## Library Hosts Annual Friends of the Library Appreciation Banquet

Scenic Regional Library held its annual Friends of the Library Appreciation Banquet Saturday, October 19, at the library's new Union branch. Twenty-six attendees from the library's eight Friends groups and the Foundation enjoyed a catered lunch; local musician Mike Ruffkahr also performed at the event. Foundation Board President Alice Whalen, Library Board President Kathi Ham, and Library Director Steve Campbell spoke and thanked the group for all their hard work over the past year.

The Friends groups had 442 members and raised over \$43,000 during the 2018-2019 fiscal year. They also volunteered at the library's grand opening events and book sales. In addition to other fundraisers, the Friends groups raised over \$17,800 alone from their fall and spring book sales and \$15,400 by selling 144 donor wall "books".

Officers from each of the library's eight Friends of the Library groups were invited to the annual event, as well as the Scenic Regional Library Foundation Board members. The Foundation oversees the local Friends groups.

## Wright City Friends Group to Form; Seeking People to Serve

The Wright City Friends of the Library group will have its first meeting on Tuesday, November 5, at 5:30 PM in the Wright City branch meeting room. The attendees hope to form a Friends of the Library Committee and elect officers at the meeting.

The Friends of the Library committee members decide how to donate the group's money to their local branch, work to recruit additional members, and organize fundraisers.

Anyone interested in joining the Wright City branch Friends of the Library and serving on the group's governing committee is invited to attend the meeting. People can join the Friends of the Library for as little as \$10; visit [www.scenicregionalfoundation.org](http://www.scenicregionalfoundation.org) to join. All membership dues and funds raised by the Wright City branch Friends of the Library are tax deductible and will only be spent at the Wright City branch.

The library opened its first branch in Wright City in May 2018. The Wright City branch is the only remaining branch in the library system without an operating Friends of the Library committee.

## Book Club Kits Available to Groups

Scenic Regional Library has more than 100 book club kits available to book discussion groups for checkout. A group does not need to meet at the library to be able to checkout a book club kit. The list of available books includes both fiction and non-fiction titles. The Book Club Kit Collection is stored at the library's administrative headquarters in Union, but kits can be requested and transferred to other branches for pick-up.

Each book club kit contains ten copies of the title and discussion questions for the book. Large print and audio books can be included in a book kit upon request, if

available. Book club kits can be checked out for eight weeks and cannot be renewed.

A list of all the book club kit titles can be found by visiting <https://scenicregional.org/bookclubbooks/>. Book reviews and plot summaries are available for each title by clicking on each title on the page. Groups may also request specific titles to be added to the Book Club Kit collection.

Contact Paul Schroeder at 636-583-0652, ext. 108 or [pschroeder@scenicregional.org](mailto:pschroeder@scenicregional.org) to request a title from the Book Club Kit collection or for more information.

## Library Provides Drop Off Locations for Warners' Warm-Up Coat Drive

**WARNERS' WARM-UP**

The library's Union and Pacific branches will serve as drop-off locations for this year's annual Warners' Warm-Up Coat Drive. The organization is asking for donations of new or gently-used coats of all sizes—for men, women, and especially for children. All the coats collected in

Union and Pacific will stay in Franklin County. This year's two-week collection period will begin on October 25 and continue until November 7.

Former St. Louis Rams quarterback Kurt Warner and his wife Brenda launched the coat drive in 2001 as a one-day drive prior to a Rams game and it has evolved into a two-week St. Louis metropolitan area-wide effort with hundreds of drop-off locations on both sides of the river. The Warners' Warm-up Coat Drive collects over 15,000 coats each year.

## **Library Releases FY 2018-2019 Annual Report**

Director Steve Campbell presented the library's annual report for the 2018-2019 fiscal year to the Franklin, Gasconade, and Warren County commissioners at their meetings in October.

The library opened seven new facilities last year, which had a significant impact on traffic and usage. It's nine branches had 415,671 visitors during the past fiscal year, which represented an 11% increase.

Circulation (materials being checked out) experienced an even larger increase. The library checked out 566,368 physical materials (books, DVDs, CDs, and audiobooks on CD)—an 18% increase. Usage was actually significantly higher than the overall average at some branches. The Sullivan branch experienced a 66% increase in usage; New Haven branch, 48%; and Owensville branch, 21%. In addition to physical items, 130,582 digital items (e-books, e-audiobooks, digital magazines, digital music, and digital videos) were checked out or streamed; a 10% increase.

Internet usage at the library has also skyrocketed in the new buildings with more comfortable seating, power stands by all the tables and chairs, and study rooms. In addition, many schools are providing students with Chromebooks (laptops). While Internet usage on the library's desktop computers only increased 6% to 51,015, Wi-Fi grew by a staggering 183% increase to 59,482.

The library continues to provide extensive outreach to daycares, preschools, and schools. Staff at the library's nine branches made 435 outreach visits to 25,609 children in FY 2018-2019.

Programming for all ages continues to grow and draw larger crowds. Last year, the library offered 751 adult programs. 15,863 people attended the programs, a 22% increase from the previous year. However, since FY 2015-2016 the attendance figure has tripled. The library also offered 941 youth programs reaching 23,841 children and teens—394 more programs than last year (a 72% increase).

Some other notable figures in the report include card registrations and self-check usage. In the 2018-2019 fiscal year, the library issued 9,439 new cards, a 28% increase.

The full annual report can be found on the library's website:  
<https://scenicregional.org/about-us/library-reports/annual-report/>.

## Staff Spotlight: Lori Jane Branch Manager, Pacific

### **How long have you worked for Scenic?**

I started in March of 2015, I believe, so about four and a half years.

**You recently transferred from the Sullivan branch, how long were you there and in what position did you serve?** I served there for three years as the branch manager.

**What made you want to work in the Pacific branch?** I live in Pacific and the commute was long and hard on my old truck.

**What opportunities are you most excited about with your transfer to the Pacific branch?** I'm excited about getting to know the patrons and working with the Chamber of Commerce and the Historical Society.

### **What made you want to work in a**

**library?** I worked for Borders Books for 16 and a half years and I loved the job. Working at a library is similar but you don't have the pressure of selling.

**What is your favorite part of the job?** Working with Ali, Amy, Barb, Dianne, Nan and Sharon. They are wonderful to work with and they work well together.

**What do you wish more people knew about the library?** Where it's located (across from Agape House) and what fantastic services we offer, including passport and notary service.

**What November program are you most excited about and why?** I'm excited about the turkey cookie event on Tuesday, November 19 at 6 pm. Who wouldn't want to decorate a cookie and eat it?

**What are you currently reading or what are you reading next?** I'm reading Ruta Sepetys' *Out of the Easy*. I love her books. They are poignant and sometimes sad but always hopeful.

**Is there anything else you would like people to know about you, your job, or Scenic Regional Library?** Me--I have been to all 50 states because my family was in the military. Library--If you want a title, we will work very hard to get it to you. If it's not carried in our libraries or the Missouri Evergreen libraries, Paul will work hard to find it at other libraries outside our system or he will purchase it. How many places will do that for you?! Support your local library!

*The Wright City Fire Protection District stopped by the branch to let the kids check out the new truck!*

*Pacific patrons enjoyed a concert of music from Shakespeare's time. Afterward, they were able to check out period instruments.*

*Red Cross Corps-St. Louis, spoke to kids at the Warrenton branch about emergency preparedness, and then they all received pillowcases to color and keep their emergency supplies in!*

## Purchase a "Book" for the Donor Wall in Your Community's New Library

The Scenic Regional Library Foundation and Friends of the Library groups are selling donor wall "books", which will be placed in the entrance hallway of each new library building.

You can have your name, your family's name, or your business's name become a permanent part of the new library in your community. Donor wall "books" can also serve as a beautiful and long-lasting memorial for a loved one.

The cost of a donor wall "book" is based on the size of the book:

- 8" x 1½" book – \$100
- 10" x 2" book – \$200
- 9" x 3" book – \$300

Visit [www.scenicregionallibraryfoundation.org](http://www.scenicregionallibraryfoundation.org) or complete this form to place your order. The Foundation accepts debit and credit cards (online), checks, and cash (only for forms brought to the library) for donor wall "book" purchases.

Proceeds from the sale of the donor wall books are designated for the local Friends of the Library group and used to assist with the purchase of furnishings and equipment in their new building.

**Purchases are tax deductible.**

Donor wall "books" can be purchased throughout the construction project and will be unveiled at the grand opening of each new branch library.
