

Ornament Making At Scenic Regional Library New Haven

The New Haven Scenic Regional Library held Ornament Making event for children and their families on Saturday, December

8. Approximately 30 kids and their parents came out to craft fun ornaments to adorn their Christmas trees or to give as gifts.

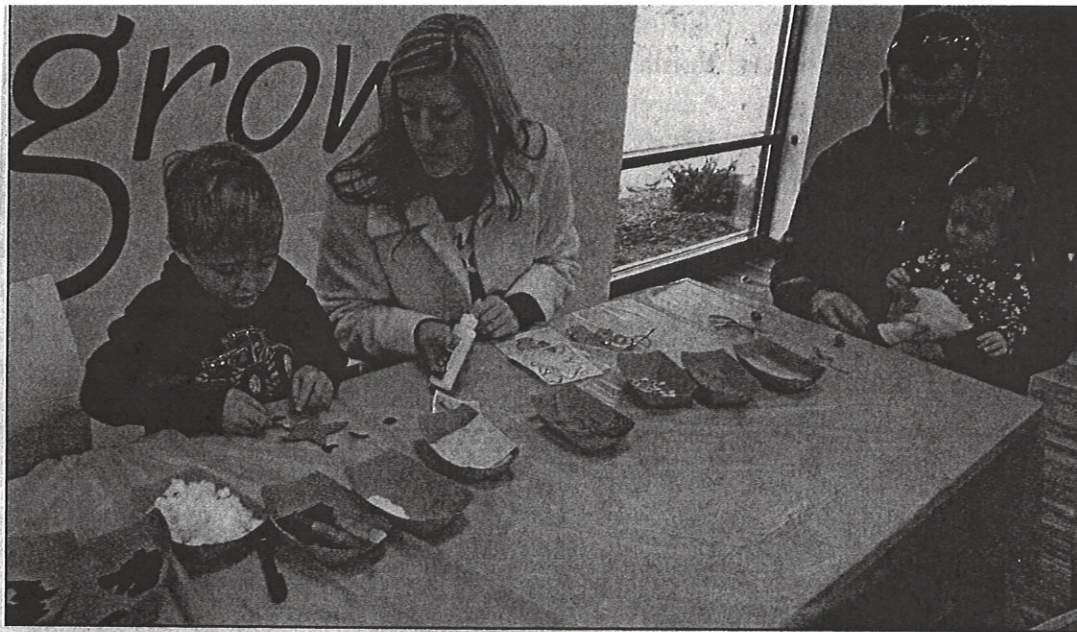

This is the sixteenth annual ornament making program held at Scenic Regional libraries.

Plants of the BIBLE

Thursday, January 10, 6pm

From Genesis to Revelations, plants figured prominently in the lives of the people of the Bible. St. Louis Master Gardener, John Hensley, will share insights about the botany and historical context of these plants.

RSVP today: Call 573-237-2189, stop by the branch, or register online.

Scenic Regional Library Presents 'Plants of the Bible'

Our November 2018 Scenic Regional Library New Haven branch program, "Plants of the Bible" was canceled due to heavy snow. It has now been rescheduled for Thursday, January 10, 6 p.m. St. Louis Master Gardener, John Hensley, will discuss both the realities of

and speculations about the history and botany of plants mentioned in the Bible. Plants played an integral part in the lives of those who lived within the time frame of the Old and New Testaments. From what folks ate, built with, and made their living by, the significance of indi-

vidual plants is evident in their physical applications as well as literary, e.g. Christ's parable, the farmer sowing seeds. Registration is encouraged and can be done by calling the library at 573-237-2189 or go online at scenicregional.org and click on events.
