

**ON OCTOBER 12**, the library program Kid's Club was making their own hedgehog out of a book. It was a challenge but all persevered and the hedgehogs turned out so cute! Kid's Club meets every second Tuesday at 4 p.m. It is a program for kids ages Kindergarten through Fifth grade. The next meeting will be Tuesday, November 9. They will be making God's Eye woven turtle/spinners. Call or sign up online at Scenic Regional Library.
