## Big Rebound for Summer Reading in 2021

After very low Summer Reading Program participation last year due to COVID, the library saw big increases this summer. 1,501 kids participated in the program--a whopping 65% increase over last year. Numbers were up at every branch, with one location seeing a 120% increase.

A majority of the kids who registered followed through and completed the program. Across Missouri, normal completion rates for the Summer Reading Program hover between 30% and 40%. Over the past few years, Scenic Regional has been experiencing completion rates consistently around 43%. However, in 2021, an astonishing 55% of participants completed the Summer Reading Program—they read a total of at least 8 hours, and picked up their free book and entry into the end-of-summer prize drawings.

This year, all the Summer Reading programming was virtual. Fortunately, for those who may have missed some of these great programs for kids, teens and adults, they can all still be found archived on the Scenic Regional Library YouTube page at [www.youtube.com/scenicregionallibrary](http://www.youtube.com/scenicregionallibrary).

## New Mobile Makerspace Features Sewing Machines

*Sullivan branch employees Jerri (left) and Corrine (right) pose with the library's new sewing machine mobile makerspace.*

The library has launched a mobile makerspace with the purchase of eight Baby Lock Zest sewing machines. The makerspace will travel from branch to branch over the next year. They will be used to offer basic sewing classes for all ages, as well as open lab times throughout each month. During the open lab times, the machines are available on a first-come, first-serve basis. Patrons who are under the age of 14 must be accompanied by an adult during lab times. The library provides basic notions, black, white, navy, gray, cream thread, scissors (fabric, pinking, thread nipper), pins, fabric markers, tape measures, rulers, seam rippers, irons, and ironing pads.

In August, the sewing machines were at the Sullivan branch, and they will be at the Pacific branch throughout the month of September. For more information about when the mobile makerspace will be visiting each branch, the upcoming class schedule and lab times are available at [scenicregional.org/create](https://scenicregional.org/create).

The sewing machines were purchased through a \$1,000 grant awarded by the Missouri Association of Community Arts Agencies (MACAA) in March 2021. MACAA is a "statewide service organization dedicated to strengthening Missouri's arts leaders and community arts agencies. MACAA has served communities, community arts agencies, community arts leaders and artists since 1979."

## Library Contributes to Bicentennial Time Capsule

This year is the Missouri Bicentennial. As part of commemorating the event, the State Historical Society of Missouri and Saint Louis Ambassadors are creating a Bicentennial Time Capsule. The goal of the once-in-a-generation project is to collect items that document Missouri's past and present for future generations of Missourians. Non-profit organizations, businesses, and local and state government agencies were invited to contribute to the time capsule. Contributors were asked to submit three items: one to represent the past, one to represent the present, and a note to future Missourians.

The library recently sent an album full of photographs of its old and new library buildings, as well as two letters to future Missourians. Macee Jarvis, Union branch manager, spearheaded the project for the library and wrote the letter from the library. The library held a Time Capsule Writing Contest to obtain the second letter. Patrons were asked to write and submit letters to future Missourians; the winner would be sent to the time capsule. Eli Mure, adult programmer at the New Haven and Hermann branches, selected the winner—Natalie Tourville, a patron of the Sullivan branch.

The library submitted its contributions to the time capsule on August 18. The time capsule will be opened in 2046.

*Scenic Regional Library's Assistant Director Megan Maurer was sworn in as a Court Appointed Special Advocate (CASA) on August 24 at the Franklin County Judicial Center in Union.*

## Scenic Regional and St. Louis County Libraries Approve Borrowing Agreement

On August 24, the Scenic Regional Library Board of Trustees approved a borrowing agreement with St. Louis County Public Library. The St. Louis County Public Library Board of Trustees approved the agreement on August 16. The agreement, which is effective September 1, will allow the libraries to provide free cards to residents of each other's district.

St. Louis County residents living in Pacific will benefit greatly from the agreement. While some live in Pacific and the Pacific branch is their closest library, if they live across the county line in St. Louis County they have had to pay for a Scenic Regional card in the past. Now, the card is free. There are also many Scenic Regional residents, particularly in Franklin County, who live and work in St. Louis County and may benefit from the agreement.

St. Louis County Library will not allow their reciprocal borrowers from Scenic Regional Library access to their digital resources. Scenic Regional Library will allow its reciprocal borrowers full access to its digital resources.

Scenic Regional has similar agreements with Washington County Library, Crawford County Library, Missouri River Regional Library, Washington Public Library, and St. Charles City-County Library.

## Secretary of State Visits Union Branch

On August 24, Secretary of State Jay Ashcroft visited the Union branch to present a check for \$30,000 to the library. The check was a grant for e-books and e-audiobooks awarded by the Missouri State Library with American Rescue Plan Act funds. The funds will be used to add e-books and e-audiobooks to the library's Overdrive and CloudLibrary platforms.

Secretary Ashcroft toured the Union branch during his visit. He also saw the branch's new musical instruments on the children's patio and the library's new mobile kitchen. Secretary Ashcroft originally visited the branch in 2019, when he was the keynote speaker at the new building's grand opening event.

## Highway Patrol Finds New Home for Driver's Testing Center at Warrenton Branch

In August, the Missouri Highway Patrol began operating their driver's test center in Warrenton at Scenic Regional's Warrenton branch. People can take the written and driver's test at the branch every Thursday. The written test is taken on laptop computers in the branch's public meeting room and driver's tests depart from the parking lot. The Highway Patrol will also soon begin using the branch's parking lot for their parallel parking tests.

Previously, the test center had been housed at the County Government building and the firehouse in Warrenton. The library expects the Warrenton branch to be the testing center's permanent location.

If someone is interested in taking their driver's license test at the Warrenton testing center, the hours (every Thursday) are 9:00 AM to 12:00 PM (must be seated by 11:30 AM) and 1:00 PM to 4:00 PM (must be seated by 3:30 PM). For additional information, call 636-221-5269. The library opens at 9:00 AM.

*Driver Examiner Mary Hollman, with the Missouri Highway Patrol, working at the driver's test center at the Warrenton branch.*

*Assistant Director Megan Maurer, Union branch manager Macee Jarvis, Union branch Children's Programmer Melody Hoag, Director Steve Campbell, and Secretary Ashcroft.*

*Secretary Ashcroft plays a musical instrument on the Union branch's children's patio.*

# Scenic Regional Library NEWSLETTER

A monthly publication from your local library!

## Staff Spotlight: Marilee • Library Assistant, St. Clair

### How long have you worked for Scenic?

I have worked at the St. Clair branch for 3 years.

### Can you share a little bit about your background before you came to work at the library?

I am a retired teacher. I taught at St. Joseph Institute for the Deaf my first three years. Then I taught at Missouri School for the Blind for two years. I was the Deaf Education Teacher at Ste. Genevieve for four years. I taught at St. Clair High School, as a Special Education Teacher, the last twenty-one years before retirement.

### Has your experience as an educator helped you in your work as a Library Assistant?

My experience at the high school has definitely helped me with my job at the library. I often went into the school library and assisted our librarians.

### What is your favorite part of the job? Why?

My favorite part of my job is helping our patrons. I love to interact with others and help them enjoy their visit to the library.

### Do you have any special projects or extra responsibilities at the St. Clair branch?

I do a lot of the weeding of books at our library. I help the Programmers whenever I can and participate in the adult programs.

### What is your favorite program that you've helped with? What upcoming program are you most excited about and why?

My favorite program that I've helped with is Jacquie's Spice of the Month club. I am really excited about helping with the sewing program coming up in December. I love to sew and I am part of a weekly quilting/crafting group. I'm really looking forward to helping out with the sewing crafts.

### Any other hobbies or interests outside the library?

I love to read, cook and bake. Any kind of desserts are fun to make. (I also love to eat them!)

### You can only take one book to a desert island. What book, and why?

If I could only take one it would be my Bible because it's a necessity. If I could bring along one just for fun it would be *The Hobbit*.

### Is there anything else you would like people to know about you, your job, or your library branch?

I'd like people to know that the personnel at the St. Clair branch are like a family. We have a lot of fun together and we really love our patrons. (At least most of them!)

Frankie the Therapy Dog gives a young friend some snuggles while she visited with us virtually during Kids Club.

Warrenton patrons enjoyed learning how to grow veggies for their own salsa and then brought some home!

St. Clair's Picture Missouri display is up! Visit the branch and see if your picture made it.

## Library Accepting Bids for the New Hermann Branch

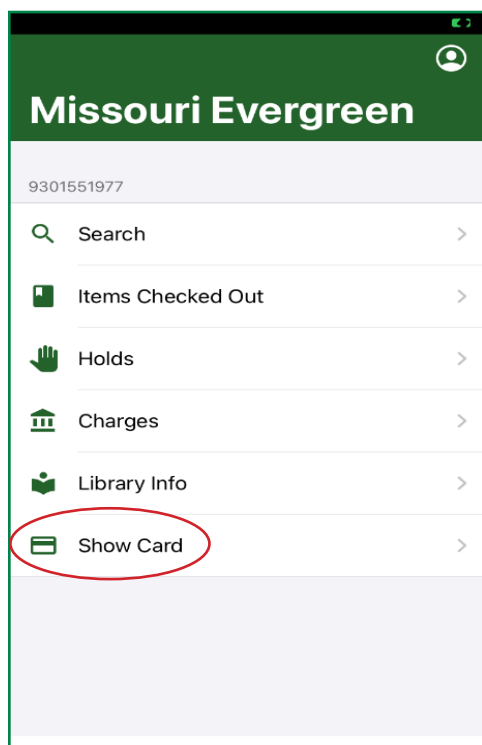

On August 18, the library went out for bid for the new Hermann branch. The bidding on the estimated \$2 million project will close on September 7. The library plans to begin construction in late September and open the new facility in late May 2022. The new branch will have a public meeting room, study rooms, outdoor patios, a children's play area, and a community art gallery. The Hermann Area Hospital will be leasing the other half of the 25,000 sq. ft. former Alco building from the library for a new medical clinic.

## Forget Your Library Card? Mobile App Feature Can Help!

Do you forget your library card a lot? If you have a Smartphone, you'll never need to carry your library card again. The library recently upgraded its barcode scanners at all locations to new "2D" scanners. These new scanners allow staff to scan a patron's library card directly from the Missouri Evergreen mobile app on your Smartphone.

If you don't have the mobile app, it's free and easy to download.

Visit <https://scenicwashington.missourievergreen.org/> and click "Get Mobile App" on the menu bar to download the Missouri Evergreen mobile app for free. Once you log into your account, simply click the "Show Card" feature and let the library staff scan the barcode on your phone.

## Congratulations!

Brothers Kameron and Kaleb Burton, who visit the Warrenton branch, both completed the 1,000 Books Before Kindergarten reading challenge in August.

Eva Ringling, who visits the Warrenton branch, completed the 1,000 Books Before Kindergarten reading challenge in August.

## Purchase a "Book" for the Donor Wall in Your Community's New Library

The Scenic Regional Library Foundation and Friends of the Library groups are selling donor wall "books", which will be placed in the entrance hallway of each new library building.

You can have your name, your family's name, or your business's name become a permanent part of the new library in your community. Donor wall "books" can also serve as a beautiful and long-lasting memorial for a loved one.

The cost of a donor wall "book" is based on the size of the book:

- 8" x 1½" book – \$100
- 10" x 2" book – \$200
- 9" x 3" book – \$300

Visit [www.scenicregional.org/foundation/](http://www.scenicregional.org/foundation/) or complete this form to place your order. The Foundation accepts debit and credit cards (online), checks, and cash (only for forms brought to the library) for donor wall "book" purchases.

Proceeds from the sale of the donor wall books are designated for the local Friends of the Library group and used to assist with the purchase of furnishings and equipment in their new building.

**Purchases are tax deductible.**
