New Library Board Member Appointed

On July 8, the Gasconade County Commission appointed Laura Hengstenberg to the Scenic Regional Library Board of Trustees. She will fill the unexpired term of Diann Wacker, who resigned in May 2021 after serving 34 years on the Library Board of Trustees.

Ms. Hengstenberg is a resident of Owensville, where she resides with her husband. She has a degree in journalism from the University of Missouri and has worked for Crawford Electric Cooperative for the past twenty-six years. Previously, she was a Title I aid at Gerald Elementary School. Ms. Hengstenberg is also vice-president of the St. Peter's United Church of Christ Church Council.

St. Clair Branch Honored with Chamber Award

The library's St. Clair branch was selected as the St. Clair Area Chamber of Commerce's 2020 Organization of the Year. The Celebrate St. Clair Banquet was held on June 26. St. Clair branch manager Alesia Cullen and adult programmer Jacquie Oermann accepted the honor on behalf of the library.

Library Receives Grant for Mobile Kitchen

In late June, the library was awarded a \$12,860 grant from the Foundations of Franklin County for a "Kitchen a la Cart" mobile kitchen. The system includes an induction burner, quarter-size convection oven, sink with hot and cold running water, blender, and an entire collection of kitchenware.

The library will use the mobile kitchen for cooking programs at all nine branches and hopes the system will help develop partnerships with food pantries, farmer's markets, and other organizations.

In the past, the library's popular cooking programs have been primarily demonstrations. The new mobile kitchen will allow the programs to be "hands-on" and participatory. The mobile kitchen has work space for ten people, including the presenter.

The mobile kitchen is manufactured by a company called Edible Education, which is located in Cape Girardeau. The system is compact enough to be transported between branches in the library's maintenance van.

Warrenton Friends Donate Movie Screen

The Warrenton branch's Friends of the Library group has donated a 22-foot inflatable projector screen to the library. The screen, which cost \$230, will be used for the branch's movie events. In the past, the library has projected movies onto the side of the building.

The next movie event at the Warrenton branch will be on August 10 at 7:30 PM and feature the movie "Onward".

Library Awarded E-Content and Self-Check Grants

The Missouri State Library offered public libraries special grant opportunities this summer through the American Rescue Plan Act of 2021 (ARPA). Scenic Regional Library has been awarded over \$50,000 in grants through the program.

The first grant will provide \$30,000 for e-books and e-audiobooks. The funds will be added to the library's current e-book and e-audiobook budget, which is \$100,000. The library offers e-content through Overdrive, CloudLibrary, and other platforms. The library shares its electronic resources with the Washington Public Library.

The second grant will provide \$20,000 for the purchase of self-check systems for the Hermann and New Haven branches. Currently, the library has self-check systems at its other seven service locations. The new systems will be purchased through Tech Logic, the company the library has contracted with for its RFID project, and will be installed this fall. The library's other seven systems are through a company called Bibliotheca.

Unlike most grants through the State Library, which require matching funds, the ARPA grants will provide 100% funding.

St. Louis Fantasy Puppetry visited with us virtually and read to our young patrons with the help of her dragon friends.

Ms. Jacquie gave an on-line step-by-step presentation on creating your own pet toys and yummy treats.

St. Clair Branch Receives Donation

The St. Clair branch received a \$500 donation in July from long-time patron Bill Goforth. The donation will be transferred to the Friends of the Library group and designated for use at the branch. Mr. Goforth was recognized for the generous donations with a "Diamond Level" lifetime membership certificate to the St. Clair Branch Friends of the Library. He has been a patron of the St. Clair branch since the library began in 1959.

Staff Spotlight: Ali • Adult Programmer, Pacific

How long have you worked for Scenic?

I have worked for Scenic Regional Library at the Pacific branch for a little over 4 years. (Of course, I've been a fan and patron for much longer...).

What made you want to work in a library?

So many reasons... I am a lifelong lover of libraries, having many fond childhood memories there. Art, literature, and storytelling form the heart of humanity around the world, in addition to community and service; public libraries contain all of these things at their cores. And, I already knew all of the lovely ladies who worked at the Pacific branch when I applied, so that was also a super plus.

You were promoted to Adult Programmer at the Pacific branch earlier this year. Congratulations! Has that change been challenging and/or rewarding in any particular way?

I absolutely love being the Adult Programmer! Every aspect has been rewarding. Not only do I have the opportunity of serving and appreciating the myriad of library visitors, I also have the

pleasure of creating art through displays as well as craft programs, meeting fabulously wonderful and interesting performers and presenters, sharing books on a deeper level with patrons in book clubs, and more!

What upcoming program are you most excited about and why?

I am super excited about our new sewing makerspace, which will be at the Pacific branch in September, and will include programs as well as open labs.

What is your favorite project you've worked on for the library and why?

How can I pick one? I'll get philosophical... the one I'm working on at the time.

Any hobbies or interests outside of the library?

Among my favorite things to do are... walking and hiking, appreciating nature, and visiting the vast and numerous parks around the St. Louis area. And I love art, especially live performance art in the forms of dance, theater, and music... St. Louis Shakespeare Festival is definitely a favorite!

What do you wish more people knew about the library?

Many times people are surprised at the variety of activities and available offerings in-house and through their own library cards, from educational databases to movie streaming and craft apps, from books to notary services... and the list goes on. We're always trying to get this message out. Most of all, I truly hope that each patron or visitor that comes in feels appreciated and cared for; that's always the biggest goal.

You can only take one book to a desert island. What book, and why?

Since I would be on a sparse and remote desert island, I would choose *The Night Circus* by Erin Morgenstern, which is lush and vivid, full of magic, romance, and love.

Library's In-Person Storytimes Return

In July, the library re-launched its weekly in-person storytimes at every branch. The library had been only offering virtual storytimes over the past year due to COVID. As the library transitions back to in-person programming, the storytimes were held outdoors throughout the month. The library's storytimes will move back indoors in August.

Outdoor storytime at the Wright City branch on July 7.

Outdoor storytime at the Union branch on July 14.

Outdoor storytime at the Warrenton branch on July 13.

Visit www.scenicregional.org/foundation/ or complete this form to place your order. The Foundation accepts debit and credit cards (online), checks, and cash (only for forms brought to the library) for donor wall "book" purchases.
