Grandma Gatewood's Walk Chosen as 2027 Community Read

The 2027 Community Read Selection Committee has chosen Grandma Gatewood's Walk by Ben

Montgomery as next year's title!

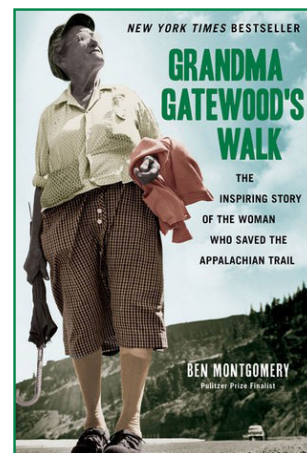

Each year, Scenic Regional Library partners with Washington Public Library and East Central College to host an annual Community Read. The goal is to encourage as many people as possible to read and discuss the same book at the same time. The 2027 Community Read will take place in April, with free books available beginning in late March.

Over four weeks, the library and its partners will distribute more than 1,400

free copies and present a variety of programs inspired by the book's themes.

Published in 2014, Grandma Gatewood's Walk tells the true story of 67-year-old Emma Gatewood, who became the first woman to hike the entire Appalachian Trail alone in 1955.

Author Ben Montgomery is a journalist and narrative nonfiction writer. To tell Gatewood's story, he drew from her diaries, trail journals, and correspondence, as well as historical news accounts and interviews with her family and people she met along the trail.

Beginning October 1, an update to OverDrive products, including Libby

and Kanopy, will require users to enter a PIN when accessing the apps or websites. Each Scenic Regional Library patron's PIN will be the same as the password used to access their library account. The default password/PIN is the patron's full birth date, entered with forward slashes and without leading zeros. For example, someone born on January 1, 1994, would enter **1/1/1994**. Patrons who do not know their password/PIN can reset it. For additional assistance, patrons can contact their local Scenic Regional Library branch.

Monthly Case Manager Visits Coming to Scenic Regional Library Branches

Scenic Regional Library is pleased to partner with Jefferson Franklin Community Action Corporation to offer Case Manager visits at participating branch locations on the fourth Tuesday of each month from 9:00 a.m. to noon. The partnership grew out of the successful service offered by a social work graduate student earlier this year, which highlighted the growing need for social service assistance within the library's communities. Case Managers can help individuals find resources for housing, food, childcare, healthcare, employment, and transportation.

They can also provide guidance for

accessing support services such as mental health care, counseling, domestic violence resources, and substance use treatment. In addition, assistance is available for applying for benefits, including SNAP, Medicaid, unemployment, and disability, as well as replacing important documents such as IDs and birth certificates.

Case Manager visits will take place on the following dates and locations throughout 2026:

October 27 – Washington Public Library

November 24 – Sullivan Branch

December 22 – New Haven Branch

All visits will take place 9am-12pm

Lions Club Supports Summer Meal Distribution

Scenic Regional Library extends its thanks to the St. Clair Lions Club for purchasing a utility cart to assist with food distribution at the St. Clair branch this summer and donating it to the library for continued use.

The cart helped staff distribute more than 31,000 meals to local children throughout the summer. The library is grateful for the Lions Club's generosity and support of families in the St. Clair community.

“The Trunk” visits the Owensville Branch

The Trunk will visit the Owensville branch on Tuesday, November 3 from 10:30am to 2:30pm

The Central Missouri Foster Care & Adoption Association (CMFCAA) will bring its 38-foot mobile boutique, “The Trunk,” to Scenic Regional Library’s Owensville branch on Tuesday, November 3 from 10:30 a.m. to 2:30 p.m.

“The Trunk” serves foster youth, adoptive families, and kinship families by providing gently used clothing, shoes, baby items, and home goods for free. CMFCAA currently operates three brick-and-mortar “The Trunk” locations in Rolla, Osage Beach, and Jefferson City, but launched the mobile boutique to better serve families in communities farther from those locations.

A formal placement letter or adoption decree is recommended for those wishing to shop at the boutique. Families may also create a profile in advance by visiting mofosteradopt.com. There are no geographic restrictions to shop with the mobile Boutique.

Former Warrenton Branch Manager Passes Away

Alice (Rollhaus) O'Donnell, former manager of the Warrenton branch, passed away on August 17 at the age of 95.

Ms. O'Donnell served as Warrenton branch manager from 1985 until 1996 and continued working at the branch part-time until 2004. Former Scenic Regional Library Director Ken Rohrbach described Ms. O'Donnell as "the best person I ever worked with. [She was] always very interested in meeting the needs of the patrons and always upbeat."

Former Scenic Regional Library Director Sallie Hancox recalled that she "remembered Alice as a people person. She greeted those coming into the Warrenton Library with her 'Alice smile' and a warm 'hello'. She liked people

and did her best to make their library experience a good one."

Ms. O'Donnell married Edward O'Donnell in 1950, and together they raised nine children on their farm. She attended East Central Community College in Union, where she earned an associate's degree in accounting.

Ms. O'Donnell loved reading and was a gifted seamstress. She was a member of the Stitch and Time Quilt Club and used her talents to make suits for her husband, wedding dresses for her daughters, and christening gowns and baby blankets for loved ones. Her family said she will be remembered for "her creativity, unwavering love, and the countless lives she touched with her hands and heart."

Library Provides Drop-Off Locations for Warners' Warm-Up Coat Drive

The library's Franklin County branches will serve as drop-off locations for this year's annual Warners' Warm-Up Coat Drive. The organization is requesting donations of new or gently used coats of all sizes—for men, women, and especially children. This year's two-week collection period will begin on October 19 - November 1.

Former St. Louis Rams quarterback Kurt Warner and his wife Brenda launched the coat drive in 2001 as a one-day drive before a Rams game. It has evolved into a two-week St. Louis metropolitan area-wide effort with hundreds of drop-off locations on both sides of the river. The Warners' Warm-up Coat Drive collects over 15,000 coats each year.
