Welcome!

Scenic Regional Library offers films and other types of videos through Kanopy. The purpose of this help guide is to provide you with the information you need to use it.

What is Kanopy?

Kanopy is an on-demand, video streaming platform that partners with libraries and colleges. It offers feature films, documentaries, foreign language films, kids’ movies and television shows, and even training courses.

Kanopy’s content can be streamed on computers and mobile devices, but cannot be downloaded. You must set up an account to use Kanopy which does require an email address. An app is available for Apple and Android devices as well as Kindle Fires. If you want to use the Kanopy App, you should set up your account on a computer before logging into the app.

Kanopy’s Offerings to Scenic Regional Library Patrons

Any Scenic Regional Library patron with an account in good standing can use Kanopy. In the standard collection, patrons can stream 5 titles each month and watch each title once in its entirety. In the kids and courses collection, patrons can stream an unlimited number of titles.

Downloading the Kanopy App to Your Mobile Device

If you are using an Apple device (iPad or iPhone), go to the App Store and search for Kanopy. Once you find it, tap “Get.”

If you are using an Android device (Samsung, Tracfone, etc.), go to the Google Play Store and search for Kanopy. Once you find it, tap “Install.”

If you are using a Kindle Fire, go to the Amazon Appstore and search for Kanopy. Once you find it, tap “Get.”
