## Library's Digitized Historical Newspaper Collection Sees High Traffic

Between 2012 and 2015, the library digitized 300,000 pages of local historical newspapers. The newspapers span time periods between 1843 and 1966 and

originate from every community in the library's district.

The project was completed in cooperation with The State Historical Society of Missouri with funds from Library Services and Technology Act (LSTA) grants through the Institute of Museum and Library Services (IMLS). The grants are administered by the Missouri State Library.

According to The State Historical Society of Missouri, the library's current collection is heavily used by local researchers, as well as those around the country. Google statistics show that in the past year the 13 online newspapers from Franklin County have been visited over 200,000 times. In the same time the five papers from Gasconade County have had over 101,000 visits and the four papers from Warren County almost 60,000 visits.

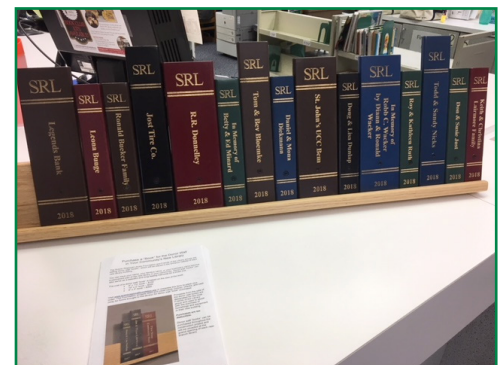

These can be accessed and searched for free without a library card at [www.scenicregional.org/newspapers](http://www.scenicregional.org/newspapers).

## Donor Wall Books

As of early February, the Library Foundation and Friends groups had sold 105 donor wall "books" systemwide for their branches, grossing \$17,700. Individuals, organizations, groups, or businesses can purchase the books, which will be placed in entryways of the new libraries.

Funds from the sales will be used to help with the cost of furniture and equipment in the new buildings. Examples of the donor wall "books" are now on display at every branch. A donor wall "book" can be purchased with a debit or credit card online at [www.scenicregionalfoundation.org](http://www.scenicregionalfoundation.org) or using the order form on page 9 of this newsletter.

## St. Clair Branch Nominated for Chamber Award

The St. Clair branch has been nominated for the St. Clair Area Chamber of Commerce's Organization of the Year award. The winner will be announced at the 47th Annual "Celebrate St. Clair" Awards Banquet on March 3.

## Sullivan Branch Staff Members Nominated for Award

Sullivan branch staff members Kecia Philpot, youth services programmer, and Lori Jane Perdew, branch manager, were each nominated for the Sullivan Chamber of Commerce's annual Public Service Award. They were both nominated by library patron Natasha Gossett. The winner, Life House Youth Center, was announced at the Mardi Gras Masquerade Awards Banquet on February 17.

## Staff Spotlight: Roxanne

Working with children and books is a natural fit for Roxanne, the children's programmer at the Scenic Regional Library Hermann Branch. "When my family moved to Hermann 11 years ago, the library was one of the first places we added to a regular part of our day," Roxanne said. "The staff was always welcoming and helpful. When a job opening presented itself, I knew I had to be a part of it."

Roxanne has been planning programs for Hermann's children and teens for the last three and a half years. She's especially excited about an upcoming program she's planning in conjunction with TiLT (Teens in the Library Team). Children's author Chris Stuckenschneider will share her story of a horse rescue, *Twist of Fate*, Tuesday, March 6 from 3:30-4:30 PM. Roxanne said that after the author reads her story, talks about the origin of the book and answers questions, the attendees will make horse-themed treats.

The avid reader said she struggled to find time to read for pleasure when she first started her job but now considers it an integral part of her work. Roxanne is currently doing a lot of school-related reading while she pursues an associate's degree in communication. "Currently, I'm eyeball deep in an English Composition textbook; it's not as thrilling as it sounds," Roxanne said. "When my class is finished, I have a list of books I'd love to read. *Leadership Secrets of Santa Claus* is at the top."

As a student herself, Roxanne wants everyone to know that the library is a great resource for all students. "We have programs and events for every age and reading level," she said.

*Staff Spotlight is written each month by St. Clair branch manager Kara Bell.*

Ms. Gwen from Sullivan and Youth Services Librarian, Christy Schink spoke on the radio with KTUI about the building project progress and upcoming programs at the library.

Patrons in St. Clair enjoyed time together creating hand-made cards to take home.

## Building Project Update

Most of the new buildings are progressing rapidly, with the exception of Pacific and Warrenton, which were delayed due to subcontractor schedules (Pacific), weather, and other issues.

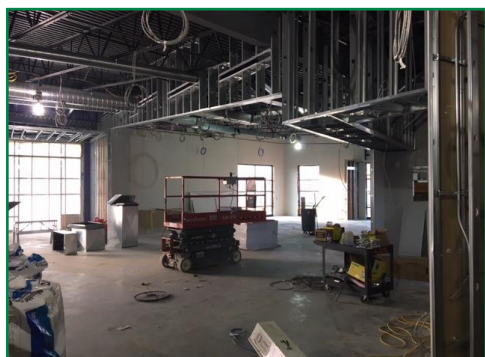

The concrete slab for the Warrenton branch expansion was poured and steel frame erected in late February. The Warrenton branch expansion and renovation is still expected to be completed by mid-August. In mid-March, the interior of the branch will be significantly disrupted due to the renovations; the library will need to create a temporary service desk in another portion of the branch.

The general contractor built a temporary

wall at the St. Clair branch and began demolishing part of the wall between the existing branch and expansion in late-February.

The interior walls have been framed at all the new branches except for Pacific and Warrenton. Interior drywall has been installed at the Wright City branch. Most of the brick exterior and some exterior concrete panel have been installed at the Wright City, New Haven, and Owensville locations.

The Wright City and New Haven branches are expected to open by May 1, followed by Owensville later in May. The Sullivan branch is expected to be complete in June.

## East Central Area Literacy Council Seeking Volunteer Tutors for Wright City and Union

The East Central Area Literacy Council, in partnership with East Central

College, is seeking volunteers to become tutors in Adult Education and Literacy classrooms. Tutors may help students improve basic education and/or improve English skills. The training dates are set for March 22 in Wright City and March 27 in Union. Please call 636-584-6915 or email [volunteer@ecaliteracy.org](mailto:volunteer@ecaliteracy.org) for more details and registration.

## **Library Provides Materials for English Language Classes in Wright City**

In November 2017, English Language Acquisition (ELA) classes were launched in Wright City through a partnership between East Central College, the Church of Nazarene, Scenic Regional Library, and the East Central Area Literacy Council. The classes are free for those individuals seeking to learn or improve their English language skills.

The Church of Nazarene donates the classroom space, internet access, and other utilities. Scenic Regional Library purchased all the textbooks, workbooks, and testing materials for the program. The cost to open a classroom is approximately \$10,000 for furniture, technology and curriculum. The library's contribution was \$4,900.

The Wright City ELA program currently has two instructors in the evening and eight students enrolled. The classes are held at the Church of the Nazarene (521 N. Service Rd.) in Wright City on Tuesdays and Thursdays from 5:00 to 8:00 PM. The next orientation session for new students is scheduled for March 7.

The program is seeking additional volunteers who each can contribute one or more hours per week to help students learn English. They will be trained in partnership with the East Central Area Literacy Council. The program is also seeking two or three additional instructors for day classes which will be added on Tuesdays and Thursdays from 9:00 AM to noon. For more information, contact Alice Whalen at 636-584-6532 or [Alice.Whalen@eastcentral.edu](mailto:Alice.Whalen@eastcentral.edu).

In 2015, Scenic Regional Library also purchased and donated the learning materials for the ELA classes offered in Washington. The classes were later moved to a classroom at East Central College in Union, where they continue to operate.

*Presenter, Cindy Trotter, discussed how chocolate can help the inside as well as the outside of your body. Guests enjoyed luxurious facials and chocolate truffles in Warrenton!*

*Pete's a pizza loving cat! A good time was had by all at Duck's Bar and Grill in Marthasville. Everyone met Pete the Cat, had Storytime, and visted the Bookmobile.*

## Internet Bandwidth Upgrades at Five Locations

Internet bandwidth upgrades are continuous for the library. Internet usage involves an increasing amount of streaming video, music, and gaming, which consume large amounts of bandwidth. In addition, several public schools have issued Chromebooks to their students, which has increased the libraries' wireless Internet usage. The library tracks hourly bandwidth use for each branch online to determine when there is a need for an upgrade. When a branch repeatedly reaches its maximum bandwidth capacity, the library requests an upgrade for the location. The Missouri Research and Education Network (MOREnet), a non-profit consortium which provides Internet connectivity for many public schools and libraries, coordinates the upgrades.

The following chart shows the upgrades the library will be making this year to its bandwidth at each branch:

Branch	Current Bandwidth	Upgraded Bandwidth
Hermann branch	10Mb	20Mb
Warrenton branch	15Mb	20Mb
Pacific branch	10Mb	30Mb
Sullivan branch	10Mb	30Mb
Union branch	15Mb	30Mb

*Ms. JohnnaLee had a special Valentine's Day themed Storytime at the Union branch.*

*Sullivan patrons brought their creations alive by adding color to their stain glass outlines. So Beautiful! So talented! Thanks to everyone that signed up.*

*Many from the New Haven community enjoyed the "Essential Oils 101: Healthy Days, Restful Nights" program on Thursday, February 15th*

## Reciprocal Borrowing Agreement with Crawford County Library Approved

On February 1, 2018, the Crawford County Library separated from Ozark Regional Library. The library's new director is Elizabeth Outar. The county library had been part of the regional system since 1948.

Scenic Regional Library has had a reciprocal agreement with Ozark Regional Library since the 1970's. This has allowed residents of Crawford County to obtain free library cards at Scenic Regional Library. However, once the Crawford County Library separated from Ozark Regional Library, their residents were no longer eligible for reciprocal cards. There were about 350 Crawford County residents with Scenic Regional Library cards through the reciprocal agreement.

In January, Scenic Regional Library's director Steve Campbell approached the Crawford County Library about a reciprocal agreement between their libraries. On February 2, the Crawford

County Library Board of Trustees approved the reciprocal borrowing agreement. The Scenic Regional Library Board of Trustees approved the agreement at their February 20 meeting. The 350 Crawford County residents with reciprocal cards through the agreement with Ozark Regional Library will automatically retain those cards under the new agreement.

Scenic Regional Library also has reciprocal agreements with the Washington County Library, Jefferson County Library, and Missouri River Regional Library (Osage and Cole Counties).

## Purchase a "Book" for the Donor Wall in Your Community's New Library

The Scenic Regional Library Foundation and Friends of the Library groups are selling donor wall "books", which will be placed in the entrance hallway of each new library building.

You can have your name, your family's name, or your business's name become a permanent part of the new library in your community. Donor wall "books" can also serve as a beautiful and long-lasting memorial for a loved one.

The cost of a donor wall "book" is based on the size of the book:

- 8" x 1½" book – \$100
- 10" x 2" book – \$200
- 9" x 3" book – \$300

Visit [www.scenicregionalfoundation.org](http://www.scenicregionalfoundation.org) or complete this form to place your order. The Foundation accepts debit and credit cards (online), checks, and cash (only for forms brought to the library) for donor wall "book" purchases.

Proceeds from the sale of the donor wall books are designated for the local Friends of the Library group and used to assist with the purchase of furnishings and equipment in their new building.

### **Purchases are tax deductible.**

Donor wall "books" can be purchased throughout the construction project and will be unveiled at the grand opening of each new branch library.
