Warrenton Branch Grand Opening

The grand opening event for the new Warrenton branch was held on October 20. The newly-remodeled and expanded branch re-opened to the public on October 4 after being closed two months for construction. The branch, originally built in 2001, was increased from 9,000 to 12,000 sq. ft. In addition, the parking lot was doubled in size.

Warren County Commissioner Dan Hampson, Director Steve Campbell, and Library Board President John Barry spoke at the dedication ceremony, which concluded with a ribbon cutting with the Warrenton Chamber of Commerce. Friends of the Library members and Branch Manager Stephanie Hassler handed out free hotdogs, popcorn, chips, and drinks to those in attendance. There was also a bounce house and other children's activities at the event.

**All branches will
be closed on:**

**November 9:
Staff Development Day
&
November 22-23:
Thanksgiving**

Library to Begin “Floating” Collections

On November 1, the library will begin “floating” its movies on DVD and large print collections. When patrons request a movie on DVD or large print book from another branch, once they return the item will stay at the branch where it is returned. The library’s computer system automatically changes the item’s location to the new branch upon check-in.

The benefits of a floating collection are that it constantly changes the collection at each branch, which gives patrons who browse different titles to browse each time they visit, and reduces wear and tear on items because they don’t have to be shipped back to their original branch through the courier.

If the trial with movies on DVD and large print books is considered successful, the library will begin floating the remainder of its collection in 2019. The library transferred over 44,000 items between branches to fill patron requests last year.

Director Elected to Missouri Library Association Board

Scenic Regional Director Steve Campbell was elected member-at-large on the Missouri Library Association’s Board of Directors for 2019-2020. He will also serve as the Board’s assistant treasurer in 2019 and treasurer in 2020. Director Campbell attended a Board retreat and new member orientation on October 9 in Columbia, Missouri, prior to the annual Missouri Library Association conference.

Donor Wall “Books” Installed

In October, the library’s donor wall “books” were installed at eight locations. There are 28 additional “books” being fabricated and should be installed within the next two months.

The donor wall “books” are being sold by the Scenic Regional Library Foundation and Friends of the Library groups as a fundraiser. They have sold 298 donor wall “books” to date, raising \$34,000. The price of the book depends on the size, with \$100, \$200, and \$300 options. All purchases are tax deductible and all proceeds go to the local Friends’ group.

Donor wall “books” are still for sale online at www.scenicregionalfoundation.org or with a paper order form which can be found on the last page of the newsletter. An individual can have a wide range of options engraved on a “book”, including a loved one’s name (“In memory of...”), business name, or family member’s name(s).

Library's 2017-2018 Annual Report Complete

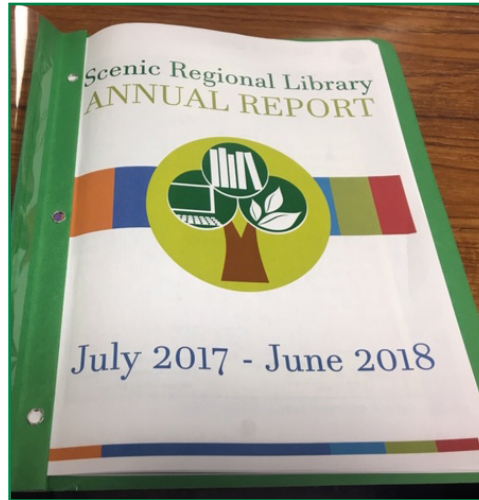

Scenic Regional Library's annual report was completed in October and submitted to the district's four counties. The report showed that 326,924 people visited the library's branches between July 1, 2017, and June 30, 2018. During the same time, 524,965 items were checked out. This represented a 10% increase from the previous year. With print circulation slightly declining at libraries across the country, the large increase is remarkable. In addition, the library checked out an additional 119,051 electronic items, such as e-books and e-audiobooks.

Membership in the statewide Missouri Evergreen consortium has been a boon for the library's patrons, with 76,154 items borrowed and lent between Scenic Regional and other member-libraries across the state in 2017-2018. An additional 44,030 items were shipped between the library's branches for patrons.

The library issued 7,399 new cards during the fiscal year. Some of these new registrations were part of a new initiative by the district to give parents the option to register their children for a public library card when they enroll in school. The library continues to work with its thirteen school districts to streamline the process.

Computer and Internet use at the library continues to be an important resource for the public. There were 28,205 Internet sessions on the public (desktop) computers during the year, along with 14,421 wireless Internet sessions. The library does not require a library card or even a password to access its wireless Internet. The library's electronic research databases were also searched 460,993 times in 2017-2018. This figure includes patrons who access and search the resources from home online.

The library's adult and children's programming continues to grow. 13,006 people attended the library's

adult programs in 2017-2018, a 25% increase. In addition, the library offered 360 children's programs systemwide, with 21,725 attendees. The annual Summer Reading Program drew 2,211 children, 728 teens, and 1,195 adults. The participation increase an incredible 47% from the previous year.

The library's adult outreach to nursing homes and assisted living centers has continued to grow. In 2017-2018, the adult outreach coordinator made 335 visits to 5,240 residents; there was a 10% increase in visits. The library also served 120 Books-by-Mail patrons in 2017-2018, a 30% increase. These certified homebound individuals received 4,685 items throughout the year, a 36% increase.

A digital copy of the full report can be found on the library's website or by going directly to: <https://scenicregional.org/about-us/library-reports/annual-report>.

Director Steve Campbell presented the report to the Franklin, Gasconade, Warren, and Crawford County Commissions in October. Missouri State Statutes require public libraries to submit the report by October 31.

The New Haven Friends of the Library helped out with Boo-a-pa-looza! They handed out books and treats to the kids.

Costume fun at Hermann branch Storytime where they played a spooky spider game and read books about carrots and peas.

Families in storytime at the Sullivan branch enjoyed painting their muddy pigs out on the patio.

November is National Novel Writing Month

Have you ever thought about writing a novel? National Novel Writing Month or NaNoWriMo participants begin their novel writing journey on November 1, with the goal of writing 50,000 words by November 30. Join other aspiring authors for NaNoWriMo activities at all Scenic Regional branch locations including a kick-off event, write-ins and an end of the month celebration. Ask at your favorite branch for more information about NaNoWriMo and join us for this exercise in creative writing.

Staff Spotlight: Rich

How long have you worked for Scenic?
 Two years.

What made you want to work in a library?
 (I was) retired and looking for something to do.

What is your favorite part of the job?
 Interacting with the patrons at our stops.

What do you wish more people knew about the library? How much the library offers.

What upcoming program at your branch are you excited about and why?
 Halloween and seeing all the kids coming in dressed up.

What are you currently reading? What is your favorite book? Nothing right now. I normally just pick something up and start reading, (usually) mysteries.

Is there anything else you would like people to know about you, your job, or your library branch?

I've driven all of my working career and this is the best part time job a person could have. Our branch consists of three people. THE BEST.

A monthly publication from your local library!

Pacific and Sullivan Friends Groups Donate Displays

The Pacific and Sullivan Friends of the Library groups each purchased a large-capacity display for the children's area of their branch to shelve their board books. While some of the board books are shelved beneath padded benches in the children's areas, neither branch has enough space for their entire collection. The displays were delivered to the branch in late October. Each display is 2' by 2' by 4-1/2' and cost approximately \$1,000, including shipping.

Pacific board book display.

Sullivan board book display.

Owensville Friends Group Builds Butterfly Garden

The Owensville Friends of the Library group has donated their time and the materials to build a butterfly garden at their branch. The raised bed will contain plants and flowers which attract butterflies. The garden will be visible from the children's section of the library. The group built the raised bed in September; they will plant the flowers and plants in the spring. The cost of the project was \$430.

Book Bingo at the Union branch happens the 4th Thursday of every month at 11am. Come out and win some books!

Trick-or-treaters on the bookmobile, with bags of books. What a treat!

Families and firefighters playing life-size Clue at the Wright City branch.

Libraries Rock! Rock-a-thon

This summer's Rock-a-thon was a huge success! The Rock-a-thon was the finale event in our Libraries Rock! summer reading program. It started on Monday July 23rd and went from 9am to 5pm each day. Patrons signed up for slots to sit in a rocking chair and read. The branch who could keep the rocking chair occupied with readers the longest was to win a specially decorated rocking chair. We expected the event to last maybe a couple of days, or a week at the most. We were overwhelmed when the contest was still going strong after a week. We decided to end the program on July 30th, since that was the last day of summer reading program. 3 libraries were still in the contest, so we named them all co-winners. The 3 branches will each have the rocking chair for 4 months. We chose who would get the rocking chair first by who had the most patrons participate in the contest. St. Clair got 1st place with 48 rockers. Warrenton was 2nd with 37 rockers. And New Haven was 3rd with 30 rockers. The library purchased an unfinished Amish wooden rocking chair, and it was designed and painted by Melissa Garber, one of our programmers.

Rock-a-thon participants at the St. Clair branch.

A patron in St. Clair enjoying the rocking chair after it was awarded at the Staff Appreciation Banquet.

Melissa with the rocking chair after completing the decorating.

Libraries Rock! at Daycares

This was the first year that we offered a daycare summer reading challenge. Every daycare that we visit was given a summer reading log. Their challenge was to read to the kids in the daycare every day that they were open in June and July. Those who completed the challenge received 6 new books. 18 daycares were awarded 2 board books, 2 hardback books and 2 paperback books. The daycares are: Sheila's Daycare in Hermann; ABC's and 123's in New Haven; Learning Under the Sun, Tumble Bees, Boeuff Presbyterian Child Care Center, and Small World Montessori in Owensville area; Holy Trinity, Learning Ladder, Kid's Village, and Bright Beginnings in St. Clair; Kid's Day Out, Friendly Folks, Kid's Village West, Neighborhood Kids, Sullivan Montessori, and iXL Academy in Sullivan; Leap Ahead and Little Rascals in Union area. Thank you to these daycares for participating and making summer reading ROCK!

Missouri Senator Jeanie Riddle at the Warrenton branch.

Purchase a "Book" for the Donor Wall in Your Community's New Library

The Scenic Regional Library Foundation and Friends of the Library groups are selling donor wall "books", which will be placed in the entrance hallway of each new library building.

You can have your name, your family's name, or your business's name become a permanent part of the new library in your community. Donor wall "books" can also serve as a beautiful and long-lasting memorial for a loved one.

The cost of a donor wall "book" is based on the size of the book:

- 8" x 1½" book – \$100
- 10" x 2" book – \$200
- 9" x 3" book – \$300

Visit www.scenicregionallibraryfoundation.org or complete this form to place your order. The Foundation accepts debit and credit cards (online), checks, and cash (only for forms brought to the library) for donor wall "book" purchases.

Proceeds from the sale of the donor wall books are designated for the local Friends of the Library group and used to assist with the purchase of furnishings and equipment in their new building.

Purchases are tax deductible.

Donor wall "books" can be purchased throughout the construction project and will be unveiled at the grand opening of each new branch library.
