## Staff Spotlight: Linda Branch Manager at Owensville

**How long have you worked for Scenic?**  
29 years, 7 months and counting.

**What made you want to work in a library?**  
I needed money to support myself and my kids and I love books. It was a win win position.

**What is your favorite part of the job?**  
Seeing our patrons. Many have been coming to the library long enough that they are no longer patrons, but friends.

**What do you wish more people knew about the library?** That we are the greatest place in town. We offer more to do and see and learn than anywhere else-and it's all free!

**What are you currently reading or what are you reading next?** I am currently OBSESSED with all things Dean Martin. Movies, books, music-everything.

**What is your favorite book?** There are too many to choose from. It depends on the mood I'm in but some of my favorites are Little Women, The Help, The Art of Racing in the Rain, The Devil in the White City, Black Beauty, A Gentleman in Moscow, Jane Eyre, and Pete the Cat: I Love My White Shoes.

**I understand you're retiring at the end of August. What plans do you have for retirement?** I have bought a house and will be moving near the Blue Ridge Mountains in North Carolina. I will be nearer my children and grandchildren. I don't know what I will be doing day to day, but it is a brand new chapter of my life to fill with new adventures.

*The Warrenton branch was in the zen zone July 17 with help from Master Gardener, Wanda Thomas. Attendees created mini zen gardens and had fun creating designs in the sand.*

*Our summer readers have been collecting beads for every book they read - they have the option of putting their beads on a necklace or key chain from the library.*
