Director Campbell pointed out that Capital Expenses were at about 50%, but that we have some upcoming projects that once finished, will put that section where it should be.

Martha Lindsley submitted her formal resignation from the Library Board on February 27, and Ms. Keogh will be filling the Crawford County vacancy for the remainder of the term.

Director Campbell and Assistant Director Megan Maurer have been working on the community survey. Previously, Director Campbell had informed the Board that the Library would be moving from T-Mobile to Mobile Beacon for its Wi-Fi Hotspots in 2026. When Circulation Coordinator Macee Garvey informed T-Mobile of the proposed move to Mobil Beacon, they proposed a new offer. Mobile Beacon charges \$10 monthly per device for Internet access. T-Mobile proposed \$15 monthly per device, down from their current \$30 rate. Director Campbell stated he countered with \$14, which they accepted. They also offer free device replacements, unlike Mobile Beacon. As a result, the library will be staying with T-Mobile and the new contract should still save the library \$43,000 a year beginning FY 2026-2027.

**Wi-Fi Hotspots Update**

Last year, from mid-July to mid-August, Foundations for Strengthening Families, a 501(c) (3) nonprofit organization based out of St. Louis, visited the Sullivan branch of Scenic Regional Library on Thursday afternoons to distribute free breakfasts and lunches for children for the whole week. Director Campbell spoke with someone from the organization who said they plan to distribute food at all branches except Pacific, Warrenton, and Wright City. They are awaiting final approval from the state.
