## Hermann Grand Opening

The library held a free grand opening event at the new Hermann branch Saturday, July 23. Approximately 200 people attended the event, featuring face painting, a balloon artist, a bounce house, hot dogs, chips, snow cones, drinks, music, and a live broadcast from KWRE.

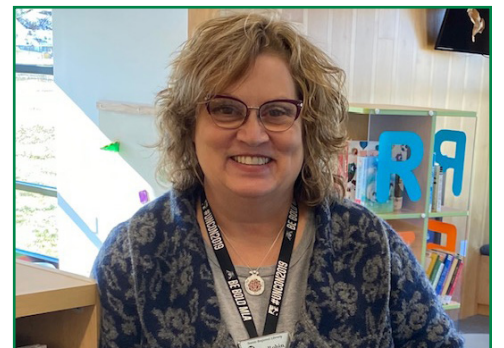

The dedication ceremony and ribbon cutting began at 11:30 a.m. Guest speakers were former Hermann branch manager Sheri Hausman, Gasconade County Presiding Commissioner Larry Miskel, and Hermann Area District Hospital Administrator Dan McKinney.

The opening of the new branch marks the completion of the library's nine-branch, \$24 million building project that began in 2017.

## Schaefferkoetter Named Warrenton Branch Manager

Robin Schaefferkoetter has been named the new branch manager of the Warrenton branch of Scenic Regional Library. Schaefferkoetter has been employed with Scenic Regional Library since August 2018. Before working at the library, she worked as an educator for 26 years, teaching first and second grade and spending two years teaching eighth-grade reading. She retired in 2018 and accepted the position of Owensville branch manager. Schaefferkoetter has a bachelor's degree in elementary education and a master's degree in elementary administration. She began her new role on July 25.

## TourCo Presents *A Midsummer Night's Dream*

St. Louis Shakespeare Festival's TourCo will produce a free performance of "A Midsummer Night's Dream"- one of Shakespeare's most popular and enchanting comedies, at the Harney Mansion Grounds in Sullivan on Saturday, August 13 at 6 p.m., for all ages.

TourCo is designed to be an educational performance for all. The show has six versatile actors playing multiple roles for an energetic, 90-minute performance. At the beginning of each show, the actors will introduce themselves and engage the audience with Shakespeare's plot, themes, and language.

The performance is perfect for students who have already engaged with Shakespeare's text in class and want to see a bold interpretation by a professional artist. It's equally as enjoyable for those who are new to Shakespeare. In addition, attending the show will give students the chance to respond and connect with professional performers in their community.

## Art Gallery Opens August 5

The Gallery at the Library, a 2,000-square-foot community art gallery located inside the new Hermann branch of Scenic Regional Library at 123-A Bavarian Hills Blvd., will host a reception for its inaugural exhibit Friday, August 5, from 6 p.m. to 8 p.m. The opening reception is free and open to the public.

The exhibit's theme is "Sense of Place," an all-media exhibit designed to present artwork that depicts real or imaginary places that define the artist. Refreshments will be served. The reception and exhibit are sponsored by Peoples Savings in Hermann. The exhibit will run from Friday, August 5 to Saturday, October 22. The gallery is free and open to the public. All artwork is for sale.

**Thank you to Peoples Savings Bank for sponsoring our

## Library Road Signs Installed in Communities

The library has been working with MODOT and local municipalities to install "Library" road signs indicating what direction to travel to find the library building. Sullivan and Pacific have already installed signs; New Haven will be next. All library locations can expect to see a sign installed in their community.

## Staff Spotlight: Melissa Adult Programmer, Union Branch

### How long have you worked for Scenic?

I have been at Scenic for six years.

### What made you want to work in a library?

I thought working in a library setting would be a nice, relaxing atmosphere and I love to talk about books with others.

### What is your favorite part of the job?

As a programmer I really love coming up with ideas for programs for our patrons. One of my very favorite things is teaching a patron a new skill and seeing everyone's finished projects. I love to see how happy people are at the end of the project. I also really enjoy coming up with fun and creative displays for our front display case in the lobby. Finding a way to help someone learn something new and doing the research for the display is exciting. Right now I have an ocean theme with facts about the ocean. Who knew the blue whale is the loudest animal on the planet at 188 decibels, super cool!

### You present a lot of arts and crafts programs. Are you a crafty person yourself?

#### What kinds of things do you like to work on?

Yes, I am a crafty/artsy person. I have a BFA in Commercial Art with an emphasis in Graphic Design. I worked in the art field for many years. Art is a passion of mine. I absolutely love to crochet, knit, embroider, draw and watercolor. I have a set of my Grandma's crochet hooks I use almost every day that I taught myself to crochet with years ago. All forms of viewing and making art are relaxing to me. Claude Monet and Vincent van Gogh are my two favorite artists.

### What are you currently reading or what are you reading next?

Swashbucklers by Dan Hanks. It has pirates, 80s video games, an enchanted forest, ghosts, and a talking fox sidekick—count me in. I love sci-fi and fantasy books. *The Princess Bride* and *Ready Player One* are two of my fave books!

### What do you wish more people knew about the library?

We don't have just books to check out. We have great programs and non-traditional items to check out also. I highly recommend the telescope. You can literally see Jupiter's moons and the rings of Saturn. Science is awesome!

### What upcoming program are you most excited about and why?

I can't wait for the "Summer Strawberry Jam" program I have coming up August 4 at 6pm at the Union branch. I have a friend of mine coming in to teach patrons how to make jam. She is fabulous at it! We will get to use the mobile kitchen to make this and it is my first adult program using the mobile kitchen.

*The Hermann branch hosts "Chess Club" once a month at their branch for everyone to enjoy. Come by and learn a trick or two!*

*Patrons came to the Pacific branch and learned how to infuse simple syrup with fresh herbs.*

*Adult Outreach Coordinator Laurie Osseck came to the Union branch and presented information and folklore about the Bermuda Triangle.*

## Walking with Peety Chosen as 2023 Community Read

After four meetings and hearing public feedback, the 2023 Community Read Selection Committee has chosen *Walking with Peety: The Dog Who Saved My Life* by Eric O'Grey as next year's title!

An epic story of friendship and strength, *Walking with Peety* tells the tale of O'Grey, who was 150 pounds overweight, depressed and sick, adopting a middle-aged, overweight shelter dog named Peety. Together, Eric and Peety began an incredible journey by going on walks, playing together, and eating plant-based foods- saving both of their lives.

## Library Participates in Missouri Book Festival

The Missouri Book Festival is fast approaching, and Scenic Regional Library is preparing for its contributions to the event! The library has booked cartoonist Rick Stromoski to present several demonstrations Saturday, August 27. The programs are as follows: 10 a.m. at the Sullivan branch, 1 p.m. at the Missouri Book Festival in Washington, in the Washington Public Library meeting room, and 4 p.m. at the Warrenton branch. Stromoski will also be presenting at several area schools during the week. Attendees of the events will go home with at least a dozen drawings.

In addition, the library will also be loaning its "Kitchen a la Cart" mobile kitchen for cooking demonstrations at the festival. The system includes an induction burner, quarter-size convection oven, sink with hot and cold running water, blender, and an entire collection of kitchenware.

The Missouri Book Festival will begin on August 25, with the main events occurring on Saturday, August 27, in Washington. To learn more about the event, visit [www.missouribookfestival.com](http://www.missouribookfestival.com).

## Super Summer Readers

When you're driving through town- be sure to keep an eye out for Super Summer Readers! If you see a "Super Summer Reader" sign, it means the child who lives there has completed the library's Summer Reading Program!

In May, the Scenic Regional Library Foundation Board collected donations from area businesses to provide every child who completes the library's Summer Reading Program with a yard sign for their front yard to recognize their dedication to reading over the summer. The Foundation received \$2,775 in donations for the project.

## Staff Picks

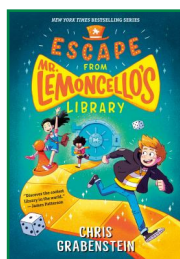

### **“Waking Romeo” by Kathryn Barker**

Waking Romeo is an amazing time traveling pretzel of a story. If you enjoy Shakespeare, Dystopian future, and time travel this is for you. This book is set in the year 2083. The future is bleak, time travel is possible, but only forwards. Only a small number of people remain in the “now”. Romeo lies in a coma and Jules is estranged from her friends and family. Until Ellis shows up. He is a time traveler with a mission to Wake Romeo.

This book had me thinking from the first chapter. There are a lot of jumps in time and surprises but I loved it. I love how much Shakespeare plays a role in this book as well as Wuthering Heights. This book kept me guessing until the last chapter!

**-Review by Kayleigh, Wright City**

### **“Escape from Mr. Lemoncello’s Library” by Chris Grabenstein**

My son actually suggested this book to me. He said it is “the best book he has ever read” and I have to say I agree with him; it is fantastic! There are fun twists and turns all wrapped up into an interesting “escape room” game which takes place in a library. The book, as a whole, gives a nod to a feeling of “Charlie and the Chocolate Factory” with fun pop-culture references and zaniness here and there. Also, who wouldn’t appreciate a book dedicated to the Author’s favorite childhood librarian! Check it out, you will be happy

you did.

## Passport Photo Services Offered at Select Branches

The New Haven and Hermann branches of Scenic Regional Library will soon offer passport photo services, beginning Monday, August 1. The library provides passport services at all nine branches. However, only the Hermann and New Haven branches will provide photography services due to their communities not having local passport photo options.

Passport applicants can get their passport photos taken at those two locations, if they choose, for a fee of \$15 per applicant. The photo fee will be added to the passport acceptance fee of \$35 per applicant, for a total of \$50- which can be paid with cash or a check payable to Scenic Regional Library.

Applicants may still bring their photographs if they choose. The service is only for passport applicants. An appointment is necessary for passport applications; the photos will be taken at the time of the application.

*Young patrons had the opportunity to meet exotic animals at the New Haven branch during the Exotic Traveling Zoo program.*

*St. Clair patrons made Seashell Candles that they were able to take and use to decorate their homes.*

*Storytime at Sullivan had a pirate theme this month. These children had fun making crafts and dressing up to celebrate the theme.*
