OWENSVILLE RESIDENT
Gerard Rebmann is the creator of this month's foyer display at the Scenic Regional Library of Owensville. The piece is titled Pandemic Persistence and features seed pods from a gum tree along with an explanation of relevance. Rebmann states that the seed pods seem to be shaped like the virus' spores.

RR Donnelly receives flag from 113th MP Con in appreciation 40 years - June 4, 1980
R-2 algebra team takes third statewide

An algebra team from the R-2 Junior High School won third place in their class in a recent statewide math contest. Team members shown above are, left to right, Lori Schultz, Tom Evans, Ron Nowack and Jeanette Grob. In addition to the team effort, Jeanette also tied for fifth place in Algebra I individual competition. Not present for the photo was team member Matt Knehans.

25 years - June 7, 1995
Presidential Fitness Award recipients at GES

Coach Mark Jett, in back, presented five Gerald Elementary School students with Presidential Physical Fitness Awards during the school's May 25 end-of-the-year assembly. From left, Matt Griebe, Sarah Me, Ron Nowack, Jeanette Grob and Melissa Miller. Not present for the photo was team member Matt Knehans.
