

OHS class of 2020 project graduation Facebook page. There is also a form to submit a vote for Prom or \$12 at the door. Dessert is a brownie with ice cream or cheese cake.

## Scenic Regional Library offers summer virtual programming

Virtual programming continues at all branches of Scenic Regional Library this summer.

Programs are open to all ages.

"Library programming is going to look a little different this summer," according to the system's executive director, Steven Campbell. "Programming that would normally be held at the library has been suspended due to coronavirus. However, virtual programs, that began in March, will continue with the use of Facebook Live, Zoom, and videos posted to social media."

All branches will continue to host their weekly storytimes using Facebook Live. There will also be other added virtual content for all ages, such as book club discussions using Zoom, live performers, and "take & make" crafts.

With a "take & make" craft, a patron stops by the library and picks up all the supplies needed to create a craft. Then, they make the craft at home while watching a "how-to" video posted on their branch's social media page.

For more information about the virtual programs being offered by the library in June and July, visit

branch Facebook pages, [www.scenicregional.org](http://www.scenicregional.org), or contact your local branch.

### Live family programs offered

The library will be hosting four live, virtual family programs this summer beginning in June with Animal Tales — Fantastic Creatures. This live online animal show is scheduled at 10 a.m., 1 p.m., and 6 p.m. Tuesday, June 30.

The month of July is packed with virtual program options, including a Las Vegas-style magic show with Glen Foster on Thursday, July 9, at 10 a.m., 2 p.m., or 6 p.m.

Shake-Ups Band, an award-winning, power-pop group that performs songs all about cartoons, will be performing on Saturday, July 18, at 10 a.m. and 3 p.m.

And on Wednesday, July 29, the Bright Star Theater acting troupe will present "Happily Ever After" at 10 a.m., 2 p.m., and 5 p.m. The performance is a hilarious rendition of some of the best Grimm Brothers' famous fairy tales, including "Rapunzel," "Little Red Riding Hood," "Rumpelstiltskin," and "The Elves and the Shoemaker."

## State FFA • From page 1

ic qualifications, increasing the number of recipients, according to Leon Busdieker, Missouri FFA Association advisor.

"Missouri FFA members have always considered earning the State FFA Degree an honor," said Busdieker. "Instead of limiting the number of individuals eligible to earn the degree, the Missouri FFA Association has established a minimum set of qualifications, increasing the number of recipients. This gives students a more defined path to the recognition."

Awarding of the degree is based on a member's supervised agricultural experience program in agribusiness or production agriculture, and leadership ability as demonstrated through involvement

in FFA, school and community activities. The State FFA Degree award charms are sponsored by MFA Inc., Columbia.

OHS FFA member Abby Fries represented Area XIV in Sheep Production and was the Area XIV winner. "We are still waiting on her photo and plaque," said Byram.

The Missouri FFA has 25,945 members representing 348 chapters. The national organization has more than 700,000 members representing 8,612 chapters in all 50 states, Puerto Rico and the U.S. Virgin Islands. FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.
