Secretary/Treasurer – Mary Wesche

Warren County branch

President – Madge Flake
Vice President – Lori Dothage
Secretary – Kaki Johnson
Treasurer – Ruth Fredde-Van Cleve

Friends of the Library Groups Elect New Officers

In April and May, the library's seven Friends of the Library groups elected new officers for the 2017-2018 membership year. The Friends of the Library governing committees determine how their funds should be donated to their branch, and organize membership drives, fundraisers, and other events. Any Friends' member can serve on a group's governing committee.

Friends of the Library Now Accepts Debit and Credit Cards Online

Library supporters can now purchase a Friend of the Library membership or make a donation to the library online using a debit or credit card. The library has added an e-commerce feature and online forms to its website which allow people to join the Friends of the Library online using their debit or credit card. The Friends' application can be found at <http://scenicregional.org/friends>. People can also make a monetary donation to a Friends of the Library group or the Library Foundation on the library's website using their debit or credit card at <http://scenicregional.org/donate>.

New Haven Branch for Sale

With construction of the library's building project soon to be underway, the library has placed the existing New Haven branch on the market. The library has contracted with Michelle Guehne, a realtor with RE/MAX in New Haven; the asking price is \$69,900.

The 1,860 square foot building is located on a 1.7-acre lot at 901 Maupin Avenue. It was originally constructed around 1886-1887. The library has occupied the building since 1990. Immediately prior to the library, the building served as the Trinity Lutheran Church.

A monthly publication from your local library!

The Sullivan branch was honored to have architect John Mueller read during storytime. Mr. Mueller has worked on all the new branch designs for Scenic Regional Library. He explained what architects do and pointed out some famous buildings in one of our books!

Union patrons had an amazing time learning about toads, chinchillas, toucans, tarantulas (pictured), and wolves during "Animal Architects". Handler Steve from Animal Tales explained how they can build things to help them find shelter, food, or to escape prey.

Hermann Kids Club hosted an architect at the branch! He taught the children about castles and why they were built a certain way. Then, everyone worked together to create a castle for display at the branch!

Missouri Evergreen Continues to Grow

The North Kansas City Public Library submitted paperwork in May to join the Missouri Evergreen consortium. The library will migrate its 80,000-item collection to Evergreen in April 2018 and become the consortium's 39th member. Scenic Regional Library transfers over 4,000 items to and from other Missouri Evergreen libraries each month.

Scenic Regional Library's director, Steve Campbell, was re-elected chair of the Missouri Evergreen consortium for 2017-2018. He previously served two terms as vice-chair, from 2014-2016.

"Stories Matter" Resources and Activities

The Stories Matter project, cosponsored by Neighbors United Undoing Racism, the Social Justice Committee of East Central College, and Scenic Regional Library, has placed at each branch a Resources and Activities Guide to be used in conjunction with the fifteen Stories Matter titles. Each Stories Matter book celebrates the diversity of the human race. The Resource Guide includes tips on teaching children about race, short synopses of each Stories Matters

book, and ideas for extending the learning begun by reading the books. Patrons may use the Resource Guide inside the library. It may not be checked out but pages may be copied and taken home. The Stories Matter books themselves may, of course, be checked out.

Author Caroline Marino and canine star, "Penny", visited the Pacific branch. Ms. Marino read and signed her book, "Penny the Pibble" for us. We all made a few new friends and had a great time!

80's Trivia Night was righteous at the Warren County branch! Everyone had a bodacious time getting mental with the questions while munching on old school Doritos with throw back Pepsi! Totally tubular, like I'm so sure!

A monthly publication from your local library!

Purchase a “Book” for the Donor Wall in Your New Library

You can have your name, your family’s name, or your business’s name become a permanent part of the new library in your community.

The Scenic Regional Library Foundation and Friends of the Library groups will be selling donor wall “books”, which will be placed in the entrance hallway of each new facility.

The cost of a donor wall “book” is based on the size of the book:

- 8” x 1½” book – \$100
- 10” x 2” book – \$200
- 9” x 3” book – \$300

Visit www.scenicregionalfoundation.org/ to place your order. The Foundation accepts debit and credit cards for donor wall “book” purchases.

Proceeds from the sale of the donor wall books will be used to assist the library with the purchase of furnishings and equipment in the new facilities. Purchases are tax deductible.

Library Working with School Districts to Issue Every Student a Library Card

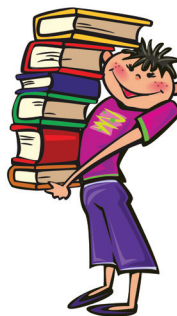

Scenic Regional Library has begun an initiative to provide every student in their district a public library card. Youth Services Librarian Christy Schink has been meeting with the superintendents of the more than a dozen school districts in the library’s service area about the initiative. All the superintendents have been extremely receptive to the idea.

When parents enroll their child in school, they will be able to select an option to have their child issued a public library card. After enrollment is complete, the school districts will provide the relevant information to the library to register the students for library cards. In addition to being able to use the card at the library’s branches, students will be able to access many of the library’s digital resources with their card online from home.

Don’t forget, something as simple as taking a selfie with one of your friendly librarians counts as a check mark on your adult Summer Reading Program sheet. Thanks to Dan for fulfilling another Summer Reading Program check mark with Melissa, our Children’s programmer from St. Clair!

This young patron had fun learning about science using candy during our “Mad Scientist” Kids Club at Pacific! Join us for more fun at our upcoming Kids Clubs held at each branch during our Summer Reading Program.

How to Safely View the 2017 Solar eclipse

- Stand still and cover your eyes with your eclipse glasses or solar viewer before looking up at the bright sun.
- After glancing at the sun, turn away and remove your filter.
- Do not remove the filter while looking at the sun!
- Do not look at the uneclipsed or partially-eclipsed sun through an unfiltered camera, telescope, binoculars, or other optical device. Similarly, do not look at the Sun through a camera, a telescope, binoculars, or any other optical device while using your eclipse glasses or handheld solar viewer — the concentrated solar rays will damage the filter and enter your eye(s), causing serious injury. Seek expert advice from an astronomer before using a solar filter with a camera, a telescope, binoculars, or any other optical device.
- If you are within the path of totality, remove your solar filter only when the Moon completely covers the Sun's bright face and it suddenly gets quite dark. Experience totality, then, as soon as the bright Sun begins to reappear, replace your solar viewer to glance at the remaining partial phases.

Total Solar Eclipse to Occur in Missouri on August 21

A total solar eclipse will occur on Monday, August 21, for the first time in the St. Louis area since 1442. The partial eclipse will start in late morning and end in early afternoon, with the total eclipse occurring during the 1:00 PM hour. Visit stlouiseclipse2017.org for more information.

Pick up a free pair of eclipse viewing glasses to view the solar eclipse at any Scenic Regional Library branch beginning July 1. Area schools will be in session on August 21 during the eclipse and most districts will purchase and distribute eclipse classes to their students. As a result, the free eclipse viewing glasses are primarily for adults, homeschool students, and pre-school age children.

All Scenic Regional Library branches will be closed from 1:00 to 1:30 PM on Monday, August 21 to allow staff to observe the solar eclipse.

Pick up a free pair of eclipse viewing glasses at the library (while supplies last!)

Location, Time, and Duration of Eclipse

Hermann—1:14:30 PM 2 minutes, 30 seconds

New Haven—1:15:02 PM 2 minutes, 31 seconds

Owensville—1:14:42 PM 2 minutes, 32 seconds

Pacific—1:16:13 PM 2 minutes, 24 seconds

St. Clair—1:15:42 PM 2 minutes, 40 seconds

Sullivan—1:15:34 PM 2 minutes, 31 seconds

Thursday, July 13 at 1:00 pm
 Held at the Old New Haven School.
 Stories are preschool age appropriate.

Pages & Popcorn (6th Grade+): Teen Event

Wednesday, July 15 from 1:00 pm - 3:00 pm
 Share your favorite book(s) and get ideas for good books to read.

Abra-Kid-Abra: Magic of the Eclipse

Friday, July 28 at 1:00 pm
 Join us for this unique magic show held at the Old New Haven School. Amidst the fun of magic, comedy, and puppetry, we will learn about eclipses and what to expect of the total solar eclipse on August 21st.

Sullivan patrons used everyday materials during their craft program titled "Pebbles, Paints, & Twigs, Oh My" to create an original piece of artwork they were able to take home!

Sammy J had an AMAZING show for all the branches to kick off Summer Reading Program! Sammy J used balloon sculptures to demonstrate how to build and use simple machines.

These 3 busy bees have completed their Summer Reading Program challenge with the New Haven branch!! In addition to reading some amazing books from the branch, they each received a prize book, a free ticket to the Magic House, and an entry into the drawing for an even bigger prize!

july 2017 upcoming events

OWENSVILLE BRANCH

Please register for adult programs.
ADULT PROGRAMS
