TACO SOUP FOR EVERYONE

Peggy Privett serves her very own taco soup to health luncheon guests at the Warren County Health Department Feb. 11. Health luncheons are held monthly. During each health luncheon, a health professional or other expert leads the one-hour session on a different topic. Privett announced at this session that the Warren County Health Fair will be 9 a.m. to 1 p.m. Saturday, March 30, in Wright City and will include a walk and run.
