Welcome!

Welcome to the Freegal Music Mobile App Help Guide! The purpose for this help guide is to provide you with the information you need to use Freegal Music.

What is Freegal Music?

Freegal Music is a music service offered through libraries that allows patrons to stream and download songs and music videos. Here are some interesting facts about Freegal Music.

- There are millions of songs in its collection.
- There are thousands of music videos in its collection.
- Its music originates from over 100 countries.
- Once you download a song or music video, it is yours to keep!

Freegal Music Offerings to Patrons

Any Scenic Regional Library patrons who have library accounts in good standing can access Freegal Music using their library card number to log in to the system. Once logged into the Freegal Music site, they can stream or download music.

<u>Streaming</u> – Patrons are able to stream 5 hours of commercial-free music each day through Freegal Music. In its simplest form, patrons simply need to search for the music they want to hear and click play.

<u>Downloading</u> – Patrons also have the option to download songs and music videos from Freegal Music. Each patron receives a five-song weekly allotment of downloads, with songs counting as one download and music videos counting as two. The allotment resets every Monday at 12:01a.m. CT and what patrons do not use, they lose.

Downloading the Freegal Music Mobile App

The Freegal Music App can be downloaded onto Apple and Android devices as well as Kindle Fires.

Apple Devices

- Apple devices need an iOS of 10 or higher.
- To download the app onto an Apple device, do a search for "Freegal Music" in the App Store.
- You may need to enter your iTunes password as part of this process.

Android Devices

- Android devices need an OS of 4.2 or higher.
- To download the app onto an Android device, do a search for "Freegal Music" in the Google Play Store.

Kindle Fires

- Kindle Fires need to be a model that has access to the Amazon Appstore.
- To download the app onto a Kindle Fire, do a search for "Freegal Music" in the Amazon App Store.
- Ensure that you have enabled the "Download from unknown sources" in the device's settings.

Logging Into the Mobile App

In order to use the app, you will need your library card number. Follow the steps below to login.

1. Tap on the Freegal Music icon on your device.

2. Enter your zip code or city if not already prepopulated and tap "Continue."
