Welcome!

Welcome to the Freegal Music Help Guide! Scenic Regional Library (SRL) has purchased this resource and the purpose for this help guide is to provide you with the information you need to use it.

What is Freegal Music?

Freegal Music is a music service offered through libraries that allows patrons to stream and download songs and music videos. Here are some interesting facts about Freegal Music.

- It is comprised of music from over 28,000 labels.
- Its music originates from over 100 countries.
- There is no software to download.
- There are no digital rights management restrictions.
- There are about 8 million songs in its library.
- There are about 15,000 music videos in its library.
- Once you download a song or music video, it is yours to keep!

Freegal Music Offerings to Patrons

Any SRL patrons who have library accounts in good standing can access Freegal Music using their library card number to log in to the system. Once logged into the Freegal Music site, they can stream or download music.

<u>Streaming</u> – Patrons are able to stream music for three hours per day through Freegal Music. In its simplest form, patrons simply need to search for the music they want to hear and click play.

<u>Downloading</u> – Patrons also have the option to download songs and music videos from Freegal Music. Each patron receives a five-song weekly allotment of downloads, with songs counting as one download and music videos counting as two. The allotment resets every Monday at 12:01a.m. ET and what patrons do not use, they lose.

Accessing Freegal Music

Follow these steps to access Freegal Music.

- 1. Go to <u>www.scenicregional.org</u>.
- 2. Point your cursor at "Downloads" to reveal a drop down menu.
- 3. Click on "eMusic."

4. Click on the Freegal Music logo.

Logging into Freegal Music

Follow these steps to log into Freegal Music.

1. Click on "Login."

- 2. Enter your library card number.
- 3. Click "Login."

Freegal Music Homepage

Once logged into the Freegal Music website, you will land on the Homepage. On the left side of the Homepage, there is a vertical menu with several features that are divided into three categories.

- Streaming
- My Downloads
- Announcements

On the top of the Homepage, you'll find the search feature, account information, and the download usage counter. Directly below these, you'll find a blue, horizontal menu bar with the following links.

- Home
- Music Videos
- Most Popular
- New Releases
- Genres
- FAQ

Your navigation through these menus will determine what you see in the main screen.

Left Menu Bar

As stated previously, Freegal Music has a menu bar on the left side of its home page that is always visible regardless of where you are in the site. It is divided into three categories, each of which will be covered subsequently.

Streaming

The Streaming menu contains three sections.

- Freegal Playlists
- My Playlists
- History

Note that a "Now Streaming" also appears if you are actively streaming music. You can click on that link to see a list of the currently streaming titles in the viewing window.

<u>Freegal Playlists</u> – These playlists are preloaded into the site by Freegal Music. Click on "Freegal Playlists" and a list of playlist options will appear in the viewing window. You can click on the play button to begin streaming the playlist or click on the title of the playlist to see the songs on that playlist.

<u>My Downloads</u> - As the name implies, My Downloads centers around songs you have downloaded or want to download. There are two options in the My Downloads section of the website.

- Downloads
- My Wishlist

<u>Downloads</u> - When you download a song from Freegal Music, it lands here and stays for two weeks. The purpose of this feature is to provide a back up in case something goes wrong when you are trying to save the song to a device. You will have two more times to try again from this page within that two week timeframe at no cost to your weekly download allotment. Once you have tried twice or the two week timeframe has passed, the song will disappear from this page. Music videos are not kept on this page, so you have only one try to save them to a device.

<u>My Wishlist</u> – The My Wishlist feature allows you to save song titles and music video titles so that you will not forget them later. It is a very convenient feature for those who could easily download more than their allotted amount each week. When they run out of downloads for the week, they can save the titles here to download them during a subsequent week.
