Retiring From Scenic Regional Library

Pat Aichholz-Schowe and Wanda Walkenhorst have both retired from the Scenic Regional Library New Haven branch in 2020. Pat is retiring this month after 7 years with the library. Wanda retired in March after 10 years working for Scenic. To honor these two lovely ladies, the Friends of the Library New Haven are hosting a Retirement Open House on Sunday, October 11 from 2-4 p.m. at the Bail Park Pavilion in New Haven. Library patrons and the community are invited in sharing this special day with Pat and Wanda.

County Offices Closed For Holiday

The Franklin Government Center, Judicial Center, Juvenile Center, Court House, County Highway Department and the Franklin County Health Department will be closed on Mon., October 12, in observance of the Columbus holiday.

The Franklin County Sheriff’s Department will remain open, as they are open 24 hours every day.

MEG AND JOSH LANG are opening their deli on October 17. You can find their full menu on Facebook and also compete in a wings competition.

Franklin County is open for early voting. The process is fast and easy. You can drive to the county courthouse and call from the spot in front designated as a drive-up voting option or even easier, go inside to the second floor and ask to vote. Your ID is checked, you sign some paperwork and cast your ballot in the voting machine adjacent to the voting booths. Your vote is tabulated that day. If you want to avoid lines on Election Day and not be unsure if your mail-in ballot got held up then the Franklin County courthouse might be your best alternative.
