New St. Clair and Pacific Branches Open

The library's St. Clair branch opened on August 29. The existing facility was expanded from 4,500 sq. ft. to 9,100 sq. ft. and completely renovated. The amount of onsite parking was almost doubled from 20 to 38 spaces. The library moved to the building at 515 E. Springfield, which was previously a post office, in 2011.

The new Pacific branch on Lamar Parkway opened on September 20 after a month-long delay due to issues with the parking lot. The facility is 10,000 sq. ft. and has a parking lot with 45 spaces. The previous branch was 4,500 sq. ft. and located downtown.

The new buildings include public meeting rooms, cafés, shaded patios, fireplaces, self-check systems, teen areas with an Xbox One for gaming, and children's areas with a 55" touch screen tablet with literacy games, a magnet wall, Lego® table, and other activities.

Volunteer Library in Gerald Receives New Computers

The Gerald Library is a small volunteer library in western Franklin County. The library offers materials for checkout, as well as computers and Wi-Fi for the public. In the past, Scenic Regional Library has given the library some of its old computers; however, they didn't last very long.

In September, Scenic Regional Library provided the volunteer library with five new desktop computers. Microsoft Office is also installed on each computer. Scenic Regional Library also provides the volunteer library with access to the genealogy database Ancestry.com for no cost on its computers, as well as courier service one day each week. Courier service allows Gerald patrons to pick up requests from Scenic Regional at the volunteer library.

Staff Spotlight: Kayleigh Children's Programmer, Wright City

How long have you worked for Scenic?

Since May 2018.

What made you want to work in a library?

I have always gone to the library growing up and I love reading. I think early literacy is very important as well.

What is your favorite part of the job?

I love reading to the kids and seeing their faces light up with the crafts they made! I love meeting new kids who have come into the library for the first time as well.

What do you wish more people knew about the library? We provide more than just books. So many people think of the library as just books. But they don't realize all the other programs and services we offer.

What upcoming program at your branch are you excited about and why?

I am excited for our Life Size Clue game! At this family event we will be playing Clue and walking through the board game as we play.

What are you currently reading? I am currently reading the *Ms. Marvel* (Kamala Khan) comic book series, *Beast: A Tale of Love and Revenge* by Lisa Jensen, *Every Hidden Thing* by Kenneth Oppel, and I just finished *The Lighthouse: The Mystery of the Eliean Mor Lighthouse Keepers* by Keith McCloskey.

What is your favorite book? *The Harry Potter* series and *Y: The Last Man* graphic novels.

Is there anything else you would like people to know about you, your job, or your library branch? I am so happy to be working here in my hometown and to be working with the kids in my own community!

Teens enjoyed posing with the Azkaban backdrop during Harry Potter Trivia Night at the Hermann branch.

New Haven branch volunteers set up books for the book sale in the new meeting room.

Library Heavily Involved in Union Chamber's Wingfest

The Union Chamber of Commerce will be holding the second annual Union Wingfest on Friday, October 5, and Saturday, October 6, in front of Union City Hall. The event features live music, contests, a 5K run, and children's activities. The event was a huge success last year with vendors selling over 800 pounds of wings. The Scenic Regional Library and Union branch Friends group will both be heavily involved in the popular event.

The event will have a wing cook-off at 5 PM on Saturday, October 6. Last year's winner of the competition was T's Liquor Lane. Alice Whalen, President, Scenic Regional Library Foundation, will be one of the judges for the cook-off.

There will also be a wing-eating contest at 5:30 PM. Over thirty people participated in the contest last year. Library Director Steve Campbell will emcee the wing-eating contest and wing cook-off competition. Members of the Union branch Friends of the Library will assist with the wing cook-off contest and serve as judges for the wing eating contest.

The library will also have children's activities at the event on Saturday, October 6, from noon until 5 PM, including a giant inflatable obstacle course and miniature golf course.

Director Steve Campbell has given to Friends of the Library members a private tour of each new branch before it has opened to the public. On August 30, twenty Friends members attended the St. Clair branch's Friends of the Library tour. On September 19, twenty-three members attended the Pacific Friends of the Library tour. Former Scenic Regional Library director Ken Rohrbach also attended the Pacific branch tour.

St. Clair Friends of the Library Auction a Big Success

The St. Clair Friends of the Library group held a fundraiser event on September 6 to auction off naming rights (for one year) to different parts of the new library. Musicians Spike and Janice Huff performed at the event and Scott Hargraves, owner of Scott's Sales and Services, provided the auctioneer services. Other sponsors of the event were Country Mart, Dollar Plus, FastLane, Farmers and Merchants Bank, Old Farm Winery, Save A Lot, St. Clair Package Liquor, St. Jordan Creek Winery, and Schlafly Bottleworks.

The event had 17 bidders, with all ten areas raising a total of \$5,450. The highest bid was for the service desk, which was auctioned for \$1,575. The St. Clair Friends event raised the second-most money of all the auctions—only \$50 behind Owensville. The Friends also did a 50/50 raffle which raised an additional \$25. All proceeds from the auction will go to St. Clair branch.

The library's Friends groups have had auctions at four branches this year and raised a total of \$18,500. The next auction event will be at the Pacific branch in October.

A grand opening event for the new Warrenton branch will be held on Saturday, October 20, from 11:00 AM to 1:00 PM. The event will have free hot dogs, chips, drinks, and popcorn. Mike Thomas, host of Livewire on KTUI, will broadcast live from the event, as well as provide music. There will also be free children's activities, including air brush tattoos, a bounce house, and a balloon artist.

A short dedication ceremony will take place at 11:30 AM during the grand opening event, which will conclude with a ribbon cutting with the Warrenton Chamber of Commerce. Guest speakers at the dedication ceremony will include Scenic Regional Library Board of Trustees President John Barry.

Volunteer Spotlight: Sophie

What made you interested in volunteering at the library?

My former freshman and sophomore English teacher was the new manager, I missed her, and I love helping out the community. Volunteering here was a way to both see her and help.

What are some of the tasks that you do at the library?

I shelve books, help patrons if they need to know where a book is or (need) help with the computers and anything else that Mrs. Bell or one of the other ladies needs help with.

What is your favorite part about helping at the library?

I love getting to visit with Mrs. Bell and the other ladies, but most of all, I just love knowing that I'm helping my community in a way that I can enjoy and love doing as I'm helping.

What do you wish your peers knew about the library?

A lot of students my age scoff at the idea of a library because it's "old school" or "lame." I wish they knew just how amazing our new library is with its study pods, new teen area with an Xbox, the (public) computers, WiFi, and the quiet study rooms. Anything you would need in order to relax, hang out, or do your homework is here.

What do you think of the newly expanded library? I think our new library is amazing. It has something for everyone, no matter your age, and it feels just so much more welcoming. Every time I walk into the library, my worries just go away for a few hours.

How does the library impact your community and your peers? The library is a place where members of our community can come to read, study, hang out, relax, or have fun. I think the library is one of the best things about St. Clair because it's updated, family friendly, and open to all.

Sophie is a senior at St. Clair High School and has been volunteering at the St. Clair Branch of Scenic Regional Library since the middle of her junior year.

Wright City Pajama storytime was a huge success! Everyone got cozy and came in their best jammies!

A nice crowd of patrons participated in a great workout during the Pounds Pro Program at the Pacific branch!

St. Clair Grand Opening Event

Close to 200 people attended the grand opening event for the new library in St. Clair on September 22. The event had free children's activities, including air brush tattoos, a bounce house, and balloon artist. The library also gave away free hot dogs, drinks, and popcorn. The St. Clair Friends of the Library members volunteered at the event. Diane Jones, host of The Diane Jones Show on KLPW, did a live remote broadcast and played music.

A dedication ceremony was held during the celebration, which concluded with a Chamber of Commerce ribbon cutting. Guest speakers at the ceremony were Dave Hinson, Franklin County Commissioner; Nate Tate, Missouri State Representative; and John Cheatham, Library Board member.

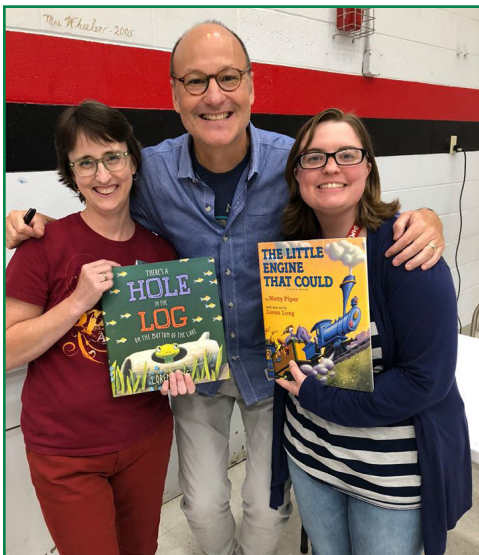

The children's area was full of activity during the grand opening event in St. Clair.

The Friends of the Library distributed free food and drinks during the St. Clair branch grand opening event.

Children's book author, Loren Long, was at Beaufort Elementary September 24 and had his picture taken with our Youth Services Director, Christy, and the Union Branch Children's Programmer, JohnnaLee.

Teens had a blast in Sullivan finding out about Banned Books Week and why certain books were banned from reading. Then they took turns posing with a banned book in front of our criminal backdrop! How fun!

Penguin Random House Representative, Sharon Parker, came to Warrenton to buzz about all the upcoming fall books! Attendees took home book catalogs, and free tote bags!
