Rivers Reception

The Gallery at the Library, located at the Hermann branch, will host the reception for its next exhibit, "Rivers," on Friday, November

4, from 6 to 8 pm. The second in a series of all-media art shows, "Rivers" invites artists to explore the theme from a personal perspective. Refreshments will be provided. The exhibit will feature approximately 80 pieces of artwork by over two dozen regional artists.

The exhibit will run from Friday, November 4, to Saturday, January 21. The gallery is free and open to the public. All artwork is for sale. American Family Insurance is the sponsor for the exhibit and reception.

The gallery's inaugural exhibit, "Sense of Place," drew around 145 visitors a week and was considered an enormous success.

Staff Development Day

All Scenic Regional Library locations were closed Monday, October 10, for the library's annual staff development day. The event, held at the Union branch, utilized the library's multiple meeting rooms and children's areas throughout the day for staff to attend various breakout sessions.

The sessions covered many topics, including basic first aid, security and safety in today's libraries, fire extinguisher training and fire safety, photography for social media, ukulele classes, and multiple other topics.

Library Staff Featured in *The Missourian*

Scenic Regional Library and The Missourian are teaming up to start a quarterly section in the newspaper, featuring library staff members reviewing a book they enjoyed and want to share.

Missourian

The first set of reviews will be the cover story of The Missourian's People Section on Wednesday, November 23. The first installment will include book reviews by eight Scenic Regional staff members from around the system.

Staff Spotlight: Renny Branch Manager, Union

How long have you worked for Scenic?

Four and a half years! The first three and a half years was as the Wright City Branch Manager and I started as the Union Branch Manager last November.

Can you share a little bit about your background before you came to work at the library?

I have worked in libraries since 2008. I started in history music library/archives and moved into public librarianship. I have been in charge of digitization programs, adult program planning, summer reading programs, and now I'm mostly in charge of people (I have had the BEST teams of people here at Scenic).

What made you want to work in a library?

I love history and knew I wanted to do something that would give me the opportunity to help people and

encourage learning. Libraries seemed to be the best option!

What are you currently reading?

I just started reading Sarah Addison Allen's new book *Other Birds*. I really enjoy Allen's writing style and the magical realism she incorporates into her books. Her characters generally are struggling with life or family issues and usually end up with a sense of self-discovery.

Any hobbies or interests outside the library?

I love to read (obvs), but I also like crafting (crochet mostly). I also enjoy playing video games and board games.

Is there anything else you would like people to know about you, your job, or your library?

We love to be involved in the community! I am a member of the Franklin County Literacy Council and the Union Area Chamber of Commerce, so you can see me at various functions like Union Wingfest, the Franklin County Fair, and of course the upcoming Christmas Parade. We are busy decorating for Boo Bash and the YMCA Trunk or Treat!

Union patrons enjoy all the wonders of the night sky during a Star Party hosted at the branch.

The Schwarzer Zither Ensemble of Washington performed at the Owensville branch and discussed the history of the zither.

Kids Halloween Paint Night at the St. Clair branch featured a spooky black cat creation and Kool-Aid for all to enjoy!

Library Releases 2021-2022 Annual Report

The library has released its annual report for the 2021-2022 fiscal year, which ended June 30. The year's highlights were opening the new Hermann branch in June, which completed a five-year, \$24 million building project. The project doubled the library's square footage of public service space system-wide.

The library showed high usage throughout the year, with many increases. Over 315,000 people visited the library's nine branches; 5,233 new library cards were issued, and the number of active library users increased to 18,312.

In addition, the library checked out 454,009 physical items and 168,664 digital items, such as e-books and e-audiobooks. These checkouts reflect a 6.35% and 6.36% increase from 2020-2021, respectively.

With the Teacher Assistance program, the library delivered 2,427 items to area schools, filling 139 teacher requests.

175 mobile hotspots and 298 Chromebooks were added to the non-traditional collection this year, thanks to a \$246,498 Federal Emergency Fund grant. The library checked out 1,926 non-traditional items such as telescopes, cake pans, microscopes, hotspots, and Chromebooks.

In 2021-2022, the library offered 512 adult programs, reaching 7,285 people, and 782 children and teen programs attended by 16,935 people. Library staff also facilitated 157 visits to 2,526 senior citizens at nursing homes or senior centers in all three counties.

Due to an increasing number of Spanish-speaking individuals in the district, the library curated a collection of Spanish language materials, including 161 adult books, 275 children's books, and 546 Spanish e-books to better serve our Spanish-speaking communities!

The fiscal year also saw the first-ever annual Community Read, an event designed to encourage discussion by simultaneously having as many people as possible read the same book. The book chosen for the 2022 Community Read was *Frankenstein* by Mary Shelley. The library and its partners gave away 1,300 free copies of the novel to the public and area schools. Over six weeks, the Community Read saw 91 Frankenstein-themed programs with 1,001 people in attendance.

Library Lends Hermann's Microfilm Collection

Scenic Regional Library and the Gasconade County Historical Society entered an agreement to store the Hermann branch's microfilm collection at the society's Hermann location at 315 Schiller St.

The collection has been delivered to the historical society and is available for public use. The agreement was made after the Scenic Regional Library Board decided not to purchase a new microfilm reader for the Hermann branch.
