## Welcome!

Welcome to the Freegal Music Mobile App Help Guide! The purpose for this help guide is to provide you with the information you need to use Freegal Music.

## What is Freegal Music?

Freegal Music is a music service offered through libraries that allows patrons to stream and download songs. Here are some interesting facts about Freegal Music.

- There are millions of songs in its collection.
- Its music originates from over 100 countries.
- Once you download a song, it is yours to keep!

## Freegal Music Offerings to Patrons

Any Scenic Regional Library patrons who have library accounts in good standing can access Freegal Music using their library card number to log in to the app. Once logged in, they can stream or download music.

Streaming – Patrons are able to stream 8 hours of commercial-free music each day through Freegal Music. In its simplest form, patrons simply need to search for the music they want to hear and tap play.

Downloading – Patrons also have the option to download songs from Freegal Music. Each patron receives a five-song weekly allotment of downloads. The allotment resets every Monday at 12:01 a.m. CT and what patrons do not use, they lose.
