Grand Opening Events Held in Wright City, Owensville, & New Haven

The library held grand opening events for its new facilities in New Haven, Wright City, and Owensville in June. The events each had free children's activities, including air brush or glitter tattoos, a bounce house, and balloon artist. A dedication ceremony was held at each event, which will include guest speakers and a Chamber of Commerce ribbon cutting.

The library also gave away free hot dogs, drinks, and popcorn. The New Haven and Owensville branches' Friends of the Library members volunteered at the events.

Close to 200 people attended the Wright City branch event on June 9. Mike Thomas, host of Livewire on KWRE AM 730, did a live remote broadcast and played music. Guest speakers were Warren County Commissioner Roger Mauzy and State Representative Bryan Spencer.

The Owensville branch grand opening also drew over 200 people on June 16. The local band Alderwood performed at the event. The Owensville branch ceremony also included a flag dedication ceremony led by the local VFW post. Guest speakers were Gasconade County Commissioner Jerry Lairmore and State Representative Tom Hurst.

The New Haven branch event was held on June 23; over 150 people attended the event. Diane Jones, host of the Diane Jones Show on KLPW FM 92.7, did a live remote broadcast and played music. Guest speakers were Justin Alfermann, Legislative Director to the Governor, and Dave Hinson, Franklin County Commissioner. *(Additional pictures on page 6)*

THE Scenic Regional Library **NEWSLETTER**

A monthly publication from your local library!

Self-Check System Goes Live at Wright City Branch

The library's first self-check system went live at the Wright City branch in late June. Patrons at the branch now have the option of checking out their own materials. The system also suggests "read-a-likes" for the items they're checking out, and can even be used to download e-books and e-audiobooks. In the near future, the library will equip the system to allow patrons to register for programs at the kiosk, too.

The Sullivan branch will be the next to launch a self-check system when the new facility opens on July 23.

The library was awarded a \$30,921 grant for five Bibliotheca self-check systems. The self-check systems will be installed at the Wright City, St. Clair, Warrenton, Pacific, and Sullivan branches. Space for a self-check system, along with the necessary power and data, was included in the design of each new facility.

The grant was awarded by the Missouri Secretary of State and Missouri State Library. The Library Services and Technology Act (LSTA), the major federal grant program for libraries, is provided through the Institute of Museum and Library Services (IMLS).

Sullivan Branch to Open in July

The library's new Sullivan branch is expected to open on Monday, July 23. The 10,000 sq. ft. building will be more than triple the size of the existing facility. In addition, more than 7,000 new items will be added to the branch's collection.

The new building's hours will be expanded to include a third week night. On Monday evenings, the branch will be open until 8:00 PM.

Library to Offer Online Card Registration July 1

Patrons may now register for a library card online. A link to the registration form is on our catalog home page. Complete the simple form and click "Submit Registration." Staff will process the application and, if you provided an email address, you will receive an email with your library account number and be able to begin using our electronic resources. Your library card will be mailed to you.

Accounts created online can only be used to access e-books, e-audiobooks, and other electronic and reference resources. To upgrade the account so that it can be used to check out materials at a library branch, the library card and photo identification need to be brought into a branch library.

THE Scenic Regional Library NEWSLETTER

A monthly publication from your local library!

Staff Spotlight: Kara Branch Manager at St. Clair

How long have you worked for Scenic? It will be one year in August.

What made you want to work in a library? My parents always valued reading so I grew up in a house where visiting the library was something we always did. I remember the wonder I felt as a child when I walked into my public library and could explore so many different books.

What is your favorite part of your job? I love everything about my job, but I really enjoy meeting new people and helping them find what they're looking for in the library.

What July program at your branch are you excited about and why? Our July programming schedule is jam-packed but I think I'm most excited about our musical guests that will be performing. I really enjoy Bluegrass music so I'm anxious to hear Woodshine perform July 26 at 6 p.m.

What is your favorite book? *To Kill a Mockingbird*. **Why is it your favorite book?** I think the best parts of *To Kill a Mockingbird* are the lessons about demonstrating empathy that the author Harper Lee weaves into the story.

Is there anything else you would like people to know about you, your job, or your library branch? I would love for more and more community members to come visit us at the library and learn what we're all about. We have something for everyone and we are ready and willing to help you.

Super Stolie performed in Hermann June 4 to start off the 2018 Summer Reading Program: Libraries Rock!

The Eastern MO Dark Sky Observers showed patrons how to observe the stars and planets using the New Haven branch's telescope.

Author Ross Malone visited the Pacific branch to talk about unique Missouri. Patrons had the opportunity to purchase signed copies of his book afterward.

Hermann patrons had a great time making cactus rock gardens June 21!

Meet Ms. Judy! She is our newest driver on the bookmobile. Stop by and say hello and check out a few materials.

THE Scenic Regional Library **NEWSLETTER**

A monthly publication from your local library!

The social hour at the New Haven branch Friends group's Rock the Books Silent Auction Fundraiser.

Ralph and Kate Haynes, Pinckney Bend Distillery, serving drinks at the New Haven branch fundraiser. Pinckney Bend Distillery was a sponsor for the event.

Gross Auction provided auctioneering services at the Owensville branch fundraiser.

A variety of sponsors provided the food and beverages for the Owensville branch fundraiser event.

New Haven and Owensville Friends of Library Groups Hold Fundraisers

The New Haven and Owensville branches Friends of Library groups both held highly-successful fundraiser events at the new facilities in June.

At both events, individuals and businesses bid for the naming rights to different areas in the library for one year. The winning bidder could have their name, their business name, or a loved one's name, along with a photograph or logo, placed on a 22" x 28" framed color sign in the section of the library.

The New Haven Friends of the Library event, called Rock the Books Silent Auction Fundraiser, was held on June 7 and raised over \$3,000. All the food and alcohol were provided by sponsors—Thrivent, Pinckney Bend Distillery and individual Friends members. Bill Krone and the Bluegills was also a sponsor; they performed live bluegrass music throughout

the event.

The Owensville Friends of the Library event, called the Love of the Library Auction, was a live auction; the auctioneer was Gross Auction. The fundraiser was held on June 14 and raised \$5,225.

All the food and alcohol, as well as the auctioneering services, were provided by local businesses. Live music was performed by Dejun King. The sponsors were Walmart, White Mule Winery, Save-A-Lot, Al's Sports & Liquor, Gross Auction, Wenwood Winery, Domino's Pizza, and Swiss Meats.

All bids were tax deductible as the Scenic Regional Library Foundation is a 501(c)3 non-profit organization. The proceeds from each event are designated solely for the local Friends group. The next auction fundraiser event will be at the new Sullivan branch in August.

Winning Bidders

New Haven branch:

Citizen's Bank - Adult Patio & Children's Patio
Bank of Franklin County - Circulation Desk
Keith & Judy Ratcliff - Children's Area
Built by Bloch Custom Cabinets - Adult Fireplace
Anonymous - Study Room & Teen Area

Owensville branch:

Keith & Trudy Oberbeck - Children's Patio
First State Community Bank - Circulation Desk
Shelby Uffmann - Teen Area
Tri-County Veterinary Services - Adult Patio
LSC Communications - Children's Area
Schmanke Law Office - Study Room & Adult Reading Room
Owensville Lion's Club - Meeting Room

St. Clair Branch Relocated to Addition

The St. Clair branch was closed June 13-22 due to the construction project. The shelving, materials, and computers were moved from the existing library to the new addition, where the library will operate until mid-August. The existing library will be closed during that period for renovations. The temporary area has all of the branch's books and other materials, as well as six public computers.

The 4,500 sq. ft. addition will increase the size of the branch to more than 9,100 sq. ft., which will include a 1,000 sq. ft. room for meetings and programming. New shelving, flooring, and furniture will be installed in the branch prior to the entire building being opened to the public in August.

The temporary service desk at the St. Clair branch, which was moved from the existing branch. The new branch will have a new service desk.

The temporary children's area at the St. Clair branch.

The temporary adult seating and programming areas at the St. Clair branch.

THE Scenic Regional Library NEWSLETTER

A monthly publication from your local library!

STEM Grant Awarded

Scenic Regional Library was awarded a \$10,000 grant to purchase STEM equipment in May. STEM stands for science, technology, engineering and mathematics. Schools and libraries have been implementing STEM programs since the early 2000's to encourage kids to consider going into STEM related careers. According to the National STEM Foundation, there is currently an estimated need for 8.65 million workers in STEM-related jobs and the advanced/high-tech manufacturing sector is facing a shortage of skilled employees of nearly 600,000. The library surveyed the public schools in Franklin, Gasconade and Warren counties and found that most of the schools did not have the equipment to offer hands-on experience to their students with high-tech technology and engineering.

With the grant funds, the library has purchased kits of Sphero robots, Ozobots, Cubelets, Code-a-pillars, Code & Go Mouse, Dash & Dot robots and the iPads necessary to use these robots. We also purchased a Rigamajig set, which is basically a giant erector set, for a non-technology engineering option. These high-tech "toys" give kids the opportunity to "play" with technology and will hopefully spark an interest in some to pursue a STEM career. Many of these kits can be

used with very young students, but still have appeal to older students. Mobile Science Lab programs have already been held at Scenic Regional Library branches in Pacific, Union, Sullivan and St. Clair. Future programs include: Hermann branch on Friday, July 6 at 11am; New Haven branch on Thursday, July 12 at 1pm; and the Bookmobile in Marthasville on Tuesday, July 31 at 6:30pm.

We will be scheduling programs with participating schools in Franklin, Gasconade and Warren counties this Fall. The STEM Playground program will involve bringing all of the kits to a school for an entire day, setting up in a central location, and having individual classes come to let the students "play" and get hands-on experience with the technology. This project is supported by the Institute of Museum and Library Services under the provisions of the Library Services and Technology Act as administered by the Missouri State Library, a division of the Office of the Secretary of State.

These young bookmobile patrons were the lucky winners of Cardinals baseball tickets for Summer Reading Program.

St. Clair's Youth Programmer, Ms. Melissa, read to the St. Clair summer school children.

Children went bananas over Cha Cha Chimp Storytime in Pacific. They learned a dance and were able to make their own monkey!

New Haven had a great turnout for storytime in their new meeting room on June 12.

SCENIC REGIONAL LIBRARY

Purchase a "Book" for the Donor Wall in Your Community's New Library

The Scenic Regional Library Foundation and Friends of the Library groups are selling donor wall "books", which will be placed in the entrance hallway of each new library building.

You can have your name, your family's name, or your business's name become a permanent part of the new library in your community. Donor wall "books" can also serve as a beautiful and long-lasting memorial for a loved one.

The cost of a donor wall "book" is based on the size of the book:

- 8" x 1½" book – \$100
- 10" x 2" book – \$200
- 9" x 3" book – \$300

Visit www.scenicregionalfoundation.org or complete this form to place your order. The Foundation accepts debit and credit cards (online), checks, and cash (only for forms brought to the library) for donor wall "book" purchases.

Proceeds from the sale of the donor wall books are designated for the local Friends of the Library group and used to assist with the purchase of furnishings and equipment in their new building.

Purchases are tax deductible.

Donor wall "books" can be purchased throughout the construction project and will be unveiled at the grand opening of each new branch library.
