Construction of New Buildings Progressing Rapidly

Construction is underway at all seven sites. Wright Construction, the general contractor on the project, plans to have the concrete slabs poured at all seven sites by early November. The steel frames will be erected at all seven locations by early December. The new branches in New Haven and Owensville are expected to be complete by the end of April 2018 and Wright City by the end of May. The other branches are expected to open in July and August of 2018.

While construction on the seven branches is underway, design work on the new Union branch and administrative offices is being finalized. Construction is expected to begin in the spring of 2018. The \$22 million building project, which includes the Union branch and new administrative offices, will double the overall square footage of the library's facilities systemwide.

Photographs documenting the building project can be found at <https://scenicregional.org/new-library-construction-photos>. The webpage is updated daily.

A building adjacent the branch in St. Clair was demolished on October 17 as construction begins at the site.

The parking lot in Warrenton is demolished on October 17 to make prepare the site for the addition.

Library Closed November 10 for Staff Development Day

Scenic Regional Library will be closed on Friday, November 10 for its third annual staff development day. All seventy of the library's full- and part-time staff will attend the event, which will be held at East Central College and feature guest speakers and team-building activities.

Library Sponsors Children's Activities at Union Wingfest

On October 6 and 7 the Union Chamber of Commerce held its first Wingfest, which included live music, hot wing cooking and eating contests, and a 5K race. Despite the early afternoon rain on Saturday, the inaugural Wingfest event was a big success with over 1,200 attendees.

The library sponsored children's games, a bounce house, balloon artist, and glitter tattoos at the event. The children's activities were moved inside due to rain. Scenic Regional staff members Amanda Feldman and Melissa Garber applied the glitter tattoos. Scenic Regional Library Director and Vice President of the Union Chamber Steve Campbell served as emcee for the hot wing cooking and eating contests.

Library General Contractor Working with Several Local Subcontractors

The library's general contractor, Wright Construction, is using several local subcontractors for the building project. Wright Block & Brick, located in Owensville, is doing the masonry work on three of the new facilities. Region Welding, located in Union, is a subcontractor for two of the new branches. Presley's Glass (Pacific) and Heggemann Plumbing (Warrenton) have been selected as the subcontractors for all seven buildings. PB Electric, located in Sullivan, is the subcontractor for four of the new facilities. Dace Excavating, located in Lonedell, was selected as the earthwork subcontractor for five of the seven branch projects.

Cochran Engineering, located in Union, has served as the civil engineer for the entire building project. However, they were also selected separately as the subcontractor to conduct all the materials testing on the concrete and steel throughout construction on the seven new facilities.

In addition to local subcontractors, materials for the project are also being provided by local companies. For example, Havin Material Service, Inc., which has facilities in Owensville, Sullivan, St. Clair, and Union, is supplying the concrete for the seven new branches.

Purchase a "Book" for the Donor Wall in Your New Library

You can have your name, your family's name, or your business's name become a permanent part of the new library in your community.

The Scenic Regional Library Foundation and Friends of the Library groups will be selling donor wall "books", which will be placed in the entrance hallway of each new facility.

The cost of a donor wall "book" is based on the size of the book:

- 8" x 1½" book – \$100
- 10" x 2" book – \$200
- 9" x 3" book – \$300

Visit www.scenicregionalfoundation.org or complete the form on page 9 of this newsletter to place your order. The Foundation accepts debit and credit cards or checks for donor wall "book" purchases.

Proceeds from the sale of the donor wall books will be used to assist the library with

the purchase of furnishings and equipment in the new facilities. Purchases are tax deductible.

2016-2017 Annual Report Complete

The library's annual report for the July 1, 2016 to June 30, 2017 fiscal year is complete. Scenic Regional Library Director presented the report to Gasconade, Franklin, and Warren County Commissioners in October. The year was considered very successful with the library experiencing significant increases in use in many areas.

The library checked out 478,509 print items, which represented a 6% increase from the previous year. This included 32,687 items borrowed from other Missouri Evergreen libraries—a 29.9% increase. Electronic items, such as e-books, e-audiobooks, digital music, and digital movies, experienced a big surge in use. 121,340 electronic items were streamed or downloaded, up 32% from 2015-2016.

352,452 people visited the library's eight branches in 2016-2017. The library administration expects this figure to increase significantly once its new facilities begin opening in 2018. The library also issued 11,690 new library cards during the fiscal year, up 9.8%.

Among the library's many services, programming experienced the most dramatic increase. 10,367 people attended the library's adult programming, an 82.2% upturn. This included 159 people who attended 41 free introductory computer classes systemwide. The library presented 547 children's programs, including storytimes, in 2016-2017, which were attended by 21,725 children and teens. There were also 1,638 children, 358 teens, and 815 adults who participated in the annual Summer Reading Program.

In 2016-2017, 53,516 people used the library's public desktop computers. An additional 23,112 people accessed the library's free wireless Internet.

Scenic Regional Library ANNUAL REPORT

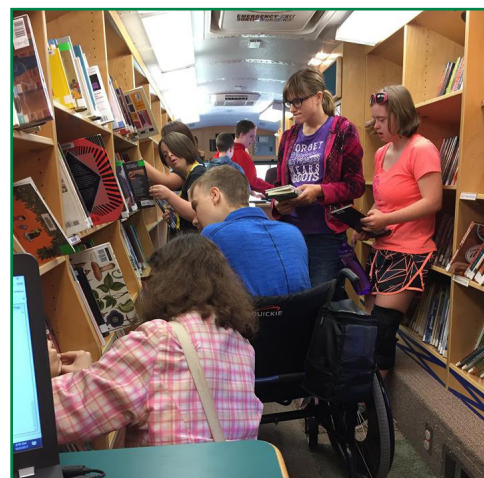

July 2016 - June 2017

The library offers research databases on a wide range of subjects, including automotive repair, business, genealogy, education, and literature. In 2016-2017, these resources were searched 569,176 times.

The library's adult outreach services experience enormous growth. In June 2017, 92 people were enrolled in books-by-mail, up from 42 people enrolled the previous June. In addition, the adult outreach coordinator visited nursing homes and other senior care facilities 305 times, providing programming to 5,093 senior residents.

In June 2017, the library's collection included 240,276 physical items (books, DVDs, CDs, books on CD) and 14,749 digital items (e-books, e-audiobooks, digital videos, digital music).

A copy of the full report is available on the library's website at <https://scenicregional.org/annualreports>.

The bookmobile is accessible to everyone. What a blessing for our community that we have a wheelchair lift available as needed.

Hermann's newest team of certified babysitters! Thank you Hermann Ambulance's Chelsi Williman for taking time at the branch to teach this Girl Scout Troop all about babysitting safety.

Clifford had so much fun at Owensville's recent Trunk-or-Treat! Trick-or-treaters had the opportunity to meet and get their picture taken with the Big Red Dog.

Online Bill Pay Now Available

Patrons can now pay bills with a debit or credit card through their online Scenic Regional account. From the scenicregional.org home page, Log In to Your Account, click Fines, and follow the prompts. The library does not charge overdue fines; however, patrons will be able to pay for lost or damaged items.

Chamber Donates Telescope Eyepiece to the Library

The New Haven Chamber of Commerce has donated an iOptron iE1300 Electronic Eyepiece to Scenic Regional Library. The device attaches to a library telescope and allows a user to see live video images of the Moon and planets on a laptop or desktop computer screen.

The eyepiece was originally purchased by the Chamber for the total solar eclipse in August. The eyepiece will be attached to the library's training telescope for Star Parties and other astronomy-related programs. The library has nine telescopes available for checkout throughout the system.

Union Property for Sale

The library placed its property in Union on the market in September. The site includes the administrative office building at 304 Hawthorne Drive and the Union branch at 308 Hawthorne Drive. The Union branch was built in 1991; the administrative office building was remodeled in 2015. Dolan Realty, located in Union, is the library's real estate agent for the property.

The library purchased a 2.93 acre lot adjacent Pasta House earlier this year where it will begin construction on a combined Union branch and administrative offices in the spring of 2018. The library plans to have the new Union location complete by late 2018 or early 2019. If the property is sold before the new facility is complete, the library plans to lease the buildings back from the new owner until moving out.

Purchase a "Book" for the Donor Wall in Your Community's New Library

The Scenic Regional Library Foundation and Friends of the Library groups are selling donor wall "books", which will be placed in the entrance hallway of each new library building.

You can have your name, your family's name, or your business's name become a permanent part of the new library in your community. Donor wall "books" can also serve as a beautiful and long-lasting memorial for a loved one.

The cost of a donor wall "book" is based on the size of the book:

- 8" x 1½" book – \$100
- 10" x 2" book – \$200
- 9" x 3" book – \$300

Visit www.scenicregionalfoundation.org or complete this form to place your order. The Foundation accepts debit and credit cards (online), checks, and cash (only for forms brought to the library) for donor wall "book" purchases.

Proceeds from the sale of the donor wall books are designated for the local Friends of the Library group and used to assist with the purchase of furnishings and equipment in their new building.

Purchases are tax deductible.*

Donor wall "books" can be purchased throughout the construction project and will be unveiled at the grand opening of each new branch library.

*Scenic Regional Library Foundation's tax exempt status is pending.
