Contract Signed for Building Project; Construction Begins

On August 1, Director Steve Campbell signed the contract with general contractor Wright Construction (St. Peters) for the construction of the library's first seven building projects. Steve Hoover, architect and project manager with JEMA, and Nathan Bibb, with Wright Construction, were also present at the contract signing.

Construction began on August 22 at the New Haven and Owensville locations. Wright Construction plans to utilize many of the same subcontractors for all seven locations. As a result, the beginning of each building project will be staggered. Wright Construction plans to have the foundations and flatwork complete at all seven locations by November 1 in order to avoid having to use winter concrete. All seven facilities are expected to be complete between June and August 2018.

Construction on the new branch library in New Haven is underway.

(pictured left to right) Steve Hoover, architect and project manager with JEMA, Director Steve Campbell, Scenic Regional Library, and Nathan Bibb, with Wright Construction, at the contract signing in Union.

Labor Day**

St. Clair Branch Receives Internet Upgrade; Owensville Upgrade Expected Soon

In early August, Internet bandwidth at the St. Clair branch was increased from 10MB to 20MB. AT&T performed the upgrades, which were coordinated by the Missouri Research and Education Network (MOREnet). MOREnet is a non-profit organization which maintains a computer network for Internet access and provides technology support to approximately 800 school districts and libraries in Missouri. Patrons visit the library to update their Smartphones, download e-books, watch videos, download music, and other tasks that consume large amounts of bandwidth. In addition, many students from the St. Clair R-XIII School District who receive

Chromebooks utilize the branch's wireless Internet. As a result, the library's Internet line was reaching its maximum capacity at certain points throughout each day and slowing down. The upgrade will provide enough capacity for the branch's current Internet usage, as well as growth in the immediate future. However, the library upgrades its Internet bandwidth on a continuous basis, sometimes as often as every few years at some locations, due to growing Internet and wireless usage. The Owensville branch will also receive an increase in bandwidth from 5MB to 10MB in the near future.

Everyone had a blast making these mini barn quilt plaques in Owensville August 18! Each patron was able to bring their craft home.

St. Clair Branch Book Club had a great discussion of the book Caught by Harlan Coben.

A monthly publication from your local library!

Library Interviewed Monthly on Local Radio Stations

The library has regularly-scheduled interviews on all three local radio stations each month to discuss upcoming programs and events; building project updates; new and existing library services; and other information and happenings. Various staff from the branches and administration appears on the programs, which are each approximately 20-30 minutes in length.

On the first Wednesday of each month the library staff appears on the Diane Jones Show on KLPW 1120 AM in Union at 8:35 AM. On the third Thursday of each month the library staff is interviewed by John Rice on KTUI 1560 AM in Sullivan at 9:10 AM. On the fourth Thursday of each month the library staff appears on Livewire with Mike Thomas on KWRE 730 AM in Warrenton at 9:30 AM.

Sullivan Branch manager Lori Jane Perdew and Assistant Director Megan Maurer being interviewed by John Rice on KTUI.

KLPW 1120 AM in Union: First Wednesdays, 8:35AM

KTUI 1560 AM in Sullivan: Third Thursdays, 9:10AM

KWRE 730 AM in Warrenton: Fourth Thursdays, 9:30AM

Library Receives Grant for New Server

On August 10, the library was awarded an LSTA Technology Mini-Grant through the Institute of Museum and Library Services (IMLS) for a new server. The Institute of Museum and Library Services allocates all funds on the federal level for libraries, including all grant funds for Missouri and other states' public libraries.

The grant will provide \$4,969 toward the cost of the server, with the library contributing \$1,849 in matching funds. All LSTA grants require local matching funds, except for digitization grants. Denise Edwards, the library's IT Manager, submitted the successful grant application.

The server is primarily utilized to store or backup all staff files systemwide, including the library's financials. The library's

existing server was purchased in 2012 (also with an LSTA Technology Mini-Grant) and operates with Microsoft Server 2008 Professional; the new server will operate Microsoft Server 2016. The new server will also provide 6.0 terabytes (TB) of data storage compared to the 1.4 TB available on the previous server. The library has a computer replacement plan which requires the replacement of all staff and public computers after five years.

The stars came out at storytime in Hermann after the kids read about stars and space on August 3.

Wellness educator Cindy Trotter taught attendees how to cook with essential oils to capture the essence of your everyday herbs and spices in a more concentrated way, at the Warrenton branch on August 8.

Medium Annette Hatcher spoke at the Union branch on August 8. There were lots of questions and hopefully enlightened hearts and minds.

Library Serves as Drop-off Points for Countywide Food Drive

The Franklin County Homelessness Task Force is leading a countywide food drive September 15 through 30. The drive

is being held to help re-stock local food pantries in Franklin County prior to the holiday season. Scenic Regional Library's Franklin County branches in Pacific, Union, Sullivan, St. Clair, and New Haven will serve as drop-off points for people donating food items. The Washington Public Library will also serve as a drop-off point.

The Task Force has requested people to donate the following items:

- Spam
- fruit cups
- pudding
- granola/power bars
- single serving Chef Boyardee
- ravioli
- SpaghettiOs
- fruit snacks
- trail mix
- dried fruits
- peanut crackers
- Vienna Sausages
- pull-tab canned goods
- small cans or pouches of juice
- beef jerky
- water
- individual sized chips/pretzels

The Task Force, a committee of the Franklin County Service Providers, is a group of concerned citizens working together to identify the needs of homeless children and families in Franklin County, Missouri. Diane Disbro, Union branch manager, represents Scenic Regional Library at the Franklin County Service Providers meetings which are held monthly in Washington.

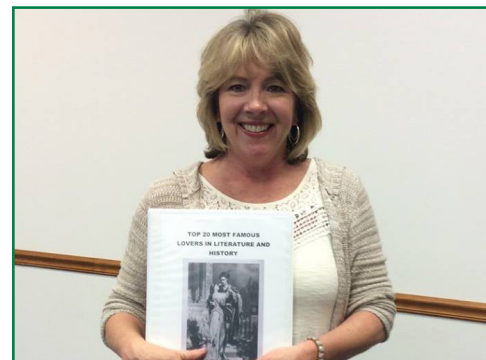

Adult Outreach Coordinator Named Volunteer of the Year

Laurie Osseck, the library's Adult Outreach Coordinator, has been named the Missouri Health Care Association's (MHCA) district 7 volunteer of the year. She was selected for her work at Frene Valley of Owensville, a senior care facility. Ms. Osseck visits and presents programs for the library at more than 30 nursing homes and assisted living facilities each month. The programs include trivia, games, and singing songs.

The MHCA's district 7 consists of 36 facilities and 14 businesses in 16 counties. The counties include Gasconade County, Montgomery County, Osage County, Maries County, Boone County, and Callaway County. Ms. Osseck will move on to compete for the 2017 state title at the MHCA's 69th Annual Convention in Branson, Missouri, on August 28. Even though Ms. Osseck is employed with the library, anyone providing services to

the facility from an outside organization without charging is considered a volunteer.

Ms. Osseck will also be presenting a program about the services she offers at the Association of Bookmobile and Outreach Services in Pittsburgh, Pennsylvania, in October.

Laurie Osseck poses with one of her 60+ outreach programs she has created: "Top 25 Most Famous Lovers in Literature and History".

Purchase a "Book" for the Donor Wall in Your New Library

You can have your name, your family's name, or your business's name become a permanent part of the new library in your community.

The Scenic Regional Library Foundation and Friends of the Library groups will be selling donor wall "books", which will be placed in the entrance hallway of each new facility.

The cost of a donor wall "book" is based on the size of the book:

- 8" x 1½" book – \$100
- 10" x 2" book – \$200
- 9" x 3" book – \$300

Visit www.scenicregionalfoundation.org or pick up an order form at any branch to place your order. The Foundation accepts debit and credit cards or checks for donor wall "book" purchases.

Proceeds from the sale of the donor wall books will be used to assist the library with

the purchase of furnishings, equipment, and in the new facilities. Purchases are tax deductible.

Evening Bookmobile Stops Scheduled in Marthasville and Bland

The library is now offering evening community bookmobile stops in Marthasville and Bland. The bookmobile is visiting the two communities from 3:00 to 7:00 PM once each month. The new schedule strives to accommodate families and working adults who cannot visit the bookmobile during the day. As the aforementioned stops continue to grow, it is the library's hope to expand evening bookmobile service to other locations. Currently, the bookmobile visits 17 communities every six weeks.

In Marthasville, the bookmobile stop will be in the parking lot of Duck's Bar and Grill, located on Highway 47. In Bland, the bookmobile will be parked on the corner of North Main and West Colorado Streets in downtown Bland.

The bookmobile offers approximately 2,500 items for children and adults, including new materials and DVDs. The bookmobile operates like a mobile branch library. Items checked out on the bookmobile can be returned to a branch—and vice versa. Requests placed online can even be picked up on the bookmobile.

Marthasville Bookmobile Schedule

Tuesdays, 3:00-7:00 PM
 Parking lot of Duck's Bar and Grill, Highway 47

August 29	January 30
September 26	February 27
October 24	March – no stop
November 28	April 24
December – no stop	May 29

Bland Bookmobile Schedule

Thursdays, 3:00-7:00 PM
 Corner of North Main and West Colorado Streets, downtown Bland

August 31	January 25
September 28	February 22
October 26	March – no stop
November 30	April 26
December – no stop	May 31

Officer Garber read stories to the kids at storytime in St. Clair on August 19, then he got down on the floor to help with some Lego building.

On August 17 at storytime in Pacific, the kids made the Man in the Moon with balloons and watched him dance up to the ceiling and back down again!

Teens were so privileged to have the Community Art Bus come and show them how to turn old t-shirts into recycled tote bags at the Sullivan branch on August 7.

Adam Doyle coached the Hermann Friends of the Library T-Ball team this summer.

On August 2, kids at the Warrenton branch watched the movie "Cars" sitting inside their cardboard cars for Preschool Drive-In-Movie Night. A big Thank You to Warrenton 8 Cinema for providing the popcorn.

The kids at storytime in Owensville made moon craters with Cheerios on August 9.

Scenic Regional Branches Participate in Solar Eclipse Events

Library staff participated in eclipse viewing events throughout the district. Telescopes from the library's telescope loaner program were used for the events and several locations. The library also gave away 3,400 eclipse viewing glasses to the public throughout July.

The library's administrative staff watch the eclipse from the parking lot. The library administration and all branches were closed from 1:00 to 1:30 PM for staff to view the once-in-a-lifetime event.

The Hermann branch had a viewing event in their parking lot, including a telescope set-up for the public.

St. Clair branch manager Kara Bell views the eclipse. With St. Clair being located directly along the path of totality, the branch experienced large crowds around the library to view the eclipse.

The Union Friends of the Library sold water at the Union viewing event at Veteran's Memorial Park. They asked visitors to sign their names and where they were from; people were from places as far away as Wisconsin, Los Angeles, Texas, and even Germany. The Union branch staff also set-up two telescopes at the park for the viewing event.

The New Haven branch had a telescope set-up for the public at the town's eclipse viewing event.
