STEM Kits Added to Catalog

Beginning October 1, you can check out one of our new STEM Kits, which are now part of our collection of non-traditional items!

In total, the library added 148 kits to its catalog. The kits span 50+ themes and are designed to allow children ages pre-k through fourth grade to engage with science, technology, engineering, and math. Each branch has 10-20 kits available to check out. From phonics to coding, to the human body, and much more- we have a theme for every child!

The library was awarded a \$20,000 grant from the Institute of Museum and Library Services to purchase and assemble the kits. To learn more about the kits, visit us at scenicregional.org/stemkits.

These kits were purchased with funds from the Institute of Museum and Library Services under the provisions of the Library Services and Technology Act as administered by the Missouri State Library, a division of the Office of the Secretary of State. The library was awarded a \$20,000 grant to purchase the kits.

Have Favorite Authors? Put Them on Hold Automatically!

Do you have favorite authors and don't want to miss one of their new books? Beginning October 1, library staff can add your name to one or more Hold Groups for books by two dozen authors. After your name is added to a group, a hold will automatically be placed for you on new books published by that author.

Do you want to read every new publication by David Baldacci? Join the Hold Group! Do you want to know the latest scandal in the Bridgerton family? Join the Julia Quinn Hold Group! Holds will be filled in a different random order for each title published and will be filled with regular print books. If you prefer checking out audiobooks or large print editions, you or the library staff will continue to place holds on those items rather than adding your name to a Hold Group. You may remove yourself from a group at any time.

Contact your local branch to be added to the Hold Group for one or more of these authors:

David Baldacci	Stephen King
C.J. Box	Karen Kingsbury
Sandra Brown	Debbie Macomber
Robyn Carr	Susan Mallery
Lee Child	James Patterson
Harlan Coben	Tracie Peterson
Michael Connelly	Julia Quinn
Janet Evanovich	Nora Roberts
John Grisham	John Sandford
Kristin Hannah	Nicholas Sparks
Elin Hilderbrand	Danielle Steel

Library Provides Drop Off Locations for Warners' Warm-Up Coat Drive

WARNERS' WARM-UP

The library's Franklin County branches will serve as drop-off locations for this year's annual Warners' Warm-Up Coat Drive. The organization is asking for donations of new or gently-used coats of all sizes—for men, women, and especially children.

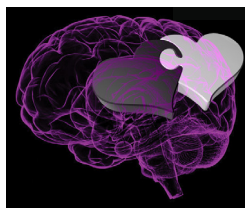

This year's two-week collection period will begin on October 23 and continue until November 5.

Former St. Louis Rams quarterback Kurt Warner and his wife Brenda launched the coat drive in 2001 as a one-day drive before a Rams game. It has evolved into a two-week St. Louis metropolitan area-wide effort with hundreds of drop-off locations on both sides of the river. The Warners' Warm-up Coat Drive collects over 15,000 coats each year.

Staff Spotlight: Stephanie Children's Programmer, Wright City

What made you want to work in a library.

I have always been a huge fan of the library, even as a kid. Between being an avid reader and falling in love with the library atmosphere, I couldn't imagine wanting to work anywhere else. The library is one of my favorite places.

What is your favorite part of the job? Why?

My favorite part of the job is getting to know the patrons. Being the children's programmer, it's always so much fun to interact with the kids and see them enjoying all that the library has to offer.

What upcoming program are you most excited about and why?

I'm really excited about my Harry Potter book club. We have a lot of really fun things planned, and I can't wait to see everyone enjoying the books and activities.

What are you currently reading, or what are you reading next?

I am currently reading *The Silent Patient* by Alex Michaelides.

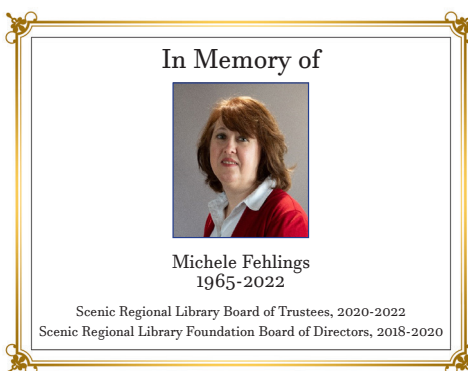

Any hobbies or interests outside the library?

I enjoy spending time with my family and my two dogs. Whether having a movie night or going on a hike, I enjoy family time.

Memorial Sign Placed in Honor of Michele Fehlings

A sign in memory of Michele Fehlings, a Scenic Regional Library Board of Trustees member who passed away in July, has been placed near the public computers inside the Hermann branch. Fehlings was appointed to the Board of Directors in August of 2020.

Fehlings was born and raised in the Hermann area, and earned an undergraduate degree from Lindenwood University and MBA from Columbia College. Fehlings lived in Alaska for two decades before moving back to Hermann in 2008 with her late husband. Before being appointed to the Library Board of Directors, she served two years on the Scenic Regional Library Foundation Board of Directors. She also served on the Hermann Area District Hospital Board of Directors.

The Gaslight Squares came to the Pacific branch and performed some of their songs at an outdoor concert at the branch.

Spring Bluff Elementary visited the Sullivan branch for a tour of the library.

St. Clair branch's monthly program, "Epicurean Adventures", was held at the branch. Patrons learned all about herbs during the September meeting.

Y Literacy Seeking Tutors and Adult Students

The Community Literacy program at the Four Rivers Family YMCA is looking for tutors and adult students who want to improve their literacy goals. Y Literacy is a free program for adults struggling with the English language and literacy skills that partner with the public libraries in Franklin County to provide tutoring at convenient locations. Adult students meet with a trained volunteer one-to-one once a week to address individual goals.

Adults who would like to tutor must attend a training session provided by the Y. The next training session will be Tuesday, October 18 at the Washington Library at noon.

This four-hour session is the first step to become a tutor. Attending the training does not commit someone to become a volunteer- it's the first step for people who have an interest in helping others to see if adult literacy tutoring will be a good fit for them. If interested in registering or to learn more about the program, contact Diane Schwab at 636-239-5704 or read4rivers@gwymca.org.

Adults who participate in Y Literacy have a variety of goals:

- Learn to read
- Get a driver's license
- Study for the HISET
- Study for WorkKeys Assessments
- Find a better job
- Learn to speak, read, and /or write English

Library Purchases Land in Wright City

On September 16, the library purchased a .87-acre tract behind the current branch from the Wright City R-II School District for \$50,000. The library purchased the existing 1.15-acre lot from the school district in 2015. The purchase will allow the library to expand the current 7,700 sq. ft. facility up to 8,000 additional square feet in the future.

The purchase prepares the library for accommodating the rapid population growth in the county. Over the past five years, since the community's branch opened, Wright City's population has grown 65%—and more growth appears on the horizon. In 2021, Minneapolis, Minnesota-based American Foods Group announced the construction of a 500,000-square-foot beef processing facility between Wright City and Foristell. The plant, set to open in 2024, is expected to create more than 1,300 new jobs. The company is expected to invest up to \$450 million in the project.

"Our Rainbow Queen-A Tribute to Queen Elizabeth II and Her Colorful Wardrobe" by Sali Hughes

To say I loved this book would be an understatement. This book was fabulous; if you love fashion, the Queen, or color, you will really enjoy this book. I really enjoyed seeing the looks the Queen wore during her entire reign and learning about little tidbits of information regarding why she wore what she wore. Do you want to know what she secretly carries in her handbag or maybe how her jewelry is chosen? It is in there. I was really upset to hear about the Queen's passing, and

I know I will miss seeing her and what her latest ensemble is at her events. I was searching for a book to read about her and came upon "Our Rainbow Queen," and I am so glad I did.

-Review by Melissa, Union

"My Name is Yip" by Paddy Crewe

I don't know why this book has been labeled by the publisher as a Western. The setting is Appalachia. Eastern Appalachia. The action takes place in the early 1800s, and there are horses, a gold rush, and some pretty wild goings-on, but I wouldn't call it a Western.

What I WOULD say is that Paddy Crewe knocked the ball over the fence with this, his first novel. It is a one-of-a-kind coming-of-age story whose protagonist is a keen observer of human nature and is also mute. Because he is shunned as different from other children,

he spends most of his time watching the customers at his mother's general store from a vantage point across the street. She doesn't have time to do more than prepare food for him and make sure his clothes are mended. But a couple of others recognize his intelligence and make him a participant in their lives with some astonishing results. He learns to read and write. He is a near-witness to murder and then kills a man himself before he is fifteen. His misadventures while trying to hide in the hills had me on the edge of my seat.

Paddy Crewe is an Englishman, but My Name is Yip was written in the vernacular of a resident of 1800s Appalachia. I think the voice is unerring, and the book is near perfection.

Library Participates in First Missouri Book Festival

The Missouri Book Festival, which took place in Washington on Saturday, August 27, was a great success! For the event, Scenic Regional Library sponsored cartoonist Rick Stromoski, the "Do You Know MO Game Show," and Ed Wheatly, author of "Incredible Cardinals" from Reedy Press, and Fredbird, who all presented several demonstrations at area schools. Stromoski also gave illustration demonstrations at the Sullivan and Warrenton branches, and the Washington Public Library during the festival.

In addition, the library also lent its "Kitchen a la Cart" mobile kitchen for cooking demonstrations at the festival, including a scone demonstration with Father Dominic and a breinwurst demonstration with Chef Mathew Unger. The system includes an induction burner, a quarter-size convection oven, a sink with hot and cold running water, a blender, and an entire kitchenware collection.

To top off the event, Scenic Regional Library Director Steve Campbell raced Washington Library Director Nelson Appell in the soap box derby!

The Scenic Regional Library Foundation and Friends of the Library groups are selling donor wall "books", which will be placed in the entrance hallway of each new library building.

You can have your name, your family's name, or your business's name become a permanent part of the new library in your community. Donor wall "books" can also serve as a beautiful and long-lasting memorial for a loved one.

The cost of a donor wall "book" is based on the size of the book:

- 8" x 1½" book – \$100
- 10" x 2" book – \$200
- 9" x 3" book – \$300

Visit www.scenicregional.org/foundation/ or complete this form to place your order. The Foundation accepts debit and credit cards (online), checks, and cash (only for forms brought to the library) for donor wall "book" purchases.

Proceeds from the sale of the donor wall books are designated for the local Friends of the Library group and used to assist with the purchase of furnishings and equipment in their new building.
