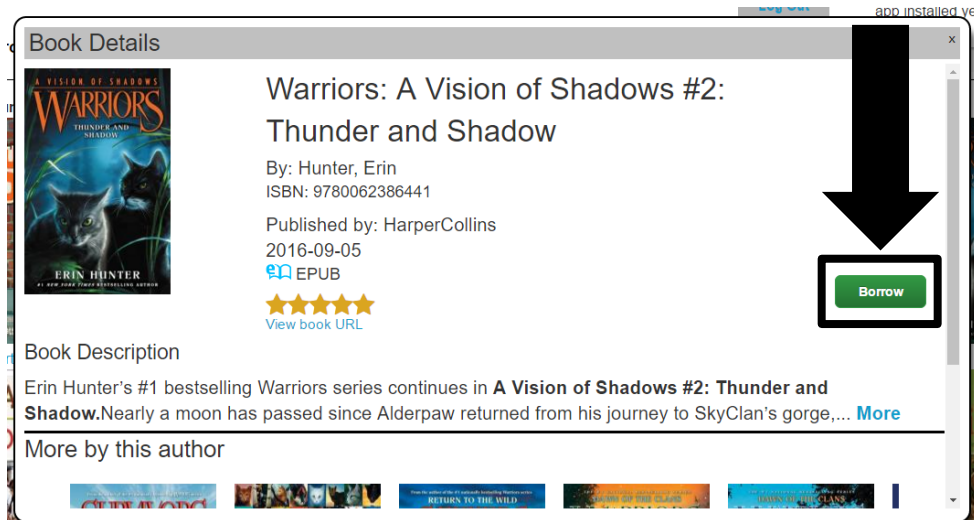

3. Click on any title's cover.

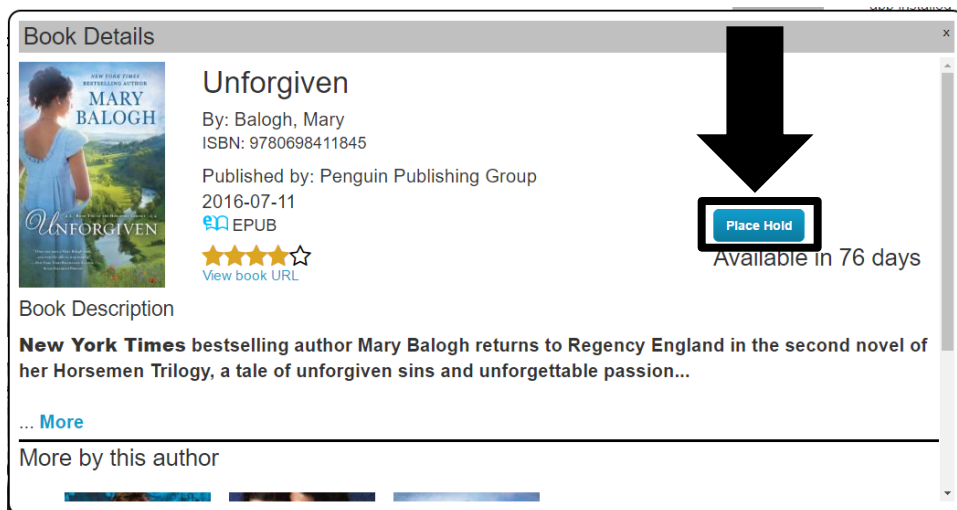

## Browsing and Borrowing Titles, continued

4. Click "Borrow."

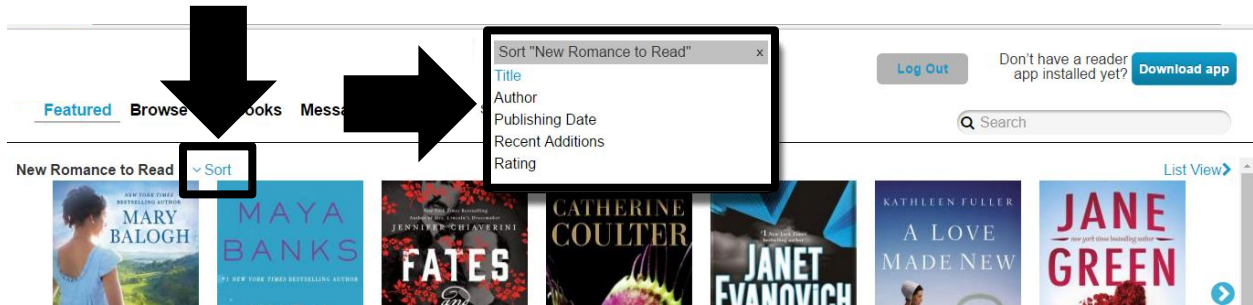

### Notes

If the title is checked out, the Borrow button will be replaced with a Place Hold button.

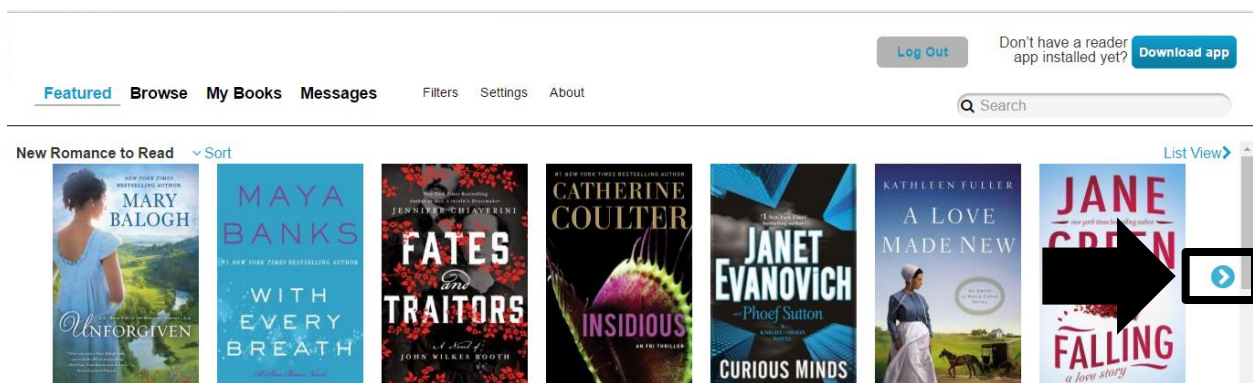

## Browsing and Borrowing Titles, continued

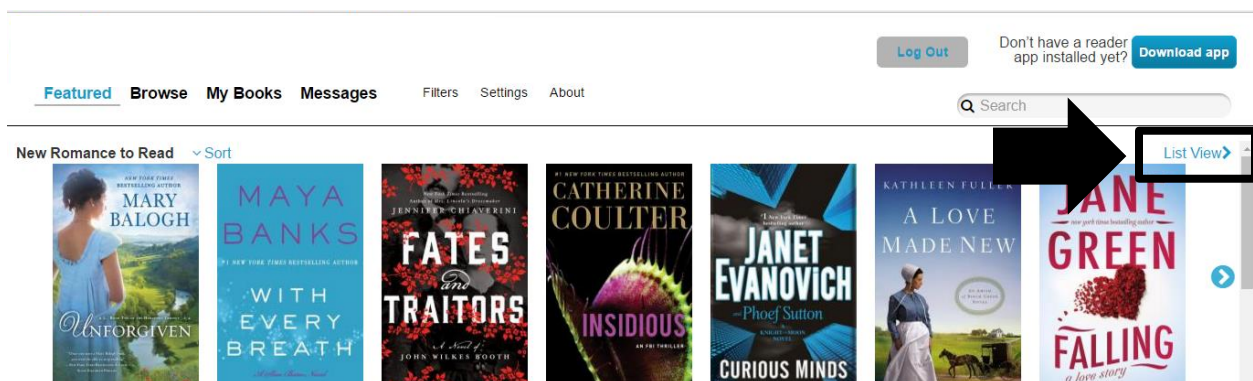

You can change the order of the titles by clicking on “Sort” and choosing a different sorting order.

You can see additional titles by clicking on the blue arrow.

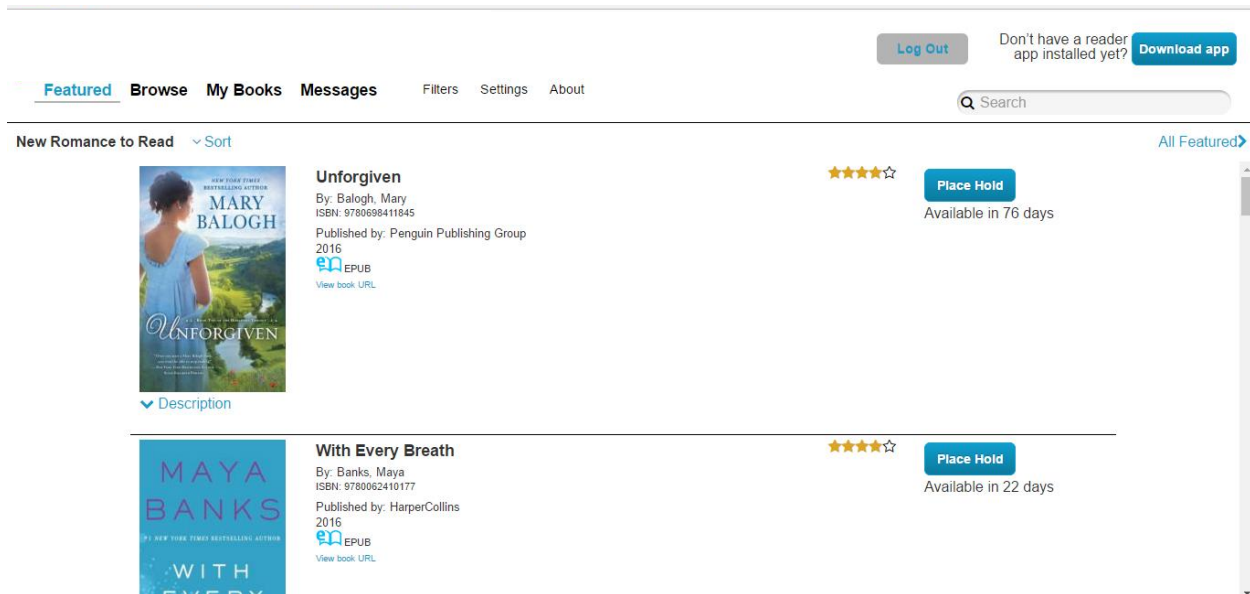

You can change how the titles are displayed by clicking on “List View.” When you select this view, the Place Hold and Borrow buttons will be displayed as well.

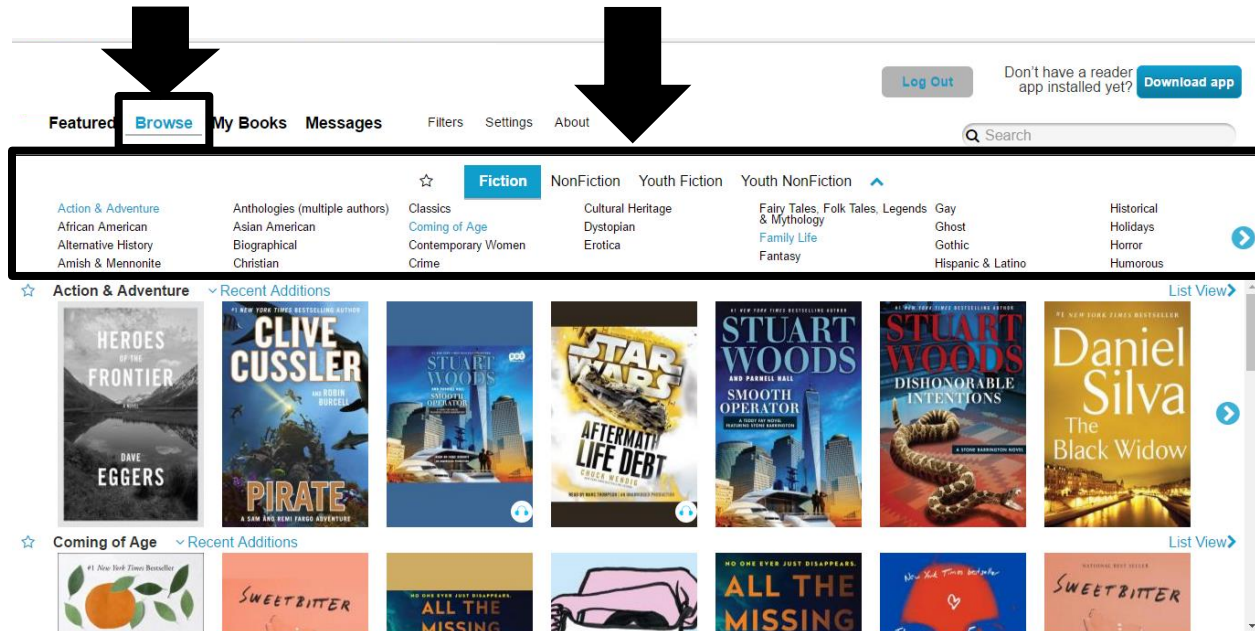

## Browsing and Borrowing Titles, continued

The screenshot below illustrates the list view.

Follow these steps to browse and borrow a title using the Browse feature.

1. Click "Browse."
2. Choose the genres that you want you displayed in the viewing window.

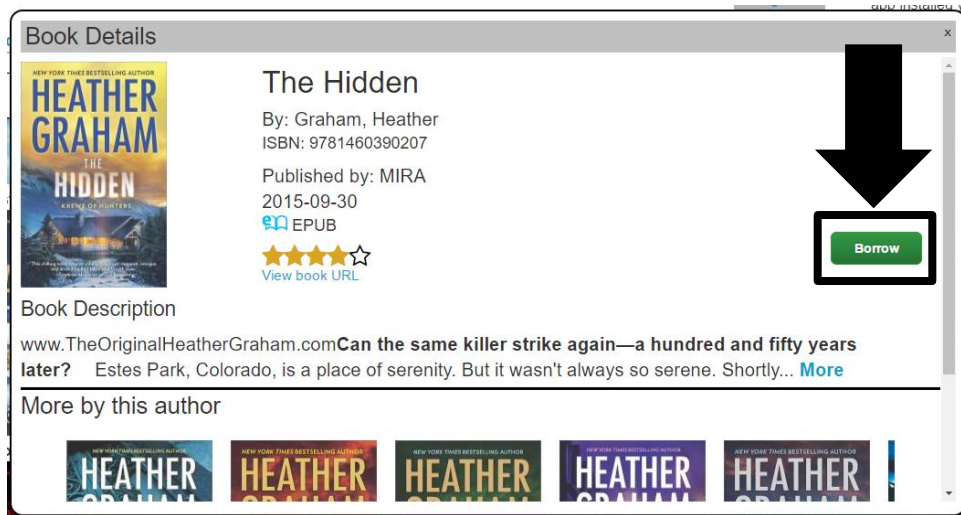

## Browsing and Borrowing Titles, continued

3. Click on any title's cover.

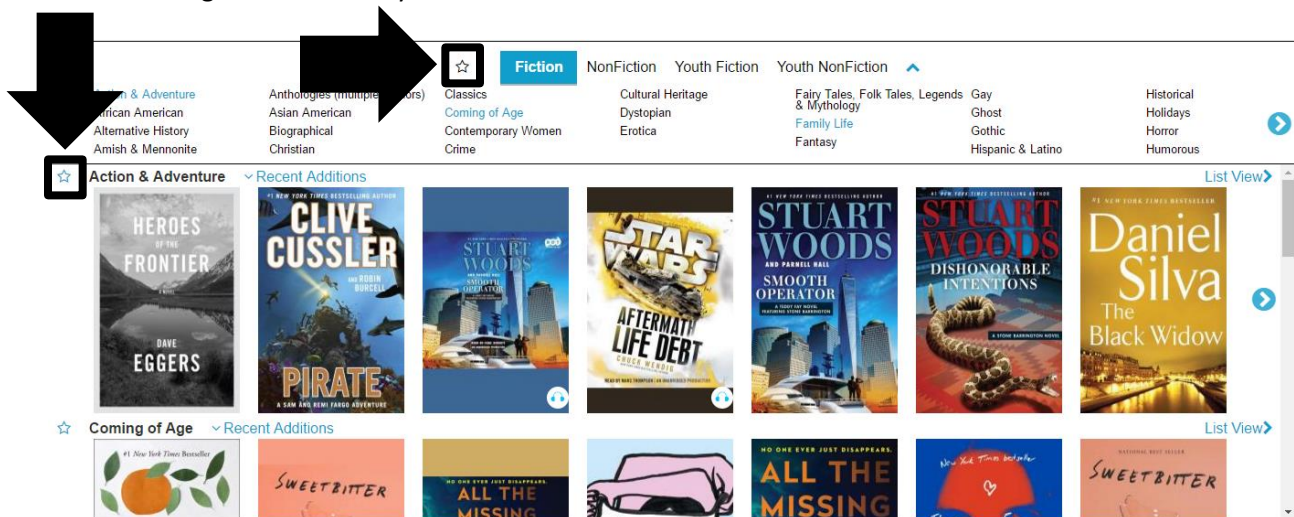

4. Click "Borrow."

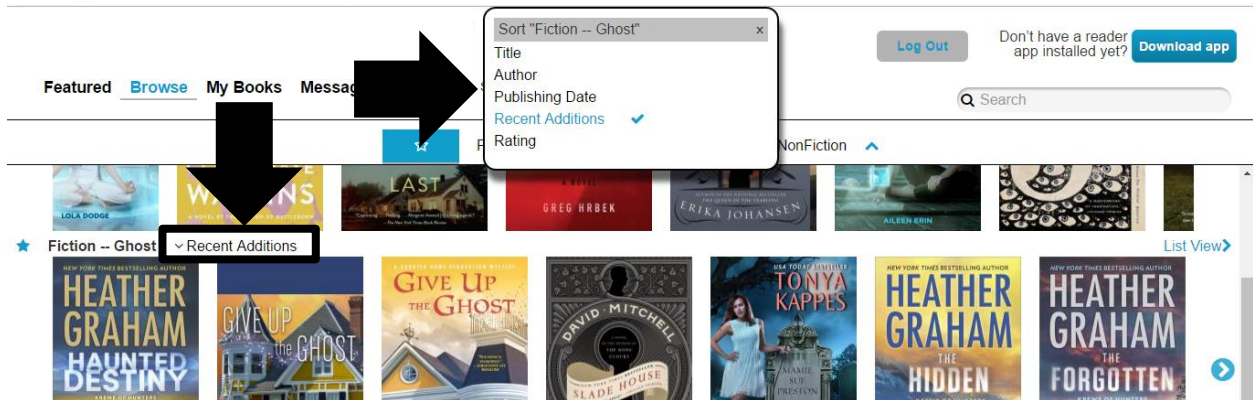

### Notes

Clicking on a star in front of any genre makes that genre a favorite. All your favorite genres will display in the viewing window when you click on the star to the left of "Fiction" in the browse menu.

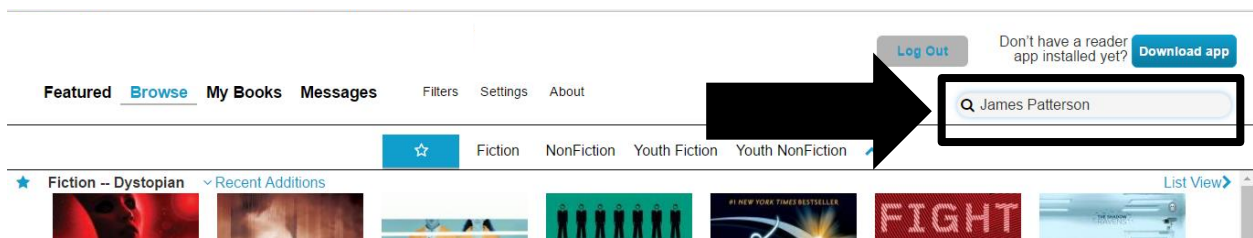

## Browsing and Borrowing Titles, continued

Clicking on “Recent Additions” allows you to select a different sort order for that genre.

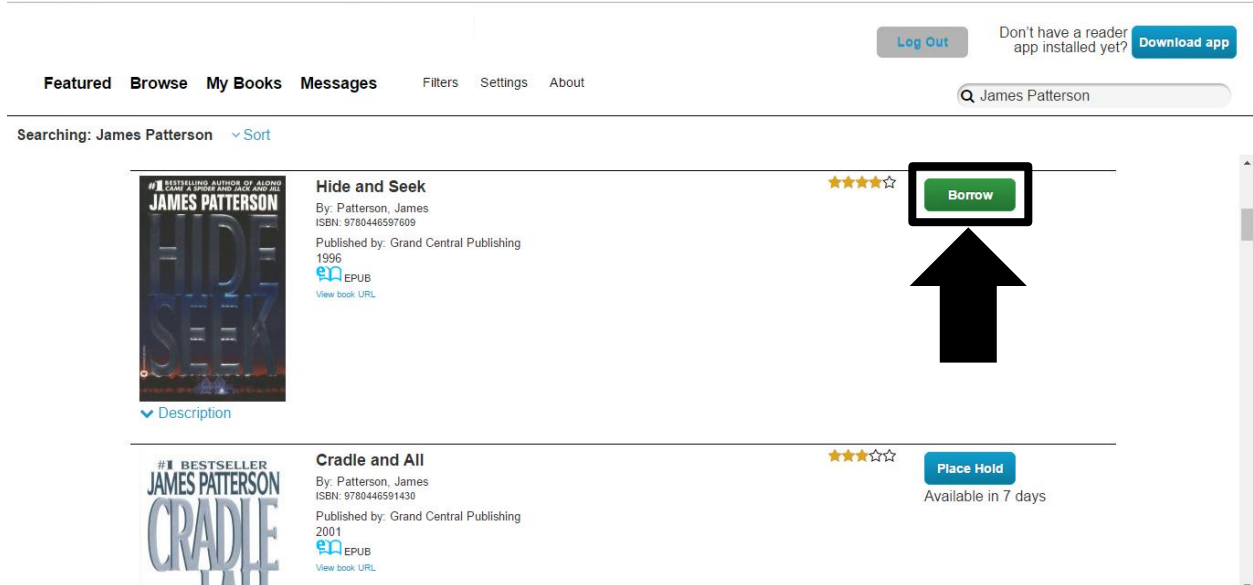

Follow these steps to browse and borrow a title using the search feature.

1. Click on the search field.
2. Enter your search words.
3. Click the magnifying glass.

4. Vertically scroll through the results until you find a title you want.
5. Click “Borrow.”

## Browsing and Borrowing Titles, continued

### Notes

Clicking on description will drop down a description of the title.

### Notes

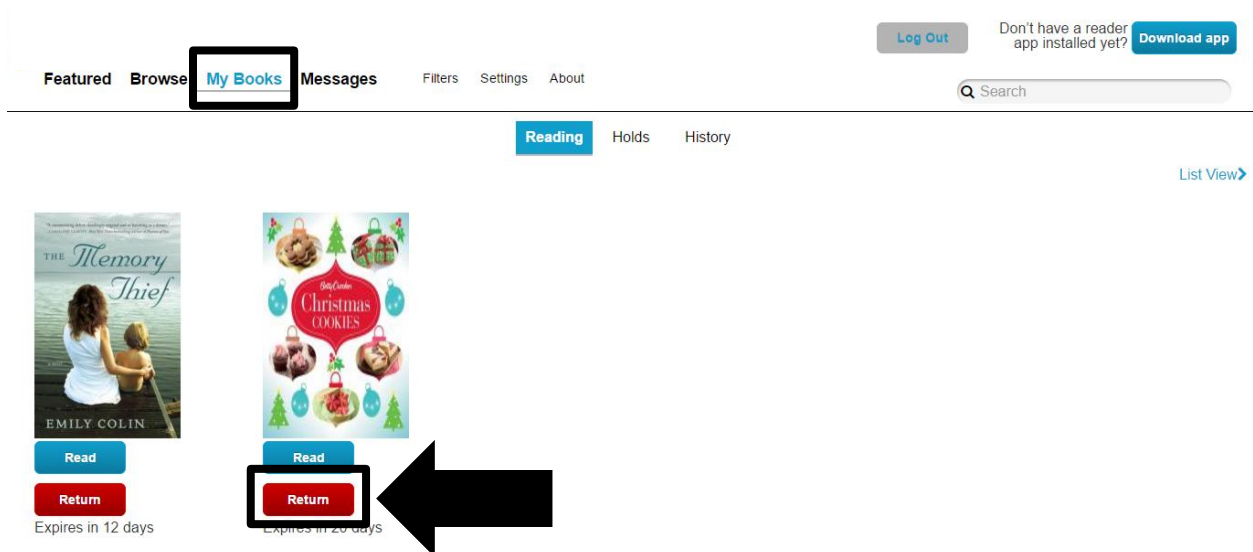

- Once you have the app installed on your computer or laptop, you can do everything in it that you can do on the website with the exception of returning a title early.
- Your library card number will be displayed in the upper right corner of the app screen. Click on it to log out of the app.

## Returning a Title Early

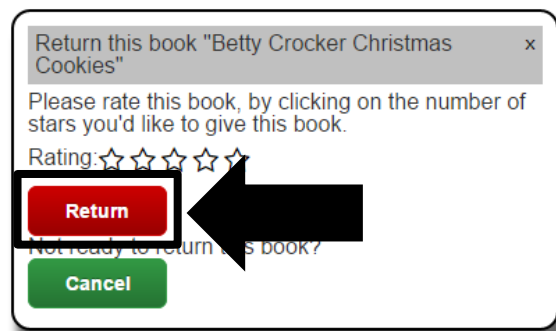

Please note that titles must be returned early from the website, not the PC app.

After logging into your account through the website, follow these steps to return a title early.

1. Click "My Books."
2. Find the title you want to return.
3. Click "Return."

4. Click "Return" again to verify the return.
