Sullivan Branch Friends of the Library to Form

The Sullivan Friends of the Library group plans to hold its first meeting on October 16, 2017, at 6:00 PM at the Sullivan branch. The group will elect officers for 2017-2018 and plan their activities for the year. The general public is welcome to attend the meeting. Any Friends of the Library member can serve on the governing committee, which can be up to nine members.

The Friends of the Library groups help recruit new members and book sale volunteers, publicize library services, organize fundraisers, and determine how their funds should be donated to their local branch. All membership dues and donations to the Sullivan Friends of the Library are designated solely for their group.

Library Construction Underway; Website Documents Progress

Construction is underway at the New Haven, Owensville, St. Clair, and Wright City sites. The footings and slab were poured at the New Haven site in mid-September. The footings and slab were poured at the Owensville site at the end of September.

The Owensville construction was expected to follow the same timeline as New Haven, but was slightly delayed when subcontractors encountered a concrete foundation and fill on the site while digging the footings. The foundation and fill were from the boiler room and basement of the public school which previously existed on the site. The school was built in 1952 and expanded in 1958. When the school was demolished in 2014, the boiler room and basement were filled with rebar, bricks, and concrete.

The library hopes to open both branches in late-April 2018. The Owensville branch will be 6,800 square feet; New Haven branch, 5,000 square feet.

The subcontractors also began the earthwork and digging the footings at the Wright City site in late September. Once the footings and foundations are complete in Wright City, the subcontractors will move on to the Warrenton site. Wright Construction, the library's general contractor, plans to have the footings and foundations poured at all seven locations by November 1.

People can visit the library's website to follow the progress of the construction at every location or by going directly to: <https://scenicregional.org/new-library-construction-photos>. New photos from each site will be placed on the page every week.

The concrete footings were poured for the New Haven branch in early September.

Earthwork was underway at the Owensville site in early September.

Warrenton Branch Offering Passport Services

Beginning Monday, October 9, people will be able to apply for a U.S. passport at the Warrenton branch. Many public libraries around the country now offer passport services. All seven full-and part-time employees at the branch completed a training webinar in order to serve as passport agents.

A new passport for an adult costs \$110, plus a \$25 application fee. The application process normally takes about 25 minutes. Once an application is submitted, it takes approximately 4-6 weeks to receive a passport. However, there are options to receive it sooner. Passport services are by appointment only. Please call the Warrenton branch at 636-456-3321 to schedule an appointment.

For additional information about fees,

photograph requirements, acceptable payments methods, and identification requirements visit:

www.scenicregional.org/passportservices.

The Union branch began offering passport services on January 3 and has processed over 131 applications. In the fall of 2018, the Scenic Regional Library plans to expand the service to its other branches, including the new Wright City branch.

Literacy Council Seeking Volunteer Adult Literacy Tutors

The East Central Area Literacy Council in partnership with East Central College is seeking volunteers to become tutors in Adult Education and Literacy classrooms. Please call 636-584-6915 or email volunteer@ecaliteracy.org for more details and registration.

A wonderful time was had by all at the Warrenton branch as attendees created autumn landscapes with guidance from art teacher, Carol Peper, and wine from Mandy and Johnnie of Blumenhof Winery!

New Haven Librarians Visit Laura Ingalls Wilder Sites and Pageant

New Haven branch staff members Wanda Walkenhorst and Pat Aichholz-Schowe traveled on a road trip to De Smet, South Dakota, and Walnut Grove, Minnesota, in late July to see *Little House on the Prairie* author Laura Ingalls Wilder's homes and historic sites.

While visiting the sites, they also attended the Little Town on the Prairie Pageant in De Smet, held the last three weekends in July. The pageant is based on *Little Town on the Prairie*, an autobiographical children's novel; it is the seventh of nine books in the Little House series. The pageant tells the De Smet story, where the Ingalls family lived the longest. The sets include the Wilders' house in town, schoolhouse, and their shanty on the prairie. This year's pageant marked Wilder's 150th birthday.

New Haven branch staff members Wanda Walkenhorst and Pat Aichholz-Schowe visiting De Smet, Iowa's first school; the school was attended by Laura and Carrie Ingalls.

Owensville Internet Bandwidth Upgrade Complete

In mid-September, Internet bandwidth at the Owensville branch was increased from 5MB to 10MB. Fidelity performed the upgrade, which was coordinated by the Missouri Research and Education Network (MOREnet).

Patrons visit the library to update their Smartphones, download e-books, watch videos, download music, and other tasks that consume large amounts of bandwidth. As a result, the library's Internet line was reaching its maximum capacity at certain points throughout each day and slowing down. The upgrade will provide enough capacity for the branch's current Internet usage, as well as growth in the immediate future. However, the library upgrades its Internet bandwidth on a continuous basis, sometimes as often as every few years at some locations, due to growing Internet and wireless usage.

An upgrade to the Internet bandwidth at the New Haven branch will occur when the new facility opens in April or May 2018.

Juggler and Magician Troy Roark Presents "Loud and Outrages" in October

Scenic Regional Library is excited to bring master entertainer Troy Roark to all eight branches and Marthasville in October. Roark has performed his "Loud and Outrages" show all over the world, from Las Vegas to London, combining juggling, magic, music, and comedy into a terrifically hilarious spectacle. From his "Flaming Torches of Death" to his signature "Ping Pong Ball Trick", Roark consistently leaves his audience laughing to the point of tears.

Roark began his career at the age of five as an escape artist performing in his father's illusion show. For over twenty-five years, he has performed for hundreds of corporations and at thousands of fairs and festivals all over the United States. In 1998, he joined Elsenpeter Productions, one of the fastest growing entertainment companies in the nation. Roark was

honored by his peers when he was named "Entertainer of the Year" by the International Brotherhood of Magicians.
